Goals

Try and keep the schedule as close to a normal school day as possible.

Allow the kids to have support throughout the scheduled day.

Allow the kids to finish their work during this period.

Zoom is on through lunch so the kids can ask questions.

12:40-1:20 I am available through Go Guardian.

Adjusted Curriculum

Through observation I will adjust to what each student needs.

Starting on Monday I will begin to pre record lessons to help with connection issues.

Assignments are due weekly by Friday.

Adjust the schedule to what works best for you and your student.
