

To Whom It May Concern:

Mira Loma High School's Athletic Department has been a vital part of the Mira Loma High School Matador tradition since 1960. The Mira Loma Booster Club has worked side by side with Athletics and is a non-profit organization established to support the various extracurricular activities offered by Mira Loma to their students. In addition to supporting student activities, the Booster Club is committed to the beautification of Mira Loma through improvement and maintenance efforts. Boosters regularly host fundraisers, membership drives and volunteers at Monday Bingo at the Sacramento Bingo Center located at 3399 Arden Way.

Mira Loma High School is in the San Juan Unified School District in Sacramento. Our informative school profile is located [here](#). Approximately 800 of our 1600+ students participate in our sports program. This commitment to our student athletes requires tremendous effort from our parents and staff. Due to the declining funding of Sports Programs within our district, it is necessary that we seek additional support from businesses such as yours to sustain these important programs which benefit our youth. Unfortunately, without sufficient funding, we risk the closing of our Sports Programs.

It is with hope and enthusiasm that we ask you to make a donation or become a sponsor to our Athletics Program. Your donation will be placed to either the Athletic Program of your choice or the Athletics Program. All donations are tax deductible and you will be given a receipt for the value of your donation for tax purposes. Your kind donation or sponsorship will surely help our Mira Loma High School Athletic Program!

On behalf of Mira Loma Booster Club Volunteers, coaching staff, players and parents of our student athletes, I would like to thank you for your time and consideration. We look forward to your involvement!

Sincerely,

Erica Labson Gaddi
Booster Club President
