

Welcome to Mr. McClure's Class!

I have many supplies that the whole class will use, such as pencils, paper, glue, scissors – all the basics.

I ask that each family provide their child the following items for use at school:

- headphones, labeled with your child's name
- homework folder
- coloring materials: markers (12+ count fine tip and/or broad line), crayons (24+ count), and/or colored pencils (24+ count)

We ask that families have the following supplies on hand at home:

- lined paper (wide or college ruled)
- sharpened pencils
- printer paper
- printer
- protractor
- internet connected computer (for student writing/website use)

IF you would like to provide our classroom with school supplies, things that tend to come in handy are:

- facial tissues
- band aids
- pencils
- pencil top erasers
- glue sticks

Desks are small, so binders will need to be kept in backpacks during the day. Students should bring only the items listed above. Teachers will send extra supplies home with your child. *Please keep toys, trading cards, electronics, and the like at home. Thank you!*

I look forward to meeting all of our incoming fourth graders on Thursday, August 15th. Rory McClure, Room 13 rory.mcclure@sanjuan.edu

***** Please send me an email from the email account/s you would like me to use for communication during the upcoming school year. I would like to get my class email list up and running as quickly as possible. Thank you! *****

** I recognize that families may wish to provide supplies for their own student, or donate materials for the entire school community. Families are welcome to do so at any time. The supplies listed are suggested materials and are not required of any student or family to fully participate in the school's academic program. All required materials and supplies will be provided by schools to students at no cost.*
