In consideration of the Student's ability to participate in a Student Activity, Student Club, Special Class, and/or Special Program listed above (the "Activity"), including any try-out or process used to select members to join or participate in the listed Activity, or attendance or participation in any Activity meeting, class, competition, show, event, or presentation including travel to and from any meeting, class, competition, show, event, or presentation ("Activities"), the Student and Parent/Legal Guardian ("Adult") signing this Agreement agree as follows:

1. It is a privilege, not a right, to participate in extra-curricular activities, including Activities. The privilege may be revoked at any time, for any reason that does not violate Federal or State law or District policies or procedures. There is no guarantee that the Student will make a Team, remain on a Team, or actively participate in Team events, shows, performances, or competitions. Such matters shall remain exclusively within the judgment and discretion of the District and its employees

Injuries might also arise from an actual or alleged failure to properly maintain, use, repair, or replace physical facilities or equipment available for Activities. All such risks are deemed to be inherent to the Student's participation in Team Activities. By this agreement, the Student and Adult are deemed to fully assume all such risks and, in consideration for the right of the Student to participate in Activities, understand and agree to the fullest extent allowed by law, the Student and Adult therefore also fully assume all such risks and waive and release any potential future claim they might otherwise have been able to assert against the District and any Board Member, employee, agent, or volunteer of the District ("Released Parties"), including any claim that could otherwise have been made on behalf of the Student or any parent, administrator, executor, trustee, guardian, assignee or family member.
5. If the Student believes that an unsafe condition or circumstance exists, or otherwise feels or believes that continued participation in an Activity might present a risk of Injury, the Student will immediately discontinue further participation in the Team Activity, notify School personnel of the Student's belief, and notify a parent or guardian of the Student's belief. The parent or guardian shall thereafter prevent the Student from participating in the Activity until the unsafe condition or circumstance is addressed or remedied to their satisfaction.
6. Emergency medical information regarding the Student is on file with the District and is current.
