"ASYNCHRONOUS" WORK TIME

- **Asynchronous** time is any time that students are not on a live ZOOM presentation. During these times, students can work on google classroom assignments, read books on EPIC, exercise with Sami Circuit or Go Noodle. **This time is yours to adjust if necessary.** I will be sharing ANOTHER zoom link (sorry....) that will be open during these times for any questions you or your students may have. Additionally, myself, Staci and Sue are available via Email and Class dojo for questions. 😊

HOW CAN I HELP MY STUDENT???

- Please read with your child EVERY NIGHT 😊. Have them read OUT LOUD to you as often as possible.
- Practice comprehension questions (*who was in the story, where did it happen, what was the sequence of events, what was the surprise, etc.*)
- ***Research shows that nightly reading to your child or listening to them read has the single BIGGEST effect on school achievement.***

PLEASE READ, READ, READ!!!

IEP MEETINGS

- Please **notify me in writing** if you ever have a need to hold a meeting and review your child's special education program, or discuss any issue regarding your student.
- Please inform me if anyone else will be attending an IEP so I that I can have adequate space for the number of people and additional report copies if needed.

IEP MEETINGS (CONTINUED)

- This year, our IEP meeting day will be **TUESDAYS**. I will try to provide you at least 3 to 4 weeks notice for you to make arrangements to attend.
- Due to COVID-19, only annual review IEP meetings will be held. Triennial (third year meetings are "on hold").

STUDENT PHOTOGRAPHS

- Student photos may be posted on our school website and are used for classroom learning and projects throughout the year.
- SJUSD has an “**OPT OUT**” policy, so if you do not want your child’s picture used in any form, please notify the office and they will provide a form for you to complete.

AND...

Unless you have questions for me, we are all finished!
Thank you for making time to come to our Back to School
Night! 😊
