Local Control and Accountability Plan Parent Advisory Committee (LCAP PAC) 2018-2019 Meeting Dates

The LCAP PAC will meet on the following dates unless the committee agrees to add, delete, or change dates. All evening meetings are scheduled on Thursdays and are held in the district office board room, unless otherwise noted. One all-day meeting is scheduled on a Friday and will also be held in the district office board room.

LCAP PAC meetings requires the attendance of appointed LCAP PAC members. Per the bylaws, members who miss three meetings in a year will be removed from the committee. Appointed members should plan to attend one regional meeting for each of the three topics.

Regional meetings allow for authentic voice of school teams composed of parents, students, staff and/or community members who represent the targeted student groups. Teams will have the opportunity to engage and provide stakeholder input as the LCAP is being evaluated and revised
