

Mira Loma High School

School Accountability Report Card

Reported Using Data from the 2015-16 School Year

Published During 2016-17

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC Web page at <http://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF Web page at <http://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest Web page at <http://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

About This School

Contact Information (School Year 2016-17)

School Description and Mission Statement (School Year 2016-17)

Mission Statement

Embracing diversity and valuing excellence, Mira Loma High School's mission is to educate each student through rigorous, high quality programs which involve dynamic activities in a collaborative, compassionate, and safe learning community.

School Profile

Mira Loma High School celebrates its 57th anniversary in 2017. Built in 1960, Mira Loma High School is one of nine comprehensive high schools in the San Juan Unified School District, located in Sacramento County. With one primary feeder school and strong academic and extra-curricular programs, Mira Loma is a school of choice for many of San Juan as well as out of district students. Mira Loma has six distinctive programs including International Baccalaureate Middle Years (MYP), International Baccalaureate Diploma (DP), International Studies (IS), International Passport (IP), English Language Development (ELD), and Special Education (SPED). Mira Loma's programs have created a dynamic magnet for students in Mira Loma's neighborhood as well as surrounding cities in the region. The school is located in a suburban community, with students from a wide spectrum of socio-economic backgrounds. This diversity is a valuable asset that strengthens and enriches our community.

Mira Loma was named a California Distinguished School in 2013 for its gains in working with our at-risk population. It was also awarded the California Civic Award in 2016 for its outstanding work in developing civic programs for our students. Mira Loma continues to be recognized as one of the most prestigious International Baccalaureate programs in the nation. In 2015-2016, Mira Loma was recognized by US News and World Report and Newsweek as one of America's top high schools in the nation.

Enrollment Data- gender, grade, ethnicity

Mira Loma High School is a comprehensive high school with approximately 1795 students. This represents an increase in population of approximately 220 students since 2011, the last full WASC study. Enrollment is favorably affected by students from outside Mira Loma's attendance area. These students choose to attend Mira Loma for its outstanding IB MYP/DP, IS, and International Passport programs. The aforementioned programs attract 353 inter-district students and 80 intra-district students to Mira Loma. Mira Loma currently has 451 freshmen, 435 sophomores, 423 juniors, and 356 seniors. The student body is comprised of 7.5% African American, 0.7% American Indian or Alaska Native, 26.2% Asian, 3.5% Filipino, 17.9% Hispanic or Latino, just under 1.1% Pacific Islander, and 40.4% White students. This demographic distribution has seen some changeover the past six years, with the most notable changes being a decrease in the number of White students and increase in the number of Asian students compared to 2011 and a decrease in African American students of 2%. Mira Loma has experienced an increase in enrollment of Middle Eastern students, many of whom are refugees, in the last year.

Principal's Message

There have been changes in the administrative team this year, and several new teachers have been hired to accommodate extra classes for our growing enrollment. The largest growth has been in our English Language learner program and we welcome these students to our campus. Mira Loma is a dynamic school with many positive academic programs for students and we are recognized for excellence in many areas. However, the staff realizes that we still have improvements to make and our Single Plan for Student Achievement, WASC action plans, and IB 5 year review goals are all written to address these areas of professional development, and work towards a better school community and climate for student growth and achievement.

Sincerely,
Lynne Tracy
Mira Loma Principal

Student Enrollment by Grade Level (School Year 2015-16)

Grade Level	Number of Students
Grade 9	444
Grade 10	410
Grade 11	420
Grade 12	407
Total Enrollment	1,681

Student Enrollment by Group (School Year 2015-16)

Student Group	Percent of Total Enrollment
Black or African American	8.9
American Indian or Alaska Native	0.5
Asian	25.9
Filipino	3.2
Hispanic or Latino	18.6
Native Hawaiian or Pacific Islander	1.3
White	40.9
Two or More Races	0.5
Socioeconomically Disadvantaged	46.9
English Learners	9
Students with Disabilities	8.1
Foster Youth	0.4

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the Basic State Priority (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

Teacher Credentials

Teachers	School			District
	2014-15	2015-16	2016-17	2016-17
With Full Credential	68	71	69	1814
Without Full Credential	2	1	1	33
Teaching Outside Subject Area of Competence (with full credential)	4	3	3	29

Teacher Misassignments and Vacant Teacher Positions

Indicator	2014-15	2015-16	2016-17
Misassignments of Teachers of English Learners	0	0	0
Total Teacher Misassignments *	0	0	0
Vacant Teacher Positions	0	0	0

Note: "Misassignments" refers to the number of positions filled by teachers who lack legal authorization to teach that grade level, subject area, student group, etc.

* Total Teacher Misassignments includes the number of Misassignments of Teachers of English Learners.

Core Academic Classes Taught by Highly Qualified Teachers (School Year 2015-16)

Location of Classes	Percent of Classes In Core Academic Subjects	
	Taught by Highly Qualified Teachers	Not Taught by Highly Qualified Teachers
This School	97.5	2.5
All Schools in District	86.2	13.8
High-Poverty Schools in District	83.9	16.1
Low-Poverty Schools in District	96.3	3.7

Note: High-poverty schools are defined as those schools with student eligibility of approximately 40 percent or more in the free and reduced price meals program. Low-poverty schools are those with student eligibility of approximately 39 percent or less in the free and reduced price meals program.

Quality, Currency, Availability of Textbooks and Instructional Materials (School Year 2016-17)

Year and month in which data were collected: September 22, 2015

San Juan Unified held a public hearing on September 22, 2015 and determined that each school within the district had sufficient and good quality textbooks, instructional materials, or science lab equipment pursuant to the settlement of Williams vs. the State of California. All students, including English learners, are given their own individual standards-aligned textbooks or instructional materials, or both, in core subjects for use in the classroom and to take home. Textbooks and supplementary materials are adopted according to a cycle developed by the California Department of Education, making the textbooks used in the school the most current available. Materials approved for use by the State are reviewed by all teachers and a recommendation is made to the School Board by a selection committee composed of teachers and administrators. All recommended materials are available for parent examination at the district office prior to adoption. The table displays information collected in September 2015 about the quality, currency, and availability of the standards-aligned textbooks and other instructional materials used at the school. If you would like more information on the textbooks and instructional materials please visit our website: <http://www.sanjuan.edu/Page/23485>

In July 2009, EC Section 60200.7, delayed all instructional materials adoptions and the development of curriculum frameworks and evaluation criteria until the 2015-16 school year. Since then the State Board of Education has adopted frameworks for ELA/ELD, Math and Social Sciences, and has identified an approved list of instructional materials available for adoption. For more information regarding San Juan's textbook adoption schedule, please visit our website:

<http://www.sanjuan.edu/cms/lib8/CA01902727/Centricity/Domain/140/Textbook%20Piloting%20adoption%20Schedule.pdf>.

School Facility Conditions and Planned Improvements (Most Recent Year)

Mira Loma High School, constructed in 1960, completed the last phase of modernization from funds from Measure S passed by the voters in November of 1998. Walkways, parking lots and hard courts were resurfaced in 2005, and exterior paint was completed in 2007. The process of painting classrooms began in fall 2010 and was completed in spring 2011. Renovation of the student and public restrooms began in the summer of 2011 and was completed in spring 2012. Currently, there is sufficient space to house the student population. Site custodial staff keep the buildings clean as well as a part-time site maintenance custodian who keep the various systems of the school operational. The district provides gardening and landscape maintenance as well as support to keep the major systems such as plumbing, heating, and air conditioning functioning. Using Measure J funds, a landscape and irrigation project was completed Fall 2013 in the main quad area. This included ornamental fencing, sidewalks and ramps, storm drains and sewer lines, grass, plants and trees.

The Board of Education and the Superintendent's policy is to ensure that all students are provided with a safe and well-maintained learning environment. The board approved resolutions in 1998 and 2002 to adequately fund maintenance activities and preserve the repairs and improvements funded by two facility bond measures. The school buildings, classrooms and grounds are safe, clean and functional. An inspection of the facility was conducted in November 2016 and determined that there were no unsafe conditions that required emergency repairs. District maintenance staff ensures that the repairs necessary to keep the school in good repair and working order are completed in a timely manner. A computer automated work order process is used to ensure efficient service and that emergency repairs and health and safety repairs are given the highest priority. The Board of Education has adopted cleaning standards and custodial staffing requirements for all schools in the district. This school meets the Board's standards for custodial staffing and cleanliness. The school's custodians are trained in the proper use of cleaning chemicals and Integrated Pest Management techniques. They are managed day to day by the Principal with assistance from the district's maintenance department. The district participates in the State School Deferred Maintenance Program, with funding allocated for major repair or replacement of existing school building components. Typically, this includes roofing, plumbing, heating, air conditioning, electrical systems, interior or exterior painting, and floor systems. Annually the district budgets \$2 million dollars for deferred maintenance activities.

School Facility Good Repair Status (Most Recent Year)

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. The CAAs have replaced the California Alternate Performance Assessment [CAPA] for ELA and mathematics, which were eliminated in 2015. Only eligible students may participate in the administration of the CAAs. CAA items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study

CAASPP Test Results in English Language Arts/Literacy (ELA) and Mathematics for All Students

Subject	Percent of Students Meeting or Exceeding the State Standards (grades 3-8 and 11)					
	School		District		State	
	2014-15	2015-16	2014-15	2015-16	2014-15	2015-16
English Language Arts/Literacy	65	64	42	45	44	48
Mathematics	58	54	32	35	34	36

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

CAASPP Test Results in ELA by Student Group

Grades Three through Eight and Grade Eleven (School Year 2015-16)

Student Group	Grade	Number of Students		Percent of Students	
		Enrolled	Tested	Tested	Standard Met or Exceeded
All Students	11	421	409	97.2	64.5
Male	11	224	217	96.9	57.6
Female	11	197	192	97.5	72.3
Black or African American	11	39	37	94.9	30.6
Asian	11	111	111	100.0	83.8
Filipino	11	16	16	100.0	75.0
Hispanic or Latino	11	77	75	97.4	44.0
White	11	166	160	96.4	66.3
Socioeconomically Disadvantaged	11	183	177	96.7	42.9
English Learners	11	30	28	93.3	
Students with Disabilities	11	26	26	100.0	7.7

Note: ELA test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard on the CAAs divided by the total number of students who participated in both assessments.

Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

**CAASPP Test Results in Mathematics by Student Group
Grades Three through Eight and Grade Eleven (School Year 2015-16)**

Student Group	Grade	Number of Students		Percent of Students	
		Enrolled	Tested	Tested	Standard Met or Exceeded
All Students	11	421	410	97.4	53.8
Male	11	224	217	96.9	52.8
Female	11	197	193	98.0	54.9
Black or African American	11	39	37	94.9	8.1
Asian	11	111	111	100.0	78.4
Filipino	11	16	16	100.0	75.0
Hispanic or Latino	11	77	75	97.4	31.1
White	11	166	161	97.0	54.7
Socioeconomically Disadvantaged	11	183	178	97.3	29.4
English Learners	11	30	29	96.7	
Students with Disabilities	11	26	26	100.0	3.9

Note: Mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard on the CAAs divided by the total number of students who participated in both assessments.

Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

CAASPP Test Results in Science for All Students

Subject	Percent of Students Scoring at Proficient or Advanced (meeting or exceeding the state standards)								
	School			District			State		
	2013-14	2014-15	2015-16	2013-14	2014-15	2015-16	2013-14	2014-15	2015-16
Science (grades 5, 8, and 10)	72	66	56	61	57	56	60	56	54

Note: Science test results include California Standards Tests (CSTs), California Modified Assessment (CMA), and California Alternate Performance Assessment (CAPA) in grades five, eight, and ten.

Note: Scores are not shown when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

**CAASPP Test Results in Science by Student Group
Grades Five, Eight, and Ten (School Year 2015-16)**

Student Group	Total Enrollment	# of Students with Valid Scores	% of Students with Valid Scores	% of Students Proficient or Advanced
All Students	402	366	91.0	56.3
Male	211	190	90.1	54.7
Female	191	176	92.2	58.0
Black or African American	40	32	80.0	40.6
Asian	104	100	96.2	81.0
Filipino	19	17	89.5	41.2
Hispanic or Latino	83	74	89.2	29.7
White	149	136	91.3	58.8
Socioeconomically Disadvantaged	203	183	90.2	32.2
English Learners	43	37	86.1	
Students with Disabilities	32	28	87.5	14.3

Note: Science test results include CSTs, CMA, and CAPA in grades five, eight, and ten. The “Proficient or Advanced” is calculated by taking the total number of students who scored at Proficient or Advanced on the science assessment divided by the total number of students with valid scores.

Note: Scores are not shown when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Career Technical Education Programs (School Year 2015-16)

San Juan Unified defines their career paths following the strict criteria set within the Perkins Act and/or the California Partnership guidelines. Although most completion data is collected through our ROP regionally (Sacramento County Office of Education), the CTE department collects data on the number of students moving through our local sequences. Some ROP courses, because of the time requirements, internship element and industry standards they meet, are defined as a sequence within themselves. Introductory CTE courses are found throughout our schools, concentrators are students who take a second level course within the same career path, and students are referred to as completers when they complete a sequence of courses leading to certification, employability, and/or further technical training. ROP course are defined as completer based on length of course, sequence, and skill development.

The ROP capstone course leads to a certificate/industry skill sheet or license if applicable. The program also provides the student with academic and technical knowledge and skill through integrated academic and technical instruction. The programs prepare students to enter current or emerging careers for further training within the career path for which there is gainful employment. Students enrolled in the programs are provided strong experiences in all aspects of an industry.

San Juan Unified also provides students career preparation through enrollment in California Partnership Academies. We have four California Partnership Academies in the areas of: business–finance/entrepreneurship, pre-engineering, Sports Careers and Opportunities in Recreation (SCORE), and small business entrepreneurship. Our schools have numerous career paths opportunities beyond the state funded California Partnership Academy. We have career pathways in:

Medical Assisting

- Natural Resources – 11th Graders
- Natural Resources – 12th Graders

How does this class support student achievement?

When students experience CTE courses they have the opportunity to see the relationship between applied academic standards and the real world. Students find purpose in their studies and are provided an opportunity to apply their academic and industry skills to every day problems.

How does this class support student achievement?

When students experience CTE courses they have the opportunity to see the relationship between applied academic standards and the real world. Students find purpose in their studies and are provided an opportunity to apply their academic and industry skills to every day problems.

How does the school address the needs of all students in career preparation?

Through the IEP process special education students may be scheduled into CTE courses. Students are provided the support and necessary curriculum modification as outlined in the IEP. CTE provides extended testing time, extra assignment time and support where appropriate. Since our CTE courses work to integrate and support the academic standards, the students will be exposed to “hands on” activities and participate in solving real life problems.

How are the courses evaluated for effectiveness?

The capacity to serve a “significant” number of students and the degree to which the program attains specific outcomes are assessed yearly. Completion rates, graduation rates, and the passing rate on the California High School Exit Exam (CAHSEE) along with completion of a sequence are all evaluated yearly. The number of completion certificates issued and the attainment of specific industry skills is analyzed. Data on attendance is also collected.

Career Technical Education Participation (School Year 2015-16)

Measure	CTE Program Participation
Number of pupils participating in CTE	513
% of pupils completing a CTE program and earning a high school diploma	42
% of CTE courses sequenced or articulated between the school and institutions of postsecondary education	100

Courses for University of California (UC) and/or California State University (CSU) Admission

UC/CSU Course Measure	Percent
2015-16 Pupils Enrolled in Courses Required for UC/CSU Admission	97.84
2014-15 Graduates Who Completed All Courses Required for UC/CSU Admission	50.0

State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the Other Pupil Outcomes State Priority (Priority 8):

- Pupil outcomes in the subject areas of physical education.

California Physical Fitness Test Results (School Year 2015-16)

Grade Level	Percent of Students Meeting Fitness Standards		
	Four of Six Standards	Five of Six Standards	Six of Six Standards
9	17.2	26.1	35.8

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the Parental Involvement State Priority (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each schoolsite.

Opportunities for Parental Involvement (School Year 2016-17)

Parents are integral partners in successful schools. At Mira Loma, parents actively contribute time, energy, and resources in support of all students and faculty by participating in the Parent/Teacher/Student Association, Boosters Association, IB Parent Organization, IS Student Parent Organization, Grad Night Committee, and ELL Advisory Committee. Parents also share in school-wide decision making through the School Site Council and Safe Schools Committee. Mat Matters, our school newsletter is an on-line communication run by parent volunteers. Parents are also kept informed by school personnel through progress reports and report cards mailed home regularly. Our parent organizations provide significant support for students and staff. Examples of their support include providing materials and equipment for academic programs and academic competition teams, funding multiple scholarships for students, developing a student/parent survey, securing a variety of grants, funding students to participate in activities. Since 1996, the IB parent group also sponsors a College Information Sunday. Parents of Special Education students are very involved in decision making for individual transition planning and for IEPs. Many parents volunteer for special projects, school improvement activities, curriculum development and Mat Matters. Please contact the school office for volunteer information at 971-7465.

State Priority: Pupil Engagement

The SARC provides the following information relevant to the Pupil Engagement State Priority (Priority 5):

- High school dropout rates; and
- High school graduation rates.

Dropout Rate and Graduation Rate (Four-Year Cohort Rate)

Indicator	School			District			State		
	2012-13	2013-14	2014-15	2012-13	2013-14	2014-15	2012-13	2013-14	2014-15
Dropout Rate	7.80	6.70	6.60	10.40	9.60	9.20	11.40	11.50	10.70
Graduation Rate	88.27	90.00	90.59	80.85	81.60	82.65	80.44	80.95	82.27

Completion of High School Graduation Requirements - Graduating Class of 2015 (One-Year Rate)

Group	Graduating Class of 2015		
	School	District	State
All Students	94	85	86
Black or African American	89	81	78
American Indian or Alaska Native	100	77	78

School Safety Plan (School Year 2016-17)

This school is linked directly to the San Juan Unified School District's Safe Schools Program. In partnership with the Sacramento County Sheriff's Department and the City of Citrus Heights Police Department (CHPD), each school becomes part of a safety zone that is patrolled daily by a sheriff's deputy or CHPD officer. The Deputy Sheriffs are assigned to specific schools which are identified by geographic zones. The Deputy Sheriffs may move from one the geographic zone to another as safety needs dictate. The CHPD Police Officers work identified schools within the City of Citrus Heights and respond as safety needs dictate. The Deputy Sheriff's and/or CHPD Officers are dispatched to critical incidents via the Safe Schools Dispatcher, a law enforcement dispatcher or via a direct report from a school staff member, school visitor or other person. In addition to daily support from a designated Sheriff's deputy or CHPD officer, this school is a part of the San Juan Unified School District's Safe Schools Task Force, which is comprised of safety teams from each of the school sites. Each school safety team meets regularly to discuss safety issues, update their site emergency plans, and to take steps to be proactive in preventing various types of school-related safety issues. Law enforcement provides speakers to address students, staff and community groups. Each school site is responsible for updating their Comprehensive School Safety Plan (CSSP) by March 1st of every year. As part of the update, each school site meets at least once per year with a law enforcement officer to review the CSSP and they hold a community meeting to review the CSSP. The CSSP must be approved by the School Site Council before being submitted to the district Safe Schools Manager. Every San Juan classroom has a standardized "Safety Folder" which serves as a guide for teachers, includes the site specific crisis response procedures and a district standardized emergency flip chart. Each school site conducts and keeps a record of all fire drills, lockdown drills, shelter in place drills and/or earthquake drills up to or in excess of what is required by State law. This school meets or exceeds the Education Code requirements for fire drills and lock down drills.

D. Other SARC Information

The information in this section is required to be in the SARC but is not included in the state priorities for LCFF.

Federal Intervention Program (School Year 2016-17)

Indicator	School	District
Program Improvement Status		In PI
First Year of Program Improvement		2008-2009
Year in Program Improvement*		Year 3
Number of Schools Currently in Program Improvement	N/A	17
Percent of Schools Currently in Program Improvement	N/A	65.4

Note: Cells with N/A values do not require data.

Average Class Size and Class Size Distribution (Secondary)

Subject	2013-14				2014-15				2015-16			
	Avg. Class Size	Number of Classrooms			Avg. Class Size	Number of Classrooms			Avg. Class Size	Number of Classrooms		
		1-22	23-32	33+		1-22	23-32	33+		1-22	23-32	33+
English	28	15	19	30	27	17	27	22	27	17	27	22
Mathematics	27	14	18	24	26	14	21	22	26	14	21	22
Science	30	4	20	22	30	5	22	21	30	5	22	21
Social Science	31	6	25	30	29	10	32	18	29	10	32	18

Note: Number of classes indicates how many classrooms fall into each size category (a range of total students per classroom). At the secondary school level, this information is reported by subject area rather than grade level.

Academic Counselors and Other Support Staff (School Year 2015-16)

Title	Number of FTE Assigned to School	Average Number of Students per Academic Counselor
Academic Counselor	4.0	450
Counselor (Social/Behavioral or Career Development)		N/A
Library Media Teacher (Librarian)	1	N/A
Library Media Services Staff (Paraprofessional)		N/A
Psychologist	.5	N/A
Social Worker	.5	N/A
Nurse	.2	N/A
Speech/Language/Hearing Specialist		N/A
Resource Specialist		N/A
Other	1.0	N/A

Note: Cells with N/A values do not require data.

*One Full Time Equivalent (FTE) equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time.

Expenditures per Pupil and School Site Teacher Salaries (Fiscal Year 2014-15)

Level	Expenditures Per Pupil			Average Teacher Salary
	Total	Supplemental/Restricted	Basic/Unrestricted	
School Site	6034	705	5329	
District	N/A	N/A	\$5,013	\$74,317
Percent Difference: School Site and District	N/A	N/A	6.3	
State	N/A	N/A	\$5,677	\$75,837
Percent Difference: School Site and State	N/A	N/A	-0.4	

Note: Cells with N/A values do not require data.

Types of Services Funded (Fiscal Year 2015-16)

The table provides a comparison of a school's per pupil funding from unrestricted sources with other schools in the district and throughout the state.

Supplemental/Restricted expenditures come from money whose use is controlled by law or donor. Money designated for specific purposes by the district or governing board is not considered restricted. Basic/unrestricted expenditures, except for general guidelines, is not controlled by law or donor.

For detailed information on school expenditures for all districts in California, see the CDE Current Expense of Education & Per-pupil Spending Web page at <http://www.cde.ca.gov/ds/fd/ec/>. For information on teacher salaries for all districts in California, see the CDE Certificated Salaries & Benefits Web page at <http://www.cde.ca.gov/ds/fd/cs/>. To look up expenditures and salaries for a specific school district, see the Ed-Data Web site at: <http://www.ed-data.org>.

In FY 2011-12, the district spent \$7,732,354 in restricted general fund for positions that would have usually been paid for by unrestricted dollars (SF-0) due to receiving American Recovery and Reinvestment Act (ARRA) Education Jobs Funds (EJF). The positions that were paid for included 21.0 FTE for Counselors, 24.0 FTE for Principals and 18.0 FTE for Vice Principals. Due to this change, many schools showed a decrease in unrestricted costs and an increase in restricted costs.

In FY 2011-12, the district spent \$3,163,102 in restricted general fund from the Economic Impact Aid (EIA) grant. The expenses were coded with a central location (000) in 2011-12, when in the previous year the dollars were coded to site locations. The impact of this change will show a decrease in restricted expenses.

Teacher and Administrative Salaries (Fiscal Year 2014-15)

Category	District Amount	State Average for Districts In Same Category
Beginning Teacher Salary	\$43,196	\$45,092
Mid-Range Teacher Salary	\$73,948	\$71,627
Highest Teacher Salary	\$87,219	\$93,288
Average Principal Salary (Elementary)	\$110,528	\$115,631
Average Principal Salary (Middle)	\$117,984	\$120,915
Average Principal Salary (High)	\$134,096	\$132,029
Superintendent Salary	\$254,994	\$249,537
Percent of Budget for Teacher Salaries	37%	37%
Percent of Budget for Administrative Salaries	6%	5%

For detailed information on salaries, see the CDE Certificated Salaries & Benefits Web page at <http://www.cde.ca.gov/ds/fd/cs/>.

Advanced Placement (AP) Courses (School Year 2015-16)

Subject	Number of AP Courses Offered*	Percent of Students In AP Courses
Computer Science		N/A
English		N/A
Fine and Performing Arts		N/A
Foreign Language		N/A
Mathematics	3	N/A
Science		N/A
Social Science		N/A
All courses	3	1.6

Cells with N/A values do not require data.

*Where there are student course enrollments of at least one student.

Professional Development (Most Recent Three Years)

Professional development is a key part of the continuous improvement process for educators. The goal of our quality professional development is to support the learning of teachers and paraprofessionals to positively impact student achievement. Annually, teachers and site administrators participate in professional development in a variety of opportunities. Seventy-five minutes per week are dedicated to staff collaboration and training planned by site leadership teams. The District also provides a cycle of continuous professional development for Administrators through Principal Networks as well as Leadership Academies.

The District provides professional development opportunities for teachers and administrators that support the implementation of Common Core State Standards in English language arts, mathematics, science, social studies, and the ELA/ELD Framework. Specific professional development initiatives include: Culturally Responsive Practices, Critical Literacy, TK-2 Reading, Supporting Independence and Engagement through Reading and Writing, Engineering and Mathematics Inspiring Thinking Solutions, Math to the Core, Expository Reading and Writing Course, and ELD Foundations. District departments, Center for Teacher Support, grant-funded projects, and the San Juan Teacher's Association sponsor additional training opportunities. Professional development opportunities are voluntary for teachers and are provided throughout the year in a variety of formats: during the school day, after school, on Saturdays, and during summer and vacation breaks. Many teachers and administrators also take advantage of opportunities with Sacramento County Office of Education, California Department of Education, the college/university programs, state/national education organizations, and private educational institutes.

What grounds the professional development in the district is the District Strategic Plan and the Local Control Accountability Plan. Professional Development is further determined using one or more of the following: (a) student achievement data, (b) staff survey data, and (c) district-identified goals. Professional development addresses the Common Core State Standards, teaching strategies, curriculum, assessment, technology, classroom management, safety, and leadership. Administrator training accompanies professional development in district focus areas, providing implementation support for teachers on site. Content-area coaches are available at some schools. Additional classroom support is provided to new and struggling teachers by consulting teachers from the Center for Teacher Support.

Paraprofessionals are encouraged to participate in professional development at the district and site level. Specifically designed training is also offered to non-instructional support staff such as clerical and custodial staff that includes both operational and instructional topics.
