Stacey Major	9-12	Government, English, Workability, Study Skills, Tutorial	Phone or Google Voice, Email, Google Classroom	smajor@sanjuan.edu	(916) 971-7430 ex 201087	N/A	N/A	I have an app on my phone which makes the school phone ring my cell during office hours: 8:30-10:30am and 12:30-2:30pm weekdays. (1-916-971-7430) You have to type in the extension very, very quickly before it goes to voice mail. (201087) If you would please enable your caller ID, this would help me differentiate from telemarketers. If it doesn't work or I am speaking with someone else, please leave a message identifying yourself, and it will automatically send it to my email, and I will see it and call you back. During non-office hours, it will not ring my cell, but you can leave a message which will go to my email, and I will get back to you. Please let me know if it is urgent. Unless I am ill, I intend to be working weekdays during school hours (8-3 weekdays), but will be focusing on other school-related tasks (grading, caseload management) during non-office hour times. I will not be checking my email before 8:00 am or after 3:00 pm. I can definitely be reached by email, and will be on it during office hours and checking it periodically between 8 and 3. I am also exploring the possibilities within Google Classroom, and will be posting activities the students can do, links, discussions, etc.
Steve Markley	9-12	Biology, Earth Science, Biotechnology	Email, Google Classroom	steve.markley@sanjuan.edu	n/a	n/a	n/a	Google classroom is the main contact and information source
