Westminster Woods

On March 17-20, the sixth graders will take on an adventure of a lifetime to Westminster Woods.

Westminster woods is a camp in Sonoma County. Their mission at Westminster Woods is to foster the development of character, community, and science literacy in students through experiential outdoor education. The facility is nestled in 200 acres of a coastal redwood forest in Sonoma County, a short drive from the Pacific Ocean. There are many things to do there, even a ropes course. So, get ready for an adventure 6th graders.

Interviews with Mr.Overholt

Why did you start teaching?

I started teaching because I wanted a job that helped people. I was thinking of going into law, and then I worked as a messenger in a law firm and I found out I probably didn't want to become a lawyer.

Have you only worked at Pasteur Middle School?

I worked as a guest teacher in San Juan and worked at a bunch of different schools. I met my wife when I was a guest teacher. I also taught for six years at Salk Middle School.

What's your favorite class?

My favorite class when I was a student was probably foreign language. I took Spanish and some French. When I visit foreign countries, it's fun to use what I remember, even though I'm not great at it.

What's your family like?

My family is funny and fun loving. I have two daughters in Middle School and my wife is a kindergarten teacher. Can you imagine having two teachers as parents? We like to travel,ski (his family) and snowboard (Mr.Overholt) and watch cheesy movies.

What's your favorite memory at Pasteur?

My favorite memories are when I see parents and students years later. It's great when they tell me how their years at Pasture are helping them in college and beyond.

Where is your favorite place to visit on vacation?

My mom's family is from Switzerland, so that's my favorite place to go on vacation. It's great to see the lakes and mountains and say the few phrases I know in German. If it didn't cost so much I would go there every year!

Do you have any pets?

I have three pets. With how good they have it our house, I think that they should pay rent. Joe (small dog) likes to snuggle up with Stanley (big dog). They've been best buds for almost five years. Then there's our cat George. George

What's your favorite meal?

My favorite food is pizza. I worked at Pizza My Heart in college, and I got to take home the leftover slices at the end of the night. I had pizza every day and never got tired of it. Unfortunately, pizza isn't the healthiest food in the world so now I don't have it as often.

SCHOOL NEWS :)

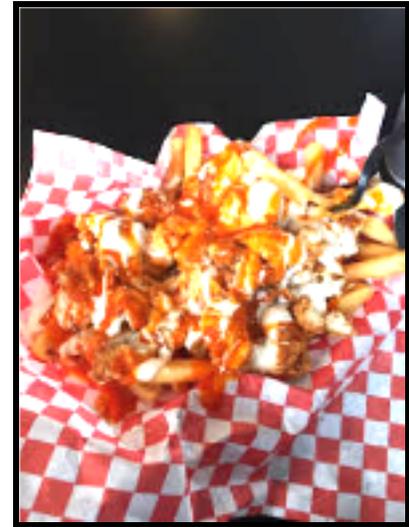

Westminster woods is coming up in March so 6th graders get ready for an adventure. The exact date is March 17th through the 20th. Make sure to remember to stay in dress code such as no rips above your fingertips and no short shorts and always wear your pasteur shirts. Westminster woods will probably be a little bit cold so remember to bring comfortable clothes that you will not mind getting dirty. Remember that our students will not be bringing phones on this trip. If your child has any medical problems or have special needs, make sure to tell one of our teachers so they can be aware.

Spring dance is coming, so get ready to dance!:)
