

August 5, 2020

Welcome back! My name is Ms. Watson and I am so excited to be a member of the Cottage community! I look forward to working with and getting to know both students and families.

I enjoy reading, cooking, traveling, and spending time with my family (both humans and fur babies). Over the summer I adopted a young cat and enjoyed spending time socializing her.

As we return to school on August 13th, we will be online with distance learning. Assignments will be completed on our Google Classroom and meetings will be held via Zoom. I will create a Remind account for student and family communication, codes to follow soon.

It is important that students and guardians sign up for and check both Google Classroom and the Remind app daily to maintain communication with our classroom and school.

For our class meetings, please:

- Join meetings on time
- Act respectfully toward teachers and classmates
- Use your given name
- Keep the camera on at all times for full participation and attendance credit

More information will follow soon as I get accounts open and meetings scheduled. I look forward to having a great year with the students and can't wait to meet them!

Sincerely,  
Kate Watson
