

# Rio Americano High School Science Boosters Scholarship Application Reference Form

## Rio Americano High School Science Boosters (RASB) 2020 Scholarship

RASB will award one (or more) \$750 scholarships to a graduating senior(s) from RAHS. The intent of the scholarship is to recognize and support students who demonstrate a passion for a science related career, a clear intention to continue education to achieve this goal, and a commitment to acquiring scientific knowledge.

Applicants must continue their education after high school at one of these levels: vocational/technical school, two year community college, or four year university.

Students must have an unweighted GPA of 3.0 or higher. Applications are due by midnight on Friday, May 8th. Submissions must be sent electronically to [pmontbriand@sanjuan.edu](mailto:pmontbriand@sanjuan.edu)

Recipients will be selected by a panel which may include RASB Board members and RAHS faculty.

The scholarship(s) will be presented at RAHS Senior Awards Night on May 20, 2020.

### **All of the following must be submitted along with this completed application:**

1. A 250-500 word essay explaining your goals and plans for your future. Please include any experiences that may have influenced these decisions.
2. A list detailing community and school activities you have been involved with while at RAHS. List your responsibilities and duties.
3. Two reference forms from adults in the school or community. Forms are attached to this application.
4. A copy of your most recent high school transcript.
