Webpage:

Course Description:
A.V.I.D. students will interact and engage with one another to build and strengthen their college and career readiness skills. Students will engage in weekly tutorials twice a week to assist them with points of confusion from other classes. Students will create Cornell Notes from content notes weekly. Students will also participate in weekly collaborative projects as well as use technology. This is not homework club.

Expectations:
Students will safely, respectfully, and responsibly come to class each day ready to interact with content work and their peers. Students will challenge themselves academically to grow as a learner in all content areas. Students will also celebrate their peers and themselves.

Class Rules:
Students will treat themselves and others with respect. They will be safe and responsible across the campus. Students will work with a growth mindset to face challenges and work through them.

Required Materials:
- 2 in. binder with content materials (the same one you use for your other classes)
- Pencil pouch with pencils, pens, highlighters, post-its
- Binder paper
- Dividers
- Binder reminder (written in daily)
- A.V.I.D. comp book (teacher provided)
- Growth Mindset

**If students do not keep at least a 2.0 GPA, have 1’s in effort, and/or U in citizenship they will be placed on academic probation in which they must meet with their teachers and parents. Together, they will create a plan of improvement. Student will be required to fill out weekly data sheets, meet with their teachers, and have a post conference. If requirements are not met, student may be removed from A.V.I.D.**
