

Naviance Student: Google Single Sign-On Info

These instructions are for students who are logging into Naviance Student for districts /schools that have setup Single Sign-On (SSO) with Google and Naviance. There are a two ways you can easily access Naviance Student.

Option 1: Google Apps “Waffle”

You can login to Naviance Student via the Google Apps “waffle” and locating the Naviance icon. This will login you into Naviance Student without having to go the login page or enter any additional information if you are already logged into your device (Chromebook) or browser (Chrome) with your district Google credentials.

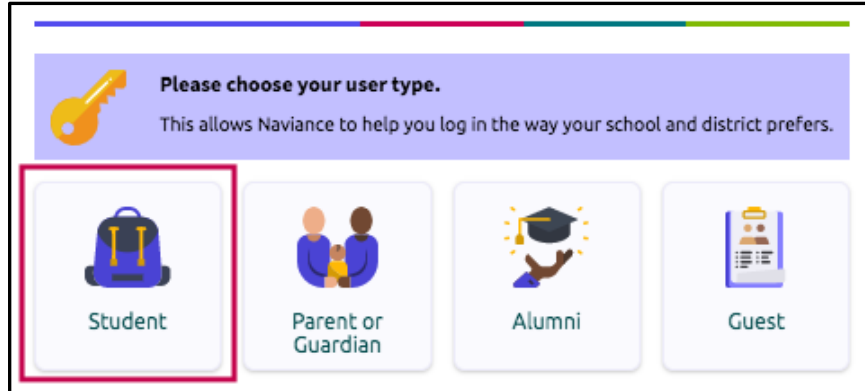

Option 2: School's Naviance Student Login Page

Go to your School's Naviance Student login page

- Your school may provide you with your school's specific Naviance Student URL or there may be a link on your school's web page.
- You can also go to naviance.com, click "For Students and Parents" and then search for your school by name, city or zip code.

Click Student tile

Click Continue with Single Sign On button

- If you are already logged into your device (Chromebook) or browser (Chrome) with your district Google credentials this will login you into Naviance Student without having to enter any additional information.
- If you are not logged into your device (Chromebook) or browser (Chrome) with your district Google credentials then you will be taken to a Google login page to enter your district Google credentials.
