

THOMAS KELLY ELEMENTARY SCHOOL

Arrival / Dismissal and Parking Information

At Thomas Kelly, we want children to feel safe at all times. Please help us make our students' arrival and dismissal a safe place by following the guidelines below:

- When the cones or barricades are in place, please park on the street and walk in with your child.
- You may only enter the lot for quick drop-offs only between 7:30-7:50a.m. or after busses have exited.

- Please remind your children to always use the crosswalk when crossing the street and please be sure to never let passengers exit your vehicle while your car is in the crosswalk.
- Please help keep our children safe by slowing down when you are driving by our school.

- Visitors with handicapped placards will be allowed to park in the lot until those spaces are filled. After they are filled, visitors, must park on the street.
- Please be sure to park in designating parking areas, being sure to avoid the RED ZONE as it is a FIRE LANE and must be open at all times.
