*These meals will be available free of charge for anyone 18 and under regardless of what school they attend. No paperwork is required. This program will be solely for the pick up of meals, and meals will not be consumed on-site. We encourage families to continue to be proactive in reducing the risk of COVID-19 by not congregating at the school site and utilizing social distancing once meals have been distributed.*

*If it is not possible to have all children present when picking meals every day, the total number of children must be validated. If any of your children are not in the car with you, please bring their name (and ID if school age) on a sheet of paper with you and you will receive a validation form. Once Nutrition Services validates and gives you a form, you must show the form every time you come to receive meals without your children present. The validation form is not needed if your children will be present.*
