

WORK PERMIT REQUIREMENTS: Students under 18 years of age must possess work permits when employed. Work permit eligibility requires students to maintain a 2.0 G.P.A., no “F’s” in academic courses and maintain a positive attendance record, with at least two weeks clear attendance just prior to the request. Work Permits will be issued based on the most current grade and attendance reports and will be valid for one reporting period. Work permits must be renewed each year and may be denied, restricted or revoked if the student becomes ineligible due to academic failure or attendance issues.

In order to process a work permit **you must already have an employer** that can sign the application. **The application must be filled out correctly and completely. All signatures (both your parent or guardian and employer) and your social security number need to be provided.** Any incomplete work permit application will not be processed.

Please allow 36 to 48 hours after my receipt of the application for the completion of the work permit.

If you have any questions, I may be reached at 971-5675.

If school is not in session (summer) you may request a work permit from San Juan Central by submitting a work permit application to them. They are located at 3700 Garfield Ave., Carmichael, CA 916 971-7700
