

La Entrada Continuation High School

School Accountability Report Card

Reported Using Data from the 2014-15 School Year

Published During 2015-16

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC Web page at <http://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF Web page at <http://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest Web page at <http://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district, the county, and the state. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

School Description and Mission Statement (Most Recent Year)

Mission Statement:

Recognizing the fact that individuals learn in different ways and at varied paces, the mission of SJUSD alternative high schools is to guide and inspire each student's pursuit and discovery of knowledge and achievement of the skills necessary for responsible citizenship, meaningful employment, and lifelong learning through innovative, challenging curricula delivered in a dedicated and collaborative learning community.

School Profile

La Entrada Continuation High School has been the district's primary continuation program for 16-18 year old students for over 20 years. Students are primarily credit-deficient 11th and 12th graders who either enroll voluntarily for credit recovery, or are placed by the SJUSD's Student Review and Intervention Program. La Entrada's instructional model utilizes individual student learning on computers. Up to 60 students at a time are in a large computer lab/classroom. Instruction and academic tutoring is provided by two teachers and three instructional assistants. There are three 225 minute sessions each school day, serving three different groups of students.

La Entrada is the only self-contained continuation high in the San Juan Unified School District. The school serves grades 10 thru 12 with the understanding that all students enrolling must be sixteen years of age. Currently our school utilizes 2 classrooms, 2 teachers, 3 classified staff, and 1 support staff. La Entrada serves the nine high schools within our district as well as incoming out of district students that meet our criteria. Students enroll at our school either through a voluntary process mainly due to credit deficiency or students involuntarily due to discipline issues. Students at our school are representative of a wide diversity of cultures and socioeconomic groups. La Entrada is located at 5320 Hemlock Street in Sacramento County 95841, and is a suburb of the city of Sacramento. The school was established in 1973 on the former site of an elementary school.

Our student population is made of:

3 10th graders (1 White female; 1 White male; 1 Hispanic male)

22 11th graders (15 White students - 9 male and 6 female; 3 African American students - 2 male and 1 female; 4 Hispanic students - 2 male and 2 female)

48 12th graders (26 White students - 21 male and 5 female; 8 African American students - 5 male and 3 female; 11 Hispanic students - 9 male and 2 female; 1 Pacific Islander-Other male; 1 Asian-Other Asian male; and 1 American Indian / Alaskan Native male)

Total of 73 students.

59% White, 22% Hispanic, 15% Black, 1% Pacific Islander-Other, 1% Asian-Other Asian, 1% American Indian / Alaskan Native

27% female, 73% male

Principal's Message:

We are proud to be serving our most at-risk students in an alternative program that is tailored to the individual needs of each student. The La Entrada's curriculum model is designed to help each students reach the goal of high school graduation, advanced post-secondary education, and career preparation. Our staff is trained to build positive relationships with students in order to gain trust, learn each student's needs, and guide them toward their goals.

Student Enrollment by Grade Level (School Year 2014-15)

Grade Level	Number of Students
Grade 10	3
Grade 11	18
Grade 12	48
Total Enrollment	69

Student Enrollment by Group (School Year 2014-15)

Student Group	Percent of Total Enrollment
Black or African American	23.2
American Indian or Alaska Native	2.9
Filipino	1.4
Hispanic or Latino	30.4
Native Hawaiian or Pacific Islander	4.3
White	36.2
Two or More Races	1.4
Socioeconomically Disadvantaged	58
English Learners	4.3
Students with Disabilities	8.7
Foster Youth	5.8

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the Basic State Priority (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

Teacher Credentials

Teachers	School			District
	2013-14	2014-15	2015-16	2015-16
With Full Credential	2	2	1	1840
Without Full Credential	0	0	0	28
Teaching Outside Subject Area of Competence (with full credential)	0	0	0	46

Teacher Misassignments and Vacant Teacher Positions

Indicator	2013-14	2014-15	2015-16
Misassignments of Teachers of English Learners	0	0	0
Total Teacher Misassignments *	0	0	0
Vacant Teacher Positions	0	0	0

Note: "Misassignments" refers to the number of positions filled by teachers who lack legal authorization to teach that grade level, subject area, student group, etc.

* Total Teacher Misassignments includes the number of Misassignments of Teachers of English Learners.

Core Academic Classes Taught by Highly Qualified Teachers (School Year 2014-15)

Location of Classes	Percent of Classes In Core Academic Subjects	
	Taught by Highly Qualified Teachers	Not Taught by Highly Qualified Teachers
This School	22.0	78.1
All Schools in District	88.3	11.7
High-Poverty Schools in District	86.6	13.4
Low-Poverty Schools in District	97.0	3.0

Note: High-poverty schools are defined as those schools with student eligibility of approximately 40 percent or more in the free and reduced price meals program. Low-poverty schools are those with student eligibility of approximately 39 percent or less in the free and reduced price meals program.

Quality, Currency, Availability of Textbooks and Instructional Materials (School Year 2015-16)

Year and month in which data were collected: September 22, 2015

San Juan Unified held a public hearing on September 22, 2015 and determined that each school within the district had sufficient and good quality textbooks, instructional materials, or science lab equipment pursuant to the settlement of Williams vs. the State of California. All students, including English learners, are given their own individual standards-aligned textbooks or instructional materials, or both, in core subjects for use in the classroom and to take home. Textbooks and supplementary materials are adopted according to a cycle developed by the California Department of Education, making the textbooks used in the school the most current available. Materials approved for use by the State are reviewed by all teachers and a recommendation is made to the School Board by a selection committee composed of teachers and administrators. All recommended materials are available for parent examination at the district office prior to adoption. The table displays information collected in September 2015 about the quality, currency, and availability of the standards-aligned textbooks and other instructional materials used at the school. If you would like more information on the textbooks and instructional materials please visit our website: <http://www.sanjuan.edu/Page/23485>

In July 2009, EC Section 60200.7, delayed all instructional materials adoptions and the development of curriculum frameworks and evaluation criteria until the 2015-16 school year. Since then specific legislation has authorized the State Board of Education to conduct adoptions in mathematics (Assembly Bill 1246) and English language arts/English language development (Senate Bill 201). For more information regarding San Juan’s textbook adoption schedule, please visit our website: <http://www.sanjuan.edu/cms/lib8/CA01902727/Centricity/Domain/140/Textbook%20Pilot%20adoption%20Schedule.pdf>.

Core Curriculum Area	Textbooks and Instructional Materials/ Year of Adoption	From Most Recent Adoption?	Percent of Students Lacking Own Assigned Copy

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- Statewide assessments (i.e., California Assessment of Student Performance and Progress [CAASPP], Science California Standards Tests); and
- The percentage of pupils who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study

California Assessment of Student Performance and Progress Results for All Students (School Year 2014-15)

Subject	Percent of Students Meeting or Exceeding the State Standards (grades 3-8 and 11)		
	School	District	State
English Language Arts/Literacy	6	42	44
Mathematics	0	32	33

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

CAASPP Assessment Results - English Language Arts (ELA)

Disaggregated by Student Groups, Grades Three through Eight and Eleven (School Year 2014-15)

Student Group	Grade	Number of Students		Percent of Students				
		Enrolled	Tested	Tested	Standard Not Met	Standard Nearly Met	Standard Met	Standard Exceeded
All Students	11	43	32	74.4	66	22	6	0
Male	11	43	26	60.5	69	19	8	0
Female	11	43	6	14.0	--	--	--	--
Black or African American	11	43	7	16.3	--	--	--	--
American Indian or Alaska Native	11	43	0	0.0	--	--	--	--
Hispanic or Latino	11	43	6	14.0	--	--	--	--
Native Hawaiian or Pacific Islander	11	43	1	2.3	--	--	--	--
White	11	43	18	41.9	56	33	11	0
Socioeconomically Disadvantaged	11	43	15	34.9	87	0	7	0
Students with Disabilities	11	43	4	9.3	--	--	--	--
Foster Youth	11	--	--	--	--	--	--	--

Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes students that did not receive a score; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using students with scores.

CAASPP Assessment Results - Mathematics

Disaggregated by Student Groups, Grades Three through Eight and Eleven (School Year 2014-15)

Student Group	Grade	Number of Students		Percent of Students				
		Enrolled	Tested	Tested	Standard Not Met	Standard Nearly Met	Standard Met	Standard Exceeded
All Students	11	43	30	69.8	87	7	0	0
Male	11	43	24	55.8	88	8	0	0
Female	11	43	6	14.0	--	--	--	--
Black or African American	11	43	7	16.3	--	--	--	--
American Indian or Alaska Native	11	43	0	0.0	--	--	--	--
Hispanic or Latino	11	43	6	14.0	--	--	--	--
Native Hawaiian or Pacific Islander	11	43	0	0.0	--	--	--	--
White	11	43	17	39.5	88	6	0	0
Socioeconomically Disadvantaged	11	43	15	34.9	80	7	0	0
Students with Disabilities	11	43	3	7.0	--	--	--	--
Foster Youth	11	--	--	--	--	--	--	--

Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes students that did not receive a score; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using students with scores.

California Standards Tests for All Students in Science (Three-Year Comparison)

Subject	Percent of Students Scoring at Proficient or Advanced (meeting or exceeding the state standards)								
	School			District			State		
	2012-13	2013-14	2014-15	2012-13	2013-14	2014-15	2012-13	2013-14	2014-15
Science (grades 5, 8, and 10)	--	--	33	59	61	57	59	60	56

Note: Scores are not shown when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

California Standards Tests Results by Student Group in Science (School Year 2014-15)

Student Group	Percent of Students Scoring at Proficient or Advanced
All Students in the LEA	57
All Students at the School	33
Male	30
Female	--
Black or African American	--
Asian	--
Hispanic or Latino	--
White	--
Socioeconomically Disadvantaged	--
English Learners	--
Students with Disabilities	--
Foster Youth	--

Note: Scores are not shown when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Career Technical Education Programs (School Year 2014-15)

San Juan Unified defines their career paths following the strict criteria set within the Perkins Act and/or the California Partnership guidelines. Although most completion data is collected through our ROP regionally (Sacramento County Office of Education), the CTE department collects data on the number of students moving through our local sequences. Some ROP courses, because of the time requirements, internship element and industry standards they meet, are defined as a sequence within themselves. Introductory CTE courses are found throughout our schools, concentrators are students who take a second level course within the same career path, and students are referred to as completers when they complete a sequence of courses leading to certification, employability, and/or further technical training. ROP course are defined as completer based on length of course, sequence, and skill development.

The ROP capstone course leads to a certificate/industry skill sheet or license if applicable. The program also provides the student with academic and technical knowledge and skill through integrated academic and technical instruction. The programs prepare students to enter current or emerging careers for further training within the career path for which there is gainful employment. Students enrolled in the programs are provided strong experiences in all aspects of an industry.

San Juan Unified also provides students career preparation through enrollment in California Partnership Academies. We have four California Partnership Academies in the areas of: business–finance/entrepreneurship, pre-engineering, Sports Careers and Opportunities in Recreation (SCORE), and small business entrepreneurship. Our schools have numerous career paths opportunities beyond the state funded California Partnership Academy. We have career pathways in:

- Agriculture
- Bakery Academy
- Construction Technology
- Automotive Technology
- Careers w/Children
- Culinary Arts

Digital Media Arts
 Food Services
 Horticulture
 Sports Therapy

Engineering Technology
 Health Careers
 Natural Resources Management

How does this class support student achievement?

When students experience CTE courses they have the opportunity to see the relationship between applied academic standards and the real world. Students find purpose in their studies and are provided an opportunity to apply their academic and industry skills to every day problems.

How does this class support student achievement?

When students experience CTE courses they have the opportunity to see the relationship between applied academic standards and the real world. Students find purpose in their studies and are provided an opportunity to apply their academic and industry skills to every day problems.

How does the school address the needs of all students in career preparation?

Through the IEP process special education students may be scheduled into CTE courses. Students are provided the support and necessary curriculum modification as outlined in the IEP. CTE provides extended testing time, extra assignment time and support where appropriate. Since our CTE courses work to integrate and support the academic standards, the students will be exposed to “hands on” activities and participate in solving real life problems.

How are the courses evaluated for effectiveness?

The capacity to serve a “significant” number of students and the degree to which the program attains specific outcomes are assessed yearly. Completion rates, graduation rates, and the passing rate on the California High School Exit Exam (CAHSEE) along with completion of a sequence are all evaluated yearly. The number of completion certificates issued and the attainment of specific industry skills is analyzed. Data on attendance is also collected.

Career Technical Education Participation (School Year 2014-15)

Measure	CTE Program Participation
Number of pupils participating in CTE	0
% of pupils completing a CTE program and earning a high school diploma	0
% of CTE courses sequenced or articulated between the school and institutions of postsecondary education	0

Courses for University of California and/or California State University Admission

UC/CSU Course Measure	Percent
2014-15 Students Enrolled in Courses Required for UC/CSU Admission	86.54
2013-14 Graduates Who Completed All Courses Required for UC/CSU Admission	0

State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the Other Pupil Outcomes State Priority (Priority 8):

- Pupil outcomes in the subject areas of English, mathematics, and physical education.

California High School Exit Examination Results for Grade Ten Students (Three-Year Comparison)

Subject	Percent of Students Scoring at Proficient or Advanced								
	School			District			State		
	2012-13	2013-14	2014-15	2012-13	2013-14	2014-15	2012-13	2013-14	2014-15
English-Language Arts				58	50	52	57	56	58
Mathematics				59	53	50	60	62	59

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

California High School Exit Examination Grade Ten Results by Student Group (School Year 2014-15)

Group	English-Language Arts			Mathematics		
	Percent Not Proficient	Percent Proficient	Percent Advanced	Percent Not Proficient	Percent Proficient	Percent Advanced
All Students in the LEA	41	24	35	44	37	20
All Students at the School	0	0		0	0	

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the Parental Involvement State Priority (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each schoolsite.

Opportunities for Parental Involvement (Most Recent Year)

When parents, families, and members of the community are involved with schools, all children benefit. Adult participation sends the message that school is important and the work our students do at La Entrada is worthy of adult attention. Our community recognizes that adults may participate in La Entrada in different and varied avenues to ensure all students have quality learning experiences.

Partnerships between La Entrada, families and the community is identified in our partnership framework. This framework categorizes participation in six areas:

Learning from Home: Families work together through activities and facilitation of a teacher to assist with class work and recognizing other learning home opportunities.

Parenting: Resources are made available to families to establish home environments to support children as learners. Please see 'Parent Resource' page on our website.

Decision Making: La Entrada believes all stake holders including parents, students and community members, have a role in the decision making processes. Stakeholders are encouraged to participate in Site Strategic Planning, School Site Council, and English Learning Advisory Committees.

Communications: La Entrada individualizes instruction for each student. Parents are encouraged to communicate directly with their child's teacher to gain valuable insight on how their child is performing in school. Whole school events and information are posted on the La Entrada website.

Collaborating with the Community: La Entrada's area of focus called out in our Site Strategic Plan is to identify and integrate resources and services from the community.

Volunteering: We understand that adults may participate in La Entrada in different and varied avenues. Volunteers may work with students individually or in small groups. They may help organize school events or activities for students. Adults assistance with logistical and organization tasks are always appreciated and offered a flexible times.

State Priority: Pupil Engagement

The SARC provides the following information relevant to the Pupil Engagement State Priority (Priority 5):

- High school dropout rates; and
- High school graduation rates.

Dropout Rate and Graduation Rate (Four-Year Cohort Rate)

Indicator	School			District			State		
	2011-12	2012-13	2013-14	2011-12	2012-13	2013-14	2011-12	2012-13	2013-14

Foster Youth	--	--	--

State Priority: School Climate

The SARC provides the following information relevant to the School Climate State Priority (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

Suspensions and Expulsions

Rate	School			District			State		
	2012-13	2013-14	2014-15	2012-13	2013-14	2014-15	2012-13	2013-14	2014-15
Suspensions	5.83	6.88	9.09	8.28	7.37	5.71	5.07	4.36	3.80
Expulsions	0.00	0.00	0.00	0.09	0.04	0.07	0.13	0.10	0.09

School Safety Plan (Most Recent Year)

This school is linked directly to the San Juan Unified School District's Safe Schools Program. In partnership with the Sacramento County Sheriff's Department and the City of Citrus Heights Police Department (CHPD), each school becomes part of a safety zone that is patrolled daily by a sheriff's deputy or CHPD officer. The Deputy Sheriffs are assigned to a specific schools which are identified by geographic zones. The Deputy Sheriffs may move from one the geographic zone to another as safety needs dictate. The CHPD Police Officers work identified schools within the City of Citrus Heights and respond as safety needs dictate. In addition to daily support from a designated Sheriff's deputy or CHPD officer, this school is a part of the San Juan Unified School District's Safe Schools Task Force, which is comprised of safety teams from each of the school sites. Each school safety team meets regularly to discuss safety issues, update their site emergency plans, and to take steps to be proactive in preventing various types of school-related safety issues. Law enforcement provides speakers to address students, staff and community groups. Our safety team receives regular training through the Safe Schools Task Force. Each school site is responsible for updating their Comprehensive School Safety Plan by March 1st of every year. The plan must be approved by the School Site Council before being submitted to the district Safe Schools Manager. Every San Juan classroom has a standardized "Safety Folder" which serves as a guide for teachers, includes the site specific crisis response procedures and a district standardized emergency flip chart. This school meets or exceeds the Education Code requirements for fire drills and lock down drills.

D. Other SARC Information

The information in this section is required to be in the SARC but is not included in the state priorities for LCFF.

English				3	14			2	16					
Mathematics				2	13			2	8					
Science				2	8			3	4					
Social Science				4	13			4	11					

Note: Number of classes indicates how many classrooms fall into each size category (a range of total students per classroom). At the secondary school level, this information is reported by subject area rather than grade level.

Academic Counselors and Other Support Staff (School Year 2014-15)

Title	Number of FTE Assigned to School	Average Number of Students per Academic Counselor
Academic Counselor	0	0
Counselor (Social/Behavioral or Career Development)	0	N/A
Library Media Teacher (Librarian)	0	N/A
Library Media Services Staff (Paraprofessional)	0	N/A
Psychologist	0	N/A
Social Worker	0	N/A
Nurse	0	N/A
Speech/Language/Hearing Specialist	0	N/A
Resource Specialist	0	N/A
Other	1	N/A

Note: Cells with N/A values do not require data. One Full Time Equivalent (FTE) equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time.

Expenditures per Pupil and School Site Teacher Salaries (Fiscal Year 2013-14)

Level	Expenditures Per Pupil			Average Teacher Salary
	Total	Supplemental/Restricted	Basic/Unrestricted	
School Site	9679	192	9487	
District	N/A	N/A	\$5,013	\$71,583
Percent Difference: School Site and District	N/A	N/A	89.2	
State	N/A	N/A	\$5,348	\$72,971
Percent Difference: School Site and State	N/A	N/A	-78.3	

Note: Cells with N/A values do not require data.

Types of Services Funded (Fiscal Year 2014-15)

The table provides a comparison of a school's per pupil funding from unrestricted sources with other schools in the district and throughout the state.

Supplemental/Restricted expenditures come from money whose use is controlled by law or donor. Money designated for specific purposes by the district or governing board is not considered restricted. Basic/unrestricted expenditures, except for general guidelines, is not controlled by law or donor.

For detailed information on school expenditures for all districts in California, see the CDE Current Expense of Education & Per-pupil Spending Web page at <http://www.cde.ca.gov/ds/fd/ec/>. For information on teacher salaries for all districts in California, see the CDE Certificated Salaries & Benefits Web page at <http://www.cde.ca.gov/ds/fd/cs/>. To look up expenditures and salaries for a specific school district, see the Ed-Data Web site at: <http://www.ed-data.org>.

In FY 2011-12, the district spent \$7,732,354 in restricted general fund for positions that would have usually been paid for by unrestricted dollars (SF-0) due to receiving American Recovery and Reinvestment Act (ARRA) Education Jobs Funds (EJF). The positions that were paid for included 21.0 FTE for Counselors, 24.0 FTE for Principals and 18.0 FTE for Vice Principals. Due to this change, many schools showed a decrease in unrestricted costs and an increase in restricted costs.

In FY 2011-12, the district spent \$3,163,102 in restricted general fund from the Economic Impact Aid (EIA) grant. The expenses were coded with a central location (000) in 2011-12, when in the previous year the dollars were coded to site locations. The impact of this change will show a decrease in restricted expenses.

Teacher and Administrative Salaries (Fiscal Year 2013-14)

Category	District Amount	State Average for Districts In Same Category
Beginning Teacher Salary	\$41,336	\$43,165
Mid-Range Teacher Salary	\$70,764	\$68,574
Highest Teacher Salary	\$83,465	\$89,146
Average Principal Salary (Elementary)	\$102,900	\$111,129
Average Principal Salary (Middle)	\$112,906	\$116,569
Average Principal Salary (High)	\$126,182	\$127,448
Superintendent Salary	\$225,000	\$234,382
Percent of Budget for Teacher Salaries	39%	38%
Percent of Budget for Administrative Salaries	6%	5%

For detailed information on salaries, see the CDE Certificated Salaries & Benefits Web page at <http://www.cde.ca.gov/ds/fd/cs/>.

Advanced Placement (AP) Courses (School Year 2014-15)

Subject	Number of AP Courses Offered*	Percent of Students In AP Courses
Computer Science		N/A
English		N/A
Fine and Performing Arts		N/A
Foreign Language		N/A
Mathematics		N/A
Science		N/A
Social Science		N/A
All courses		

* Cells with N/A values do not require data. Where there are student course enrollments.

Professional Development (Most Recent Three Years)

Professional development is a key part of the continuous improvement process for educators. The goal of our quality professional development is to support the learning of teachers and paraprofessionals to positively impact student achievement. Annually, teachers and site administrators participate in professional development in a variety of opportunities. Seventy-five minutes per week are dedicated to staff collaboration and training planned by site leadership teams. The District also provides a cycle of continuous professional development for Administrators through Principal Networks as well as Leadership Academies.

The District provides professional development opportunities for teachers and administrators that support the implementation of Common Core State Standards in English language arts and mathematics, and the ELA/ELD Framework. Specific professional development initiatives include: Critical Literacy, K-1 Reading, Making Meaning Through Close Reading and Writing, Engineering and Mathematics Inspiring Thinking Solutions (EMITS), Math to the Core, Expository Reading and Writing Course (ERWC), and ELD Foundations. District departments, Center for Teacher Support, grant-funded projects, and the San Juan Teacher's Association sponsor additional training opportunities. Professional development opportunities are voluntary for teachers and are provided throughout the year in a variety of formats: during the school day, after school, on Saturdays, and during summer and vacation breaks. Many teachers and administrators also take advantage of opportunities with Sacramento County Office of Education, California Department of Education, the college/university programs, state/national education organizations, and private educational institutes.

What grounds the professional development in the district is the District Strategic Plan and the Local Control Accountability Plan. Professional Development is further determined using one or more of the following: (a) student achievement data, (b) staff survey data, and (c) district-identified goals. Professional development addresses the Common Core State Standards (CCSS), teaching strategies, curriculum, assessment, technology, classroom management, safety, and leadership. Administrator training accompanies professional development in district focus areas, providing implementation support for teachers on site. Content-area coaches are available at some schools. Additional classroom support is provided to new and struggling teachers by consulting teachers from the Center for Teacher Support.

Paraprofessionals are encouraged to participate in professional development at the district and site level. Specifically designed training is also offered to non-instructional support staff such as clerical and custodial staff that includes both operational and instructional topics.
