

**Math 6 Course Requirements/Syllabus**  
**Mr. Hansen – Room 5**  
**bruce.hansen@sanjuan.edu**  
<http://www.sanjuan.edu/domain/2903>

**You should have:**

- 1.) Plenty of binder paper. Keep extra at home so you can reload your binder.
- 2.) **2 sections** of your binder devoted to math. Please label them:
  - class notes/ bellwork
  - homework
- 3.) Pencils
- 4.) Red color correcting pen (except blue or black)
- 5.) Churchill planner. You will write your homework assignments in this everyday.
- 6.) A place to store corrected tests and quizzes (at home or in your binder).

**Notes:** are taken and kept in chronological order. Each page should be dated. If absent, arrange to copy notes from another student.

**Binder/dividers:** should be organized and used as a reference for keeping notes and homework.

**Calculators:** We won't use calculators very much. We have several calculators for use in class when appropriate but I do not have enough for everyone. You may also bring you own calculator.

**Assignments:** (assigned almost every day) becomes homework if not finished in class.

1. Assignments are to be completed when you arrive to class.
2. Assignments not completed on time are late and should be turned in for partial credit. \*
3. Need to **show all necessary work**.
4. Assignments are checked for completion.

When you get back from being **absent**:

1. Check the assignment listed on the weekly calendar in the classroom
2. If a worksheet was assigned, ask Mr. Hansen for it.
3. Turn in all make-up work, with your **name and period**.

Forgot at home/forgot to do? \* Turn in the next day for full credit.

\* Do not make this a habit, or else I will not continue this generous policy for you.  
I am not perfect, and neither are you, but I also won't accept late work from you very often.

Responsibility is part of becoming an educated person.

**Grading:** A percentage system is used.

|                               |     |
|-------------------------------|-----|
| Tests and Quizzes             | 70% |
| Assignments                   | 25% |
| Effort/Attitude/Participation | 5%  |

**Computerized Grades:** All grades are available to view at any time online through Q. Grades are also posted inside the classroom listed by student ID number. Grades are updated online as homework assignments are evaluated, and tests/quizzes are graded.

If you need help with Q, please contact our front office.

**Math Help:** Please schedule a time with me for help after school. No Thursday's. We also have student tutors that are available on Wednesdays to help you. Come with questions about homework, questions about what is being taught in class, or study questions for a quiz or test.

## **Math Course Objectives**

### **Each Student Will:**

1. Learn mathematics, as stated in the California Content Standards
2. Learn organizational skills
3. Work cooperatively (in a group) to solve a variety of problems

### **Rules:**

1. Raise your hand and be recognized to speak during a class discussion.
2. No talking, when the teacher or a student is talking or presenting.
3. Use common sense.
4. No food or drink allowed.
5. No rude remarks allowed.

### **Student Responsibilities (to get an "O" for citizenship):**

1. Be on time.
2. Be prepared.
3. Be on task.
4. Be a participant.
5. Do your work.
6. Clean up your mess.

## ***Consequences***

Consequences for not following the rules and class procedures:

**1<sup>st</sup> Occurrence:** Non-verbal warning (finger to lips, walking near student, raised eyebrow, quiet stare).

**2<sup>nd</sup> Occurrence:** Verbal Warning.

**3<sup>rd</sup> Occurrence:** Student-Teacher meeting.

**4<sup>th</sup> Occurrence:** Phone call to parent, and/or lunch detention.

**5<sup>th</sup> Occurrence:** Office Referral.

### **My Contact Info:**

e-mail: [bruce.hansen@sanjuan.edu](mailto:bruce.hansen@sanjuan.edu)

website: <http://www.sanjuan.edu/domain/2903>

Dear Parents,

I am excited to get to know your child better and I'm looking forward to being his/her teacher. I may also be your child's earth science teacher and am excited about our Mission Springs Field Trip (October 24-28).

Communication between parents and teachers is highly valued here at Churchill Middle School, so please contact me whenever you have questions or concerns.

I also will have times throughout the year when I might need to contact you, so please keep contact information current through parent portal (Q) and the office.

Thank you,  
Bruce Hansen  
bruce.hansen@sanjuan.edu (e-mail is the best way to reach me and get a quick response)

My website will not have homework on a regular basis at this time.
