Or come by E-6 after school!

After School Safety and Enrichment for Teens

SAN JUAN
HIGH SCHOOL

AFTER-SCHOOL PROGRAM

Program Staffing: Programs are supported by a Site Coordinator, Academic Coach or Teacher, Team Leaders and other program staff. The site coordinator oversees the program while working with the site team in activity planning. Credentialed teachers act as liaisons to assure planned learning activities enrich traditional school day instruction. Program staff work as a team to provide high quality programming and promote a positive environment.

Student Participation: The Bridges After-School/ASSETS Program is open to all San Juan USD students at participating sites. Students are referred to the program by administrators, teachers, parents, or by self-referral; space is limited. The program operates each day school is in session from the end of the regular school day until at least 6:00 p.m. Actual program time varies depending on location. Parents are responsible for providing transportation for their student at the end of each day.

Registration: To register, complete Program application. Forms may be obtained from participating programs, schools, or by calling a regional office.
