

# Casa Roble Fundamental High School

## School Accountability Report Card

### Reported Using Data from the 2015-16 School Year

#### Published During 2016-17

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC Web page at <http://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF Web page at <http://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

#### **DataQuest**

DataQuest is an online data tool located on the CDE DataQuest Web page at <http://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

#### **Internet Access**

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

## **About This School**

#### **Contact Information (School Year 2016-17)**

<b>School Contact Information</b>	
<b>School Name</b>	Casa Roble Fundamental High School
<b>Street</b>	9151 Oak Avenue
<b>City, State, Zip</b>	Orangevale CA, 95662

### School Description and Mission Statement (School Year 2016-17)

#### Mission Statement

Supported by a rich tradition of family and community participation, Casa Roble Fundamental High School ensures that each student will graduate as an exceptionally educated, socially responsible citizen through engagement in our diverse, challenging, and relevant learning experiences.

#### School Profile

With approximately 1400 students on campus each day, Casa Roble Fundamental High School, has a history of embracing change and welcoming the challenges that modern society presents, while still preserving programs that have traditionally defined our school. Located 25 miles from downtown Sacramento, Orangevale is a ten-square mile suburban community that clings to a rural identity. Casa Roble opened its doors for the first time in 1966 and has served its community faithfully, offering a comprehensive academic, extracurricular and athletic program designed to provide students with multiple avenues of participation in the learning community of the school. In the past decade, the school has been a 1274 restructuring school and a digital high school, instituted a block schedule, created Senior Project and Community Service graduation requirements, embraced business partnerships, implemented a California Partnership Academy and AVID, and developed a schoolwide broadcast system, all while continuing to maintain our Agriculture, FFA, Auto, Wood, Floral and award winning Jr. ROTC programs.

As we work towards the achievement of our District Strategic Plan, and in support of our WASC profile the focus of our instructional improvement plan is on Strategies 1 and 5:

1. We will ensure all staff are implementing effective instructional strategies, integrating technology and utilizing assessment data to actively engage each student to increase achievement on state standards, 21st century skills, and personal education plans.
5. We will integrate relevant technology into teaching, learning and system operations to best achieve our mission and objectives.

The ensuring goals in this plan will move our student population closer to achieving our district mission.

#### Student Enrollment by Grade Level (School Year 2015-16)

Grade Level	Number of Students
Grade 9	325
Grade 10	312
Grade 11	328
Grade 12	297
<b>Total Enrollment</b>	<b>1,262</b>

### Student Enrollment by Group (School Year 2015-16)

Student Group	Percent of Total Enrollment
Black or African American	2.9
American Indian or Alaska Native	2.5
Asian	1.7
Filipino	1.5
Hispanic or Latino	12.8
Native Hawaiian or Pacific Islander	0.4
White	78.2
Two or More Races	0.1
Socioeconomically Disadvantaged	31.2
English Learners	1.3
Students with Disabilities	10.5
Foster Youth	1

## A. Conditions of Learning

### State Priority: Basic

The SARC provides the following information relevant to the Basic State Priority (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

### Teacher Credentials

Teachers	School			District
	2014-15	2015-16	2016-17	2016-17
With Full Credential	57	56	54	1814
Without Full Credential	0	0	0	33
Teaching Outside Subject Area of Competence (with full credential)	4	3	2	29

### Teacher Misassignments and Vacant Teacher Positions

Indicator	2014-15	2015-16	2016-17
Misassignments of Teachers of English Learners	0	0	0
Total Teacher Misassignments *	0	0	0
Vacant Teacher Positions	0	0	0

Note: "Misassignments" refers to the number of positions filled by teachers who lack legal authorization to teach that grade level, subject area, student group, etc.

\* Total Teacher Misassignments includes the number of Misassignments of Teachers of English Learners.

**Core Academic Classes Taught by Highly Qualified Teachers (School Year 2015-16)**

Location of Classes	Percent of Classes In Core Academic Subjects	
	Taught by Highly Qualified Teachers	Not Taught by Highly Qualified Teachers
<b>This School</b>	96.7	3.3
<b>All Schools in District</b>	86.2	13.8
<b>High-Poverty Schools in District</b>	83.9	16.1
<b>Low-Poverty Schools in District</b>	96.3	3.7

Note: High-poverty schools are defined as those schools with student eligibility of approximately 40 percent or more in the free and reduced price meals program. Low-poverty schools are those with student eligibility of approximately 39 percent or less in the free and reduced price meals program.

**Quality, Currency, Availability of Textbooks and Instructional Materials (School Year 2016-17)**

**Year and month in which data were collected:** November 2016

In July 2009, EC Section 60200.7, delayed all instructional materials adoptions and the development of curriculum frameworks and evaluation criteria until the 2015-16 school year. Since then the State Board of Education has adopted frameworks for ELA/ELD, Math and Social Sciences, and has identified an approved list of instructional materials available for adoption. For more information regarding San Juan’s textbook adoption schedule, please visit our website: <http://www.sanjuan.edu.edu/page/32295>.

San Juan Unified held a public hearing on September 22, 2015 and determined that each school within the district had sufficient and good quality textbooks, instructional materials, or science lab equipment pursuant to the settlement of Williams vs. the State of California. All students, including English learners, are given their own individual standards-aligned textbooks or instructional materials, or both, in core subjects for use in the classroom or to take home. Textbooks and supplementary materials are adopted according to a cycle developed by the California Department of Education, making the textbooks used in the school the most current available. Materials approved for use by the State are reviewed by all teachers and a recommendation is made to the School Board by a selection committee composed of teachers and administrators. All recommended materials are available for parent examination at the district office prior to adoption. The information collected in September 2015 about the quality, currency, and availability of the standards-aligned textbooks and other instructional materials used at the school. If you would like more information on the textbooks and instructional materials please visit our website: <http://www.sanjuan.edu/Page/23485>

<b>Science Laboratory Equipment (grades 9-12)</b>	The school stocks an adequate supply of equipment for its students. Inventory includes, but is not limited to: microscopes, slides, ring stands, clamps, support rings, utility clamps, test tubes, test tube holders and brushes, tongs, flasks, beakers, and Bunsen burners. For more information, please call the school office.		0.00%

**School Facility Conditions and Planned Improvements (Most Recent Year)**

Casa Roble High School was modernized between 1999 and 2001. Currently there is sufficient space to house the student population. All classrooms have fire and intrusion monitoring and alarm systems, telephones, and internet connections. Site custodial staff clean the buildings, along with district support for major/minor repairs. All student restrooms were refurbished in the 2011-2012 school year. The district provides gardening and landscape maintenance as well as support to keep the major systems such as plumbing, heating, and air conditioning functioning. Upgraded communications lines and a recently completed school-wide Wi-Fi project (August 2012) provide a modern network for the schools 800 instructional computers. In 2005, and again in 2011-2012, the FFA Booster Club did many upgrades to the Barn area, including refurbishing the Greenhouse, drain hookups, automatic water system, and barn ventilation gates. Recent improvements to the school funded by Measure J include a new weight room, demolition of older portables, relocation of existing portables, restroom upgrades, ADA walkway upgrades; and, with a financial contribution from the booster clubs, a renovation of the track and surrounding area.

The Board of Education and the Superintendent's policy is to ensure that all students are provided with a safe and well-maintained learning environment. The board approved resolutions in 1998 and 2002 to adequately fund maintenance activities and preserve the repairs and improvements funded by two facility bond measures. The school buildings, classrooms and grounds are safe, clean and functional. An inspection of the facility was conducted in October 2016 and determined that there were no unsafe conditions that required emergency repairs. District maintenance staff ensures that the repairs necessary to keep the school in good repair and working order are completed in a timely manner. A computer automated work order process is used to ensure efficient service and that emergency repairs and health and safety repairs are given the highest priority. The Board of Education has adopted cleaning standards and custodial staffing requirements for all schools in the district. This school meets the Board's standards for custodial staffing and cleanliness. The school's custodians are trained in the proper use of cleaning chemicals and Integrated Pest Management techniques. They are managed day to day by the Principal with assistance from the district's maintenance department. The district participates in the State School Deferred Maintenance Program, with funding allocated for major repair or replacement of existing school building components. Typically, this includes roofing, plumbing, heating, air conditioning, electrical systems, interior or exterior painting, and floor systems. Annually the district budgets \$2 million dollars for deferred maintenance activities.

**School Facility Good Repair Status (Most Recent Year)**

<b>School Facility Good Repair Status (Most Recent Year)</b>

## B. Pupil Outcomes

### State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. The CAAs have replaced the California Alternate Performance Assessment [CAPA] for ELA and mathematics, which were eliminated in 2015. Only eligible students may participate in the administration of the CAAs. CAA items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study

#### CAASPP Test Results in English Language Arts/Literacy (ELA) and Mathematics for All Students

Subject	Percent of Students Meeting or Exceeding the State Standards (grades 3-8 and 11)					
	School		District		State	
	2014-15	2015-16	2014-15	2015-16	2014-15	2015-16
English Language Arts/Literacy	42	55	42	45	44	48
Mathematics	21	25	32	35	34	36

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

#### CAASPP Test Results in ELA by Student Group

##### Grades Three through Eight and Grade Eleven (School Year 2015-16)

Student Group	Grade	Number of Students		Percent of Students	
		Enrolled	Tested	Tested	Standard Met or Exceeded
All Students	11	314	264	84.1	55.0
Male	11	166	147	88.5	52.5
Female	11	148	117	79.0	58.2
Hispanic or Latino	11	38	32	84.2	35.5
White	11	249	209	83.9	57.1
Socioeconomically Disadvantaged	11	92	76	82.6	38.9
Students with Disabilities	11	37	35	94.6	12.5

Note: ELA test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard on the CAAs divided by the total number of students who participated in both assessments.

Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

**CAASPP Test Results in Mathematics by Student Group  
Grades Three through Eight and Grade Eleven (School Year 2015-16)**

Student Group	Grade	Number of Students		Percent of Students	
		Enrolled	Tested	Tested	Standard Met or Exceeded
All Students	11	313	250	79.9	25.4
Male	11	166	140	84.3	23.7
Female	11	147	110	74.8	27.6
Hispanic or Latino	11	38	32	84.2	17.2
White	11	249	198	79.5	25.4
Socioeconomically Disadvantaged	11	92	73	79.3	16.4
Students with Disabilities	11	37	33	89.2	

Note: Mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard on the CAAs divided by the total number of students who participated in both assessments.

Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

**CAASPP Test Results in Science for All Students**

Subject	Percent of Students Scoring at Proficient or Advanced (meeting or exceeding the state standards)								
	School			District			State		
	2013-14	2014-15	2015-16	2013-14	2014-15	2015-16	2013-14	2014-15	2015-16
Science (grades 5, 8, and 10)	69	59	63	61	57	56	60	56	54

Note: Science test results include California Standards Tests (CSTs), California Modified Assessment (CMA), and California Alternate Performance Assessment (CAPA) in grades five, eight, and ten.

Note: Scores are not shown when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

**CAASPP Test Results in Science by Student Group  
Grades Five, Eight, and Ten (School Year 2015-16)**

Student Group	Total Enrollment	# of Students with Valid Scores	% of Students with Valid Scores	% of Students Proficient or Advanced
All Students	304	287	94.4	62.7
Male	156	147	94.2	66.0
Female	148	140	94.6	59.3
Hispanic or Latino	35	34	97.1	38.2
White	239	224	93.7	64.3
Socioeconomically Disadvantaged	100	96	96.0	44.8
Students with Disabilities	29	25	86.2	40.0

Note: Science test results include CSTs, CMA, and CAPA in grades five, eight, and ten. The "Proficient or Advanced" is calculated by taking the total number of students who scored at Proficient or Advanced on the science assessment divided by the total number of students with valid scores.

Note: Scores are not shown when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

## Career Technical Education Programs (School Year 2015-16)

San Juan Unified defines their career paths following the strict criteria set within the Perkins Act and/or the California Partnership guidelines. Although most completion data is collected through our ROP regionally (Sacramento County Office of Education), the CTE department collects data on the number of students moving through our local sequences. Some ROP courses, because of the time requirements, internship element and industry standards they meet, are defined as a sequence within themselves. Introductory CTE courses are found throughout our schools, concentrators are students who take a second level course within the same career path, and students are referred to as completers when they complete a sequence of courses leading to certification, employability, and/or further technical training. ROP course are defined as completer based on length of course, sequence, and skill development.

The ROP capstone course leads to a certificate/industry skill sheet or license if applicable. The program also provides the student with academic and technical knowledge and skill through integrated academic and technical instruction. The programs prepare students to enter current or emerging careers for further training within the career path for which there is gainful employment. Students enrolled in the programs are provided strong experiences in all aspects of an industry.

Casa Roble proudly supports three ROP programs: ROP Automotive Technology, ROP Health Careers, and ROP Construction Technology

Casa Roble is one of only four California Partnership Academy in the SJUSD, hosting (SCORE) a Sports Careers and Opportunities in Recreation Academy. Casa Roble is one of the largest CTE programs in the SJUSD, offering many specialized courses not found at other sites. Please see visit our website to find detailed information about our CTE course offerings as described

Each program is evaluated annually through district program analysis and evaluation systems, as well as state or county evaluations as required by each individual program. State and/or county send evaluating personnel to our site to observe the program and review data with the instructor and the administration.

- SCORE (Sports Careers and Opportunities in Recreation) Academy & Medical Assistant
- ROTC
- Auto Mechanics Technician I (Fall Semester)
- Auto Mechanics Technician II – Engine Performance (Spring Semester)
- Auto Technology I
- California Agriculture
- Floral Design
- Foods/Nutrition I
- Foods/Nutrition II
- Introduction to California Agriculture
- Woodworking Technology I
- Woodworking Specialties

## Career Technical Education Participation (School Year 2015-16)

Measure	CTE Program Participation
Number of pupils participating in CTE	756
% of pupils completing a CTE program and earning a high school diploma	11
% of CTE courses sequenced or articulated between the school and institutions of postsecondary education	100

## Courses for University of California (UC) and/or California State University (CSU) Admission

UC/CSU Course Measure	Percent
2015-16 Pupils Enrolled in Courses Required for UC/CSU Admission	97.07
2014-15 Graduates Who Completed All Courses Required for UC/CSU Admission	41.0

## State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the Other Pupil Outcomes State Priority (Priority 8):

- Pupil outcomes in the subject areas of physical education.

### California Physical Fitness Test Results (School Year 2015-16)

Grade Level	Percent of Students Meeting Fitness Standards		
	Four of Six Standards	Five of Six Standards	Six of Six Standards
9	20.2	33.8	22.5

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

## C. Engagement

### State Priority: Parental Involvement

The SARC provides the following information relevant to the Parental Involvement State Priority (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each schoolsite.

### Opportunities for Parental Involvement (School Year 2016-17)

Parents are active partners in all aspects of Casa Roble life. Parent representation is imperative on campus committees at Casa Roble. Parents are active in the School Site Council which works with the Faculty Council serving as the Site Based Management Team for the school. Parent/community advisory groups work with many of our school academic and co-curricular programs and have been a great addition to helping develop our school site strategic plan. Parents take great joy in actively participating in our Senior Project panels each May. Last year Casa Roble hosted over 150 parent participants in this annual event. There are also parent groups including PTSA and Boosters who contribute money and volunteer hours to our campus programs and projects. The Ram Boosters Club have raised over \$1,000,000 the last 10 years by working bingo. In January of 2005 stadium lights were installed; in September of 2011 our \$800,000 all-weather track was completed, and in August of 2012 our \$80,000 school wide Wi-Fi project was completed. Each of these projects required extensive commitments and contributions from our PTSA and Booster Clubs. Our partnerships and financial support from our community and our parents allows us to provide a much broader educational and extracurricular program to our students. If you would like to be involved in any of our programs please contact our administration offices at 971-5452.

### State Priority: Pupil Engagement

The SARC provides the following information relevant to the Pupil Engagement State Priority (Priority 5):

- High school dropout rates; and
- High school graduation rates.

### Dropout Rate and Graduation Rate (Four-Year Cohort Rate)

Indicator	School			District			State		
	2012-13	2013-14	2014-15	2012-13	2013-14	2014-15	2012-13	2013-14	2014-15
Dropout Rate	1.80	1.40	3.30	10.40	9.60	9.20	11.40	11.50	10.70
Graduation Rate	96.94	97.87	96.39	80.85	81.60	82.65	80.44	80.95	82.27

**Completion of High School Graduation Requirements - Graduating Class of 2015 (One-Year Rate)**

Group	Graduating Class of 2015		
	School	District	State
All Students	93	85	86
Black or African American	100	81	78
American Indian or Alaska Native	100	77	78
Asian	100	99	93
Filipino	80	88	93
Hispanic or Latino	86	75	83
Native Hawaiian/Pacific Islander	0	90	85
White	93	90	91
Two or More Races	0	33	89
Socioeconomically Disadvantaged	94	61	66
English Learners	17	56	54
Students with Disabilities	23	35	78

**State Priority: School Climate**

The SARC provides the following information relevant to the School Climate State Priority (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

**Suspensions and Expulsions**

Rate	School			District			State		
	2013-14	2014-15	2015-16	2013-14	2014-15	2015-16	2013-14	2014-15	2015-16
Suspensions	0.1	12.5	11.4	7.4	5.7	5.7	4.4	3.8	3.7
Expulsions	12.9	0.2	0.4	0.0	0.1	0.1	0.1	0.1	0.1

**School Safety Plan (School Year 2016-17)**

This school is linked directly to the San Juan Unified School District’s Safe Schools Program. In partnership with the Sacramento County Sheriff’s Department and the City of Citrus Heights Police Department (CHPD), each school becomes part of a safety zone that is patrolled daily by a sheriff’s deputy or CHPD officer. The Deputy Sheriffs are assigned to specific schools which are identified by geographic zones. The Deputy Sheriffs may move from one the geographic zone to another as safety needs dictate. The CHPD Police Officers work identified schools within the City of Citrus Heights and respond as safety needs dictate. The Deputy Sheriff’s and/or CHPD Officers are dispatched to critical incidents via the Safe Schools Dispatcher, a law enforcement dispatcher or via a direct report from a school staff member, school visitor or other person. In addition to daily support from a designated Sheriff’s deputy or CHPD officer, this school is a part of the San Juan Unified School District’s Safe Schools Task Force, which is comprised of safety teams from each of the school sites. Each school safety team meets regularly to discuss safety issues, update their site emergency plans, and to take steps to be proactive in preventing various types of school-related safety issues. Law enforcement provides speakers to address students, staff and community groups. Our safety team receives regular training through the Safe Schools Task Force. Each school site is responsible for updating their Comprehensive School Safety Plan (CSSP) by March 1st of every year. As part of the update, each school site meets at least once per year with a law enforcement officer to review the CSSP and they hold a community meeting to review the CSSP. The CSSP must be approved by the School Site Council before being submitted to the district Safe Schools Manager. Every San Juan classroom has a standardized “Safety Folder” which serves as a guide for teachers, includes the site specific crisis response procedures and a district standardized emergency flip chart. Each school site conducts and keeps a record of all fire drills, lockdown drills, shelter in place drills and/or earthquake drills up to or in excess of what is required by State law. This school meets or exceeds the Education Code requirements for fire drills and lock down drills.

The safety plan for Casa Roble is updated and reviewed with the entire staff at the start of each new school year. The Casa Roble staff was safety trained in August 2016.

## D. Other SARC Information

The information in this section is required to be in the SARC but is not included in the state priorities for LCFF.

### Federal Intervention Program (School Year 2016-17)

Indicator	School	District
Program Improvement Status		In PI
First Year of Program Improvement		2008-2009
Year in Program Improvement*		Year 3
Number of Schools Currently in Program Improvement	N/A	17
Percent of Schools Currently in Program Improvement	N/A	65.4

Note: Cells with N/A values do not require data.

### Average Class Size and Class Size Distribution (Secondary)

Subject	2013-14				2014-15				2015-16			
	Avg. Class Size	Number of Classrooms			Avg. Class Size	Number of Classrooms			Avg. Class Size	Number of Classrooms		
		1-22	23-32	33+		1-22	23-32	33+		1-22	23-32	33+
English	30	6	6	18	29	5	8	15	29	5	8	15
Mathematics	29	6	4	15	30	3	5	14	30	3	5	14
Science	31		22	3	29	6	14	4	29	6	14	4
Social Science	29	4	6	12	28	5	6	12	28	5	6	12

Note: Number of classes indicates how many classrooms fall into each size category (a range of total students per classroom). At the secondary school level, this information is reported by subject area rather than grade level.

### Academic Counselors and Other Support Staff (School Year 2015-16)

Title	Number of FTE Assigned to School	Average Number of Students per Academic Counselor
Academic Counselor	3	426
Counselor (Social/Behavioral or Career Development)	.5	N/A
Library Media Teacher (Librarian)	1	N/A
Library Media Services Staff (Paraprofessional)	0	N/A
Psychologist	.2	N/A
Social Worker		N/A
Nurse	.2	N/A
Speech/Language/Hearing Specialist	.2	N/A
Resource Specialist	0	N/A
Other		N/A

Note: Cells with N/A values do not require data.

\*One Full Time Equivalent (FTE) equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time.

### Expenditures per Pupil and School Site Teacher Salaries (Fiscal Year 2014-15)

Level	Expenditures Per Pupil			Average Teacher Salary
	Total	Supplemental/ Restricted	Basic/ Unrestricted	
School Site	6887	868	6012	
District	N/A	N/A	\$5,013	\$74,317
Percent Difference: School Site and District	N/A	N/A	19.9	
State	N/A	N/A	\$5,677	\$75,837
Percent Difference: School Site and State	N/A	N/A	12.5	

Note: Cells with N/A values do not require data.

### Types of Services Funded (Fiscal Year 2015-16)

The table provides a comparison of a school's per pupil funding from unrestricted sources with other schools in the district and throughout the state.

Supplemental/Restricted expenditures come from money whose use is controlled by law or donor. Money designated for specific purposes by the district or governing board is not considered restricted. Basic/unrestricted expenditures, except for general guidelines, is not controlled by law or donor.

For detailed information on school expenditures for all districts in California, see the CDE Current Expense of Education & Per-pupil Spending Web page at <http://www.cde.ca.gov/ds/fd/ec/>. For information on teacher salaries for all districts in California, see the CDE Certificated Salaries & Benefits Web page at <http://www.cde.ca.gov/ds/fd/cs/>. To look up expenditures and salaries for a specific school district, see the Ed-Data Web site at: <http://www.ed-data.org>.

In FY 2011-12, the district spent \$7,732,354 in restricted general fund for positions that would have usually been paid for by unrestricted dollars (SF-0) due to receiving American Recovery and Reinvestment Act (ARRA) Education Jobs Funds (EJF). The positions that were paid for included 21.0 FTE for Counselors, 24.0 FTE for Principals and 18.0 FTE for Vice Principals. Due to this change, many schools showed a decrease in unrestricted costs and an increase in restricted costs.

In FY 2011-12, the district spent \$3,163,102 in restricted general fund from the Economic Impact Aid (EIA) grant. The expenses were coded with a central location (000) in 2011-12, when in the previous year the dollars were coded to site locations. The impact of this change will show a decrease in restricted expenses.

### Teacher and Administrative Salaries (Fiscal Year 2014-15)

Category	District Amount	State Average for Districts In Same Category
Beginning Teacher Salary	\$43,196	\$45,092
Mid-Range Teacher Salary	\$73,948	\$71,627
Highest Teacher Salary	\$87,219	\$93,288
Average Principal Salary (Elementary)	\$110,528	\$115,631
Average Principal Salary (Middle)	\$117,984	\$120,915
Average Principal Salary (High)	\$134,096	\$132,029
Superintendent Salary	\$254,994	\$249,537
Percent of Budget for Teacher Salaries	37%	37%
Percent of Budget for Administrative Salaries	6%	5%

For detailed information on salaries, see the CDE Certificated Salaries & Benefits Web page at <http://www.cde.ca.gov/ds/fd/cs/>.

**Advanced Placement (AP) Courses (School Year 2015-16)**

Subject	Number of AP Courses Offered*	Percent of Students In AP Courses
Computer Science		N/A
English	1	N/A
Fine and Performing Arts	1	N/A
Foreign Language		N/A
Mathematics	3	N/A
Science		N/A
Social Science	2	N/A
All courses	7	.6

Cells with N/A values do not require data.

\*Where there are student course enrollments of at least one student.

**Professional Development (Most Recent Three Years)**

Professional development is a key part of the continuous improvement process for educators. The goal of our quality professional development is to support the learning of teachers and paraprofessionals to positively impact student achievement. Annually, teachers and site administrators participate in professional development in a variety of opportunities. Seventy-five minutes per week are dedicated to staff collaboration and training planned by site leadership teams. The District also provides a cycle of continuous professional development for Administrators through Principal Networks as well as Leadership Academies.

The District provides professional development opportunities for teachers and administrators that support the implementation of Common Core State Standards in English language arts, mathematics, science, social studies, and the ELA/ELD Framework. Specific professional development initiatives include: Culturally Responsive Practices, Critical Literacy, TK-2 Reading, Supporting Independence and Engagement through Reading and Writing, Engineering and Mathematics Inspiring Thinking Solutions, Math to the Core, Expository Reading and Writing Course, and ELD Foundations. District departments, Center for Teacher Support, grant-funded projects, and the San Juan Teacher's Association sponsor additional training opportunities. Professional development opportunities are voluntary for teachers and are provided throughout the year in a variety of formats: during the school day, after school, on Saturdays, and during summer and vacation breaks. Many teachers and administrators also take advantage of opportunities with Sacramento County Office of Education, California Department of Education, the college/university programs, state/national education organizations, and private educational institutes.

What grounds the professional development in the district is the District Strategic Plan and the Local Control Accountability Plan. Professional Development is further determined using one or more of the following: (a) student achievement data, (b) staff survey data, and (c) district-identified goals. Professional development addresses the Common Core State Standards, teaching strategies, curriculum, assessment, technology, classroom management, safety, and leadership. Administrator training accompanies professional development in district focus areas, providing implementation support for teachers on site. Content-area coaches are available at some schools. Additional classroom support is provided to new and struggling teachers by consulting teachers from the Center for Teacher Support.

Paraprofessionals are encouraged to participate in professional development at the district and site level. Specifically designed training is also offered to non-instructional support staff such as clerical and custodial staff that includes both operational and instructional topics.
