

3rd Grade Supply List – 2019/20

Dear Families of Third Grade,

Welcome to third grade! We hope you had a wonderful summer and we are looking forward to a great year with your children.

Our experience as educators has taught us that communication between parents and teachers is a critical part of making a school year a success. We will need your cooperation in order to make your child's transition from home to school successful everyday. Please feel free to contact your child's teacher if you have any question or concerns.

Joannie Chi

Room 27

Donations of the following items for individual use would be helpful:

- **1" binder** ***Padded binders and pencil boxes do not fit in the desks.***
- **Zipper pocket for pens and pencils**
- **Fine point** black whiteboard markers and eraser. (An old "clean" sock can be a great eraser!)
- Hand held pencil sharpener with lid
- Mechanical pencils (0.7 lead)
- Headphones – (we prefer full headphones instead of ear buds, but both will work).

Donations of the following items for the class would be appreciated.

- Kleenex
- Clorox wipes and baby wipes (desks and hands)
- Glue sticks
- **wide rule** binder paper

Third grade classrooms are in portable classrooms without water. For this reason, we allow the children to bring water bottles. **Please do not freeze the bottles** as they sweat on the desks and get everything wet. Healthy snacks are encouraged. Snacks will be eaten during the first recess.

Procedures and academic expectations will be explained at Back-to-School night. We hope to see you then!

Thank you,

Mrs. Chi and Mrs. Wagoner

** We recognize that many families wish to provide supplies for their own student or donate materials for the entire school community and are welcome to do so at any time. The supplies listed are suggested materials and are not required of any student or family to fully participate in the school's academic program. All required materials and supplies will be provided by schools to students at no cost.*
