

IF YOU REALLY KNEW ME

Lewis Carroll once stated, "Who in the world am I? Ah, that's the great puzzle." In the hopes of answering his question, you will create a "Word Cloud" using the online website: www.wordle.net. Your "Word Cloud" must include your name plus 20 character traits (see back for ideas) that describe you. Documents must include color, differentiation in word sizes, and a well-planned layout (see example below). "Word Clouds" will be due Friday for an in-class activity.
