School Accountability Report Card

Reported Using Data from the 2016-17 School Year

Published During 2017-18

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC Web page at <http://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF Web page at <http://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest Web page at <http://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

School Description and Mission Statement (School Year 2017-18)

PRINCIPAL'S MESSAGE

Welcome to Cowan Fundamental School, where student learning is the priority! The partnership among staff, students and parents and the dedication to academic excellence at Cowan are key to our success. The growth and development of the whole child is addressed through our various clubs and activities, including chess club, band, choir, and student council. Cowan is truly a community of learners, preparing for success in our global society.

MISSION STATEMENT

Valuing academic excellence and our unique partnership with staff, students, and parents, the mission of Cowan Fundamental School is to educate and inspire all students to become self-reliant, creative, productive citizens of a global society through a challenging, innovative curriculum, in cooperation with the community and parents, developing the whole child in a safe, nurturing, environment.

SCHOOL PROFILE

Cowan Fundamental School is one of 41 elementary/K-8 schools in the San Juan Unified School District.

The Cowan curriculum has been aligned to the California Content Standards and is in alignment with the Common Core State Standards. As a fundamental school, Cowan emphasizes a strong academic foundation in a structured environment, with a family focus and a 21st century philosophy.

- Cowan is a two-time recipient of the California Distinguished School Award.
- Cowan has a very active Parent Teacher Club (PTC) that organizes many family events and raises funds for technology, school, and classroom needs.
- Cowan connects and communicates with families and community members through its school website, Facebook, e-mail, and online newsletters.
- Cowan offers enrichment activities such as chess club, band, student council, and choir.
- Cowan teachers plan exciting field trips which are aligned to the curriculum.
- Cowan has a highly-trained, dedicated staff committed to excellence in education.
- Cowan teachers integrate multi-media and technology throughout the curriculum.
- Cowan spotlights the Super Six Positive Character Traits (including respect, responsibility, and courage) throughout the year. Each month students who exemplify these traits are honored at Bobcat Pride Assemblies.
- Cowan utilizes the Kelso's Choice Program to encourage students to resolve small problems independently.
- Cowan is implementing the Caring School Community Character Education Program.
- Cowan believes in its three-way contract through which students, parents, and staff collaborate to achieve a school of excellence.
- Cowan implements Critical Literacy, which equips students with the tools to understand text deeply, to craft arguments based upon text evidence, and to analyze the arguments of others.
- Cowan is in Year 2 of implementing Guided Reading Strategies through the Scholastic K-2 initiative. This work is being closely linked to the implementation of Benchmark curriculum.

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

Quality, Currency, Availability of Textbooks and Instructional Materials (School Year 2017-18)

Year and month in which data were collected: September 22, 2015

San Juan Unified held a public hearing on September 22, 2015 and determined that each school within the district had sufficient and good quality textbooks, instructional materials, or science lab equipment pursuant to the settlement of Williams vs. the State of California. All students, including English learners, are given their own individual standards-aligned textbooks or instructional materials, or both, in core subjects for use in the classroom and to take home. Textbooks and supplementary materials are adopted according to a cycle developed by the California Department of Education, making the textbooks used in the school the most current available. Materials approved for use by the State are reviewed by all teachers and a recommendation is made to the School Board by a selection committee composed of teachers and administrators. All recommended materials are available for parent examination at the district office prior to adoption. The table displays information collected in September 2015 about the quality, currency, and availability of the standards-aligned textbooks and other instructional materials used at the school. If you would like more information on the textbooks and instructional materials please visit our website: <http://www.sanjuan.edu/Page/23485>

In July 2009, EC Section 60200.7, delayed all instructional materials adoptions and the development of curriculum frameworks and evaluation criteria until the 2015-16 school year. Since then the State Board of Education has adopted frameworks for ELA/ELD, Math and Social Sciences, and has identified an approved list of instructional materials available for adoption. For more information regarding San Juan's textbook adoption schedule, please visit our website:

School Facility Conditions and Planned Improvements (Most Recent Year)

Cowan Fundamental Elementary School was modernized in 1995. The scope included: roof/repair or replacement; interior, and exterior painting; window system replacement; energy efficient lighting; heating and cooling system upgrade; new doors with handicapped accessible hardware; restroom restoration; and electrical infrastructure upgrade to provide for internet, cable and telephone service throughout the school. The multi-purpose room floor was abated and replaced with non-asbestos tile. Currently, there is sufficient space to house the student population. There is a site custodial staff that cleans the building, along with district support for major/minor repairs. The district provides gardening and landscape services on a regular schedule. Regular fire/emergency drills are held, and badges are required for all visitors and personnel. Additional parking for staff and visitors continues to be a concern. Under Measure J Bond the hard court was resurfaced in the summer of 2003 and the parking lot was resurfaced summer 2004. Summer 2008 a major landscape and irrigation project was completed through Measure-J Bond.

The Board of Education and the Superintendent's policy is to ensure that all students are provided with a safe and well-maintained learning environment. The board approved resolutions in 1998 and 2002 to adequately fund maintenance activities and preserve the repairs and improvements funded by two facility bond measures. The school buildings, classrooms and grounds are safe, clean and functional. An inspection of the facility was conducted in October 2017 and determined that there were no unsafe conditions that required emergency repairs. District maintenance staff ensures that the repairs necessary to keep the school in good repair and working order are completed in a timely manner. A computer automated work order process is used to ensure efficient service and that emergency repairs and health and safety repairs are given the highest priority. The Board of Education has adopted cleaning standards and custodial staffing requirements for all schools in the district. This school meets the Board's standards for custodial staffing and cleanliness. The school's custodians are trained in the proper use of cleaning chemicals and Integrated Pest Management techniques. They are managed day to day by the Principal with assistance from the district's maintenance department. The district participates in the State School Deferred Maintenance Program, with funding allocated for major repair or replacement of existing school building components. Typically, this includes roofing, plumbing, heating, air conditioning, electrical systems, interior or exterior painting, and floor systems. Annually the district budgets \$2 million dollars for deferred maintenance activities.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

CAASPP Test Results in English Language Arts/Literacy (ELA) and Mathematics for All Students Grades Three through Eight and Grade Eleven

Subject	Percent of Students Meeting or Exceeding the State Standards (grades 3-8 and 11)					
	School		District		State	
	2015-16	2016-17	2015-16	2016-17	2015-16	2016-17
English Language Arts/Literacy (grades 3-8 and 11)	67	63	45	44	48	48
Mathematics (grades 3-8 and 11)	57	53	35	33	36	37

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

CAASPP Test Results in ELA by Student Group Grades Three through Eight and Grade Eleven (School Year 2016-17)

Student Group	Total Enrollment	Number Tested	Percent Tested	Percent Met or Exceeded
All Students	276	272	98.55	62.87
Male	141	137	97.16	53.28
Female	135	135	100	72.59

English Learners	45	43	95.56	60.47
Students with Disabilities	14	13	92.86	15.38

Note: ELA test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

Note: Science test results include California Standards Tests (CSTs), California Modified Assessment (CMA), and California Alternate Performance Assessment (CAPA) in grades five, eight, and ten.

Note: Scores are not shown when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The 2016-17 data are not available. The California Department of Education is developing a new science assessment based on the Next Generation Science Standards for California Public Schools (CA NGSS). The new California Science Test (CAST) was piloted in spring 2017. The CST and CMA for Science will no longer be administered.

State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8):

- Pupil outcomes in the subject areas of physical education.

California Physical Fitness Test Results (School Year 2016-17)

Grade Level	Percent of Students Meeting Fitness Standards		
	Four of Six Standards	Five of Six Standards	Six of Six Standards
5	18.9	29.5	31.6

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each schoolsite.

Opportunities for Parental Involvement (School Year 2017-18)

Cowan Fundamental Elementary School is an open enrollment school with an emphasis on parent participation. Parents are strongly encouraged to volunteer two hours per month and are actively involved in all phases of their child's education. Parents and community members contribute volunteer hours in the classroom, library, at school events, on field trips and in the office yearly. Parents are kept abreast of school activities with which they can help through the school website, weekly/monthly newsletters and flyers, School Messenger messages, the Cowan Facebook page, Twitter, and regular communication from the teachers and principal.

Parents have a myriad of opportunities to contribute volunteer hours at Cowan Fundamental. There are various committees in place that are led by parents. Parents can volunteer to lead or help with any of these committees. A few of the committees include School Site Council, Parent Teacher Club (PTC), Art Docent, Movie Night, Talent Show, Teacher Appreciation Week, Family Fun Fest, Author Day, the Spring Auction, or Yearbook. Parents are also required to attend Back-to-School Night, Open House and parent/teacher conferences.

The School Site Council meets monthly to discuss, plan, and assess the school program, determine the site budget and set spending priorities. It is comprised of five elected parents and five elected staff members with an open invitation to all parents and staff to attend and participate.

The Parent Teacher Club (PTC) works diligently to raise funds and provide volunteer time to create a high quality learning environment for all students. The PTC meets monthly and supports the school program in a variety of ways including support for technology development and implementation. Such support provides students with opportunities for multi-media presentations and research in their growth toward technological literacy, while preparing them for the 21st century.

Cowan Fundamental School values parents and their role in their child's academic success!

Parents or community members who wish to participate in leadership teams, school committees, school activities, or become a volunteer may contact the James R. Cowan Fundamental Elementary Principal, Millie Happoldt, or Vinita Frantz, Secretary, at (916) 575-2312.

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

School Safety Plan (School Year 2017-18)

This school is linked directly to the San Juan Unified School District's Safe Schools Program. In partnership with the Sacramento County Sheriff's Department and the City of Citrus Heights Police Department (CHPD), each school becomes part of a safety zone that is patrolled daily by a sheriff's deputy or CHPD officer. The Deputy Sheriffs are assigned to specific schools which are identified by geographic zones. The Deputy Sheriffs may move from one the geographic zone to another as safety needs dictate. The CHPD Police Officers work identified schools within the City of Citrus Heights and respond as safety needs dictate. The Deputy Sheriff's and/or CHPD Officers are dispatched to critical incidents via the Safe Schools Dispatcher, a law enforcement dispatcher or via a direct report from a school staff member, school visitor or other person. In addition to daily support from a designated Sheriff's deputy or CHPD officer, this school is a part of the San Juan Unified School District's Safe Schools Task Force, which is comprised of safety teams from each of the school sites. Each school safety team meets regularly to discuss safety issues, update their site emergency plans, and to take steps to be proactive in preventing various types of school-related safety issues. Law enforcement provides speakers to address students, staff and community groups. Our safety team receives regular training through the Safe Schools Task Force. Each school site is responsible for updating their Comprehensive School Safety Plan (CSSP) by March 1st of every year. As part of the update, each school site meets at least once per year with a law enforcement officer to review the CSSP and they hold a community meeting to review the CSSP. The CSSP must be approved by the School Site Council before being submitted to the district Safe Schools Manager. Every San Juan classroom has a standardized "Safety Folder" which serves as a guide for teachers, includes the site specific crisis response procedures and a district standardized emergency flip chart. Each school site conducts and keeps a record of all fire drills, lockdown drills, shelter in place drills and/or earthquake drills up to or in excess of what is required by State law.

The Cowan Fundamental School Safety Plan was developed by our School Site Safety team and reviewed by this team in January 2017. The plan was approved by the School Site Council on March 21, 2017. The faculty updated safety binders in August 2017. The Safety Plan evacuation procedures and drills were reviewed at the August Staff Meeting. Elements of the Safety Plan include: School Crisis Response (roles and responsibilities); Emergency signals, evacuation maps, lock down, shelter in place, and fire drill procedures.

Professional Development (Most Recent Three Years)

Professional development is a key part of the continuous improvement process for educators. The goal of our quality professional development is to support the learning of teachers and paraprofessionals to positively impact student achievement. Annually, teachers and site administrators participate in professional development in a variety of opportunities. Seventy-five minutes per week are dedicated to staff collaboration and training planned by site leadership teams. The District also provides a cycle of continuous professional development for Administrators through Principal Networks as well as Leadership Academies.

The District provides professional development opportunities for teachers and administrators that support the implementation of Common Core State Standards in English language arts, mathematics, science, social studies, and the ELA/ELD Framework. Specific professional development initiatives include: Culturally Responsive Practices, Critical Literacy, TK-2 Reading, Supporting Independence and Engagement through Reading and Writing, Engineering and Mathematics Inspiring Thinking Solutions, Math to the Core, Expository Reading and Writing Course, and ELD Foundations. District departments, Center for Teacher Support, grant-funded projects, and the San Juan Teacher's Association sponsor additional training opportunities. Professional development opportunities are voluntary for teachers and are provided throughout the year in a variety of formats: during the school day, after school, on Saturdays, and during summer and vacation breaks. Many teachers and administrators also take advantage of opportunities with Sacramento County Office of Education, California Department of Education, the college/university programs, state/national education organizations, and private educational institutes.

What grounds the professional development in the district is the District Strategic Plan and the Local Control Accountability Plan. Professional Development is further determined using one or more of the following: (a) student achievement data, (b) staff survey data, and (c) district-identified goals. Professional development addresses the Common Core State Standards, teaching strategies, curriculum, assessment, technology, classroom management, safety, and leadership. Administrator training accompanies professional development in district focus areas, providing implementation support for teachers on site. Content-area coaches are available at some schools. Additional classroom support is provided to new and struggling teachers by consulting teachers from the Center for Teacher Support.

Paraprofessionals are encouraged to participate in professional development at the district and site level. Specifically designed training is also offered to non-instructional support staff such as clerical and custodial staff that includes both operational and instructional topics.
