

MATH DEPARTMENT TUTORING SCHEDULE

FALL SEMESTER 2009-2010

The following schedule is a list of times when El Camino Math Department teachers are committed to being available during the Fall Semester of the 2009-2010 school year. In addition to this schedule, many teachers are available on a drop-in basis at various times throughout the day. Please understand that these teachers are willing to help any student, not just those students currently assigned to them. In fact, we believe that going to a different teacher may give students good alternative problem-solving strategies.

Math teachers will not be available for tutoring on the following dates due to previously scheduled meetings:

- The Tuesday afternoons of: 9/1, 10/6, 11/3, 1/5, 3:00–4:00, due to Faculty Meetings
- Each Thursday afternoon from 1:45 - 3:00, due to Faculty Meetings

*** Students: please bring your textbook to these sessions ***
