

Chapter

1

The author, John Steinbeck, **compares** Lennie to two different animals. Name these animals and state the author's reason for the **similes**.

Explain the
connection
between Lennie's
mouse and what
happened in Weed.

Explain the **relationship** that exists between George and Lennie based on **Chapter I** of the book. Why do you think George stays with Lennie and looks after him?

Cite examples
from the text that
support the
conclusion that
Lennie is like a child.

Give **three** examples
of **foreshadowing**
(a hint of what will
happen later in the
story) in this section.
