

La Entrada Continuation High School

School Accountability Report Card

Reported Using Data from the 2016-17 School Year

Published During 2017-18

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC Web page at <http://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF Web page at <http://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest Web page at <http://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

About This School

Contact Information (School Year 2017-18)

School Description and Mission Statement (School Year 2017-18)

MISSION STATEMENT

Recognizing the fact that individuals learn in different ways and at varied paces, the mission of SJUSD alternative high schools is to guide and inspire each student's pursuit and discovery of knowledge and achievement of the skills necessary for responsible citizenship, meaningful employment, and lifelong learning through innovative, challenging curricula delivered in a dedicated and collaborative learning community.

SCHOOL PROFILE

La Entrada Continuation High School has been the district's primary continuation program for 16-18 year old students for over 20 years. Students are primarily credit-deficient 11th and 12th graders who either enroll voluntarily for credit recovery, or are placed by the SJUSD's Student Review and Intervention Program. La Entrada's instructional model utilizes individual student learning on computers. Up to 60 students at a time are in a large computer lab/classroom. Instruction and academic tutoring is provided by two teachers and three instructional assistants. There are two 210 minute sessions each each school day, serving two different groups of students.

La Entrada is the only self-contained continuation high in the San Juan Unified School District. The school serves grades 10 thru 12 with the understanding that all students enrolling must be sixteen years of age. La Entrada serves the nine comprehensive high schools within our district as well as incoming out of district students who meet our criteria. Students enroll at our school either through a voluntary process mainly due to credit deficiency or students involuntarily due to discipline issues. Students at our school are representative of a wide diversity of cultures and socioeconomic groups. La Entrada is located at 10700 Fair Oaks, Fair Oaks, CA 95628. The school was established in 1973 on the former site of an elementary school.

PRINCIPAL'S MESSAGE

We are proud to be serving our most at-risk students in an alternative program that is tailored to the individual needs of each student. The La Entrada's curriculum model is designed to help each students reach the goal of high school graduation, advanced post-secondary education, and career preparation. Our staff is trained to build positive relationships with students in order to gain trust, learn each student's needs, and guide them toward their goals.

Student Enrollment by Grade Level (School Year 2016-17)

Grade Level	Number of Students
Grade 10	2
Grade 11	17
Grade 12	48
Total Enrollment	67

Student Enrollment by Group (School Year 2016-17)

Student Group	Percent of Total Enrollment
Black or African American	20.9
American Indian or Alaska Native	0
Asian	0
Filipino	0
Hispanic or Latino	34.3
Native Hawaiian or Pacific Islander	0
White	43.3
Two or More Races	1.5
Socioeconomically Disadvantaged	85.1
English Learners	4.5
Students with Disabilities	13.4
Foster Youth	4.5

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

Teacher Credentials

Teachers	School			District
	2015-16	2016-17	2017-18	2017-18
With Full Credential	1	2	2	1885
Without Full Credential	0	0	0	49
Teaching Outside Subject Area of Competence (with full credential)	0	0	0	34

Teacher Misassignments and Vacant Teacher Positions

Indicator	2015-16	2016-17	2017-18
Misassignments of Teachers of English Learners	0	0	0
Total Teacher Misassignments *	0	0	0
Vacant Teacher Positions	0	0	0

Note: "Misassignments" refers to the number of positions filled by teachers who lack legal authorization to teach that grade level, subject area, student group, etc.

* Total Teacher Misassignments includes the number of Misassignments of Teachers of English Learners.

Quality, Currency, Availability of Textbooks and Instructional Materials (School Year 2017-18)

Year and month in which data were collected: September 22, 2015

San Juan Unified held a public hearing on September 22, 2015 and determined that each school within the district had sufficient and good quality textbooks, instructional materials, or science lab equipment pursuant to the settlement of Williams vs. the State of California. All students, including English learners, are given their own individual standards-aligned textbooks or instructional materials, or both, in core subjects for use in the classroom and to take home. Textbooks and supplementary materials are adopted according to a cycle developed by the California Department of Education, making the textbooks used in the school the most current available. Materials approved for use by the State are reviewed by all teachers and a recommendation is made to the School Board by a selection committee composed of teachers and administrators. All recommended materials are available for parent examination at the district office prior to adoption. The table displays information collected in September 2015 about the quality, currency, and availability of the standards-aligned textbooks and other instructional materials used at the school. If you would like more information on the textbooks and instructional materials please visit our website: <http://www.sanjuan.edu/Page/23485>

In July 2009, EC Section 60200.7, delayed all instructional materials adoptions and the development of curriculum frameworks and evaluation criteria until the 2015-16 school year. Since then the State Board of Education has adopted frameworks for ELA/ELD, Math and Social Sciences, and has identified an approved list of instructional materials available for adoption. For more information regarding San Juan’s textbook adoption schedule, please visit our website: <http://www.sanjuan.edu/cms/lib8/CA01902727/Centricity/Domain/140/Textbook%20Piloting%20adoption%20Schedule.pdf>.

Subject	Textbooks and Instructional Materials/ Year of Adoption	From Most Recent Adoption?	Percent of Students Lacking Own Assigned Copy
Reading/Language Arts	2005 Houghton Mifflin Harcourt: Literature and Language Arts	Yes	0.0

School Facility Conditions and Planned Improvements (Most Recent Year)

La Entrada is kept in good repair, is cleaned regularly and items that need repair are fixed in a timely fashion.

School Facility Good Repair Status (Most Recent Year)

Using the **most recently collected** FIT data (or equivalent), provide the following:

- Determination of repair status for systems listed
- Description of any needed maintenance to ensure good repair
- The year and month in which the data were collected
- The overall rating

School Facility Good Repair Status (Most Recent Year)				
Year and month of the most recent FIT report: 11/9/2017				
System Inspected	Repair Status			Repair Needed and Action Taken or Planned
	Good	Fair	Poor	
Systems: Gas Leaks, Mechanical/HVAC, Sewer	X			
Interior: Interior Surfaces	X			
Cleanliness: Overall Cleanliness, Pest/Vermin Infestation	X			
Electrical: Electrical	X			
Restrooms/Fountains: Restrooms, Sinks/Fountains	X

Overall Facility Rating (Most Recent Year)

Year and month of the most recent FIT report: 11/9/2017				
Overall Rating	Exemplary	Good	Fair	Poor
		X		

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

CAASPP Test Results in English Language Arts/Literacy (ELA) and Mathematics for All Students Grades Three through Eight and Grade Eleven

Subject	Percent of Students Meeting or Exceeding the State Standards (grades 3-8 and 11)					
	School		District		State	
	2015-16	2016-17	2015-16	2016-17	2015-16	2016-17
English Language Arts/Literacy (grades 3-8 and 11)	12	8	45	44	48	48
Mathematics (grades 3-8 and 11)		0	35	33	36	37

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

CAASPP Test Results in ELA by Student Group Grades Three through Eight and Grade Eleven (School Year 2016-17)

Student Group	Total Enrollment	Number Tested	Percent Tested	Percent Met or Exceeded
All Students	46	37	80.43	8.11
Male	32	25	78.13	8
Female	14	12	85.71	8.33
Hispanic or Latino	11	6	54.55	0
White	24	21	87.5	9.52
Socioeconomically Disadvantaged	33	28	84.85	0

Note: ELA test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

**CAASPP Test Results in Mathematics by Student Group
Grades Three through Eight and Grade Eleven (School Year 2016-17)**

Student Group	Total Enrollment	Number Tested	Percent Tested	Percent Met or Exceeded
All Students	46	34	73.91	0
Male	32	23	71.88	0
Female	14	11	78.57	0
Hispanic or Latino	11	5	45.45	0
White	24	19	79.17	0
Socioeconomically Disadvantaged	33	26	78.79	0

Note: Mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

**CAASPP Test Results in Science for All Students
Grades Five, Eight, and Ten**

Subject	Percent of Students Scoring at Proficient or Advanced					
	School		District		State	
	2014-15	2015-16	2014-15	2015-16	2014-15	2015-16
Science (grades 5, 8, and 10)	33	25	57	56	60	56

Note: Science test results include California Standards Tests (CSTs), California Modified Assessment (CMA), and California Alternate Performance Assessment (CAPA) in grades five, eight, and ten.

Note: Scores are not shown when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The 2016-17 data are not available. The California Department of Education is developing a new science assessment based on the Next Generation Science Standards for California Public Schools (CA NGSS). The new California Science Test (CAST) was piloted in spring 2017. The CST and CMA for Science will no longer be administered.

Career Technical Education Programs (School Year 2016-17)

San Juan Unified defines their career paths following the strict criteria set within the Perkins Act and/or the California Partnership guidelines. The Career Technical Education (CTE) department collects data on the number of students moving through our local sequences. Some CTE courses, because of the time requirements, internship element, and industry standards they meet, are defined as a sequence within themselves. Introductory CTE courses are found throughout our schools, concentrators are students who take a second level course within the same career path, and students are referred to as completers when they complete a sequence of courses leading to certification, employability, and/or further technical training. Capstone courses are defined as completer based on length of course, sequence, and skill development.

The CTE capstone course leads to a certificate/industry skill sheet or license if applicable. The program also provides the student with academic and technical knowledge and skill through integrated academic and technical instruction. The programs prepare students to enter current or emerging careers for further training within the career path for which there is gainful employment. Students enrolled in the programs are provided strong experiences in all aspects of an industry.

San Juan Unified also provides students career preparation through enrollment in California Partnership Academies. We have four California Partnership Academies in the areas of: business–finance/entrepreneurship, pre-engineering, Sports Careers and Opportunities in Recreation (SCORE), and small business entrepreneurship. Our schools have numerous career paths opportunities beyond the state funded California Partnership Academy. We have career pathways in:

- Agriscience
- Arts, Media and Entertainment
- Automotive Technology
- Bakery Academy
- Cabinetry & Woodworking
- Construction Technology
- Culinary Arts
- Dental Careers
- Digital Media Arts
- Engineering Technology
- Food Services
- Manufacturing Technology
- Natural Resources Management
- Patient Care
- Public Safety
- Small Business

How does this class support student achievement?

When students experience CTE courses they have the opportunity to see the relationship between applied academic standards and the real world. Students find purpose in their studies and are provided an opportunity to apply their academic and industry skills to every day problems.

How does the school address the needs of all students in career preparation?

Through the IEP process special education students may be scheduled into CTE courses. Students are provided the support and necessary curriculum modification as outlined in the IEP. CTE provides extended testing time, extra assignment time and support where appropriate. Since our CTE courses work to integrate and support the academic standards, the students will be exposed to “hands on” activities and participate in solving real life problems.

How are the courses evaluated for effectiveness?

The capacity to serve a “significant” number of students and the degree to which the program attains specific outcomes are assessed yearly. Completion rates, graduation rates, and the passing rate on the California High School Exit Exam (CAHSEE) along with completion of a sequence are all evaluated yearly. The number of completion certificates issued and the attainment of specific industry skills is analyzed. Data on attendance is also collected.

Career Technical Education Participation (School Year 2016-17)

Measure	CTE Program Participation
Number of pupils participating in CTE	2
% of pupils completing a CTE program and earning a high school diploma	50
% of CTE courses sequenced or articulated between the school and institutions of postsecondary education	0

Courses for University of California (UC) and/or California State University (CSU) Admission

UC/CSU Course Measure	Percent
2016–17 Pupils Enrolled in Courses Required for UC/CSU Admission	94.03
2015–16 Graduates Who Completed All Courses Required for UC/CSU Admission	0

State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8):

- Pupil outcomes in the subject areas of physical education.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each schoolsite.

Opportunities for Parental Involvement (School Year 2017-18)

When parents, families, and members of the community are involved with schools, all children benefit. Adult participation sends the message that school is important and the work our students do at La Entrada is worthy of adult attention. Our community recognizes that adults may participate in La Entrada in different and varied avenues to ensure all students have quality learning experiences.

Partnerships between La Entrada, families and the community are identified in our partnership framework. This framework categorizes participation in six areas:

Learning from Home: Families work together through activities and facilitation of a teacher to assist with class work and recognizing other learning home opportunities.

Parenting: Resources are made available to families to establish home environments to support children as learners. Please see 'Parent Resource' page on our website.

Decision Making: La Entrada believes all stake holders including parents, students, and community members have a role in the decision making processes. Stakeholders are encouraged to participate in Site Strategic Planning, School Site Council, and English Learning Advisory Committees.

Communications: La Entrada individualizes instruction for each student. Parents are encouraged to communicate directly with their child's teacher to gain valuable insight on how their child is performing in school. Whole school events and information are posted on the La Entrada website.

Collaborating with the Community: La Entrada's area of focus called out in our Site Strategic Plan is to identify and integrate resources and services from the community.

Volunteering: We understand that adults may participate in La Entrada in different and varied avenues. Volunteers may work with students individually or in small groups. They may help organize school events or activities for students. Adults assistance with logistical and organization tasks are always appreciated and offered a flexible times.

State Priority: Pupil Engagement

The SARC provides the following information relevant to the State priority: Pupil Engagement (Priority 5):

- High school dropout rates; and
- High school graduation rates.

Dropout Rate and Graduation Rate (Four-Year Cohort Rate)

Indicator	School			District			State		
	2013-14	2014-15	2015-16	2013-14	2014-15	2015-16	2013-14	2014-15	2015-16
Dropout Rate	48	31.9	52.8	9.6	9.2	8.8	11.5	10.7	9.7
Graduation Rate	24	40.43	24.53	81.6	82.65	83.79	80.95	82.27	83.77

Completion of High School Graduation Requirements - Graduating Class of 2016 (One-Year Rate)

Group	Graduating Class of 2016		
	School	District	State
All Students	53.66	84	87.11
Black or African American	20	69.67	79.19
American Indian or Alaska Native	0	69.23	80.17
Asian	100	91.86	94.42
Filipino	0	86.21	93.76
Hispanic or Latino	44.44	75.94	84.58
Native Hawaiian/Pacific Islander	50	77.78	86.57
White	58.33	85.86	90.99
Two or More Races	0	100	90.59
Socioeconomically Disadvantaged	60	54.14	63.9
English Learners	25	44.58	55.44
Students with Disabilities	43.33	79.01	85.45
Foster Youth	0	71.05	68.19

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

Suspensions and Expulsions

Rate	School			District			State		
	2014-15	2015-16	2016-17	2014-15	2015-16	2016-17	2014-15	2015-16	2016-17
Suspensions	9.0	1.3	0.5	5.7	5.7	5.8	3.8	3.7	3.6
Expulsions	0.0	0.0	0.0	0.1	0.1	0.1	0.1	0.1	0.1

School Safety Plan (School Year 2017-18)

This school is linked directly to the San Juan Unified School District's Safe Schools Program. In partnership with the Sacramento County Sheriff's Department and the City of Citrus Heights Police Department (CHPD), each school becomes part of a safety zone that is patrolled daily by a sheriff's deputy or CHPD officer. The Deputy Sheriffs are assigned to specific schools which are identified by geographic zones. The Deputy Sheriffs may move from one the geographic zone to another as safety needs dictate. The CHPD Police Officers work identified schools within the City of Citrus Heights and respond as safety needs dictate. The Deputy Sheriff's and/or CHPD Officers are dispatched to critical incidents via the Safe Schools Dispatcher, a law enforcement dispatcher or via a direct report from a school staff member, school visitor or other person. In addition to daily support from a designated Sheriff's deputy or CHPD officer, this school is a part of the San Juan Unified School District's Safe Schools Task Force, which is comprised of safety teams from each of the school sites. Each school safety team meets regularly to discuss safety issues, update their site emergency plans, and to take steps to be proactive in preventing various types of school-related safety issues. Law enforcement provides speakers to address students, staff and community groups. Our safety team receives regular training through the Safe Schools Task Force. Each school site is responsible for updating their Comprehensive School Safety Plan (CSSP) by March 1st of every year. As part of the update, each school site meets at least once per year with a law enforcement officer to review the CSSP and they hold a community meeting to review the CSSP. The CSSP must be approved by the School Site Council before being submitted to the district Safe Schools Manager. Every San Juan classroom has a standardized "Safety Folder" which serves as a guide for teachers, includes the site specific crisis response procedures and a district standardized emergency flip chart. Each school site conducts and keeps a record of all fire drills, lockdown drills, shelter in place drills and/or earthquake drills up to or in excess of what is required by State law.

The plan was last updated March 2017.

D. Other SARC Information

The information in this section is required to be in the SARC but is not included in the state priorities for LCFF.

Federal Intervention Program (School Year 2017-18)

Indicator	School	District
Program Improvement Status		In PI
First Year of Program Improvement		2008-2009
Year in Program Improvement*		Year 3
Number of Schools Currently in Program Improvement	N/A	17
Percent of Schools Currently in Program Improvement	N/A	65.4

Note: Cells with N/A values do not require data.

Average Class Size and Class Size Distribution (Secondary)

Subject	2014-15			2015-16			2016-17					
	Avg. Class Size	Number of Classrooms			Avg. Class Size	Number of Classrooms			Avg. Class Size	Number of Classrooms		
		1-22	23-32	33+		1-22	23-32	33+		1-22	23-32	33+
English	2	16			3	7			8	8		
Mathematics	2	8			3	3			2	9		
Science	3	4			4	3			3	5		
Social Science	4	11			4	11			3	14		

Note: Number of classes indicates how many classrooms fall into each size category (a range of total students per classroom). At the secondary school level, this information is reported by subject area rather than grade level.

Academic Counselors and Other Support Staff (School Year 2016-17)

Title	Number of FTE Assigned to School	Average Number of Students per Academic Counselor
Academic Counselor	1.2	70
Counselor (Social/Behavioral or Career Development)	0	N/A
Library Media Teacher (Librarian)	0	N/A
Library Media Services Staff (Paraprofessional)	0	N/A
Psychologist	0	N/A
Social Worker	0	N/A
Nurse	0	N/A
Speech/Language/Hearing Specialist	0	N/A
Resource Specialist	0	N/A
Other	3	N/A

Note: Cells with N/A values do not require data.

*One Full Time Equivalent (FTE) equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time.

Expenditures per Pupil and School Site Teacher Salaries (Fiscal Year 2015-16)

Level	Expenditures Per Pupil			Average Teacher Salary
	Total	Supplemental/Restricted	Basic/Unrestricted	
School Site	10137	1177	8960	
District	N/A	N/A	\$5,013	\$75,808
Percent Difference: School Site and District	N/A	N/A	78.7	
State	N/A	N/A	\$6,574	\$79,228
Percent Difference: School Site and State	N/A	N/A	57.8	

Note: Cells with N/A values do not require data.

Types of Services Funded (Fiscal Year 2016-17)

The table provides a comparison of a school's per pupil funding from unrestricted sources with other schools in the district and throughout the state.

Supplemental/Restricted expenditures come from money whose use is controlled by law or donor. Money designated for specific purposes by the district or governing board is not considered restricted. Basic/unrestricted expenditures, except for general guidelines, is not controlled by law or donor.

For detailed information on school expenditures for all districts in California, see the CDE Current Expense of Education & Per-pupil Spending Web page at <http://www.cde.ca.gov/ds/fd/ec/>. For information on teacher salaries for all districts in California, see the CDE Certificated Salaries & Benefits Web page at <http://www.cde.ca.gov/ds/fd/cs/>. To look up expenditures and salaries for a specific school district, see the Ed-Data Web site at: <http://www.ed-data.org>.

Teacher and Administrative Salaries (Fiscal Year 2015-16)

Category	District Amount	State Average for Districts In Same Category
Beginning Teacher Salary	\$44,600	\$47,808
Mid-Range Teacher Salary	\$76,351	\$73,555
Highest Teacher Salary	\$90,055	\$95,850
Average Principal Salary (Elementary)	\$111,903	\$120,448

Professional Development (Most Recent Three Years)

Professional development is a key part of the continuous improvement process for educators. The goal of our quality professional development is to support the learning of teachers and paraprofessionals to positively impact student achievement. Annually, teachers and site administrators participate in professional development in a variety of opportunities. Seventy-five minutes per week are dedicated to staff collaboration and training planned by site leadership teams. The District also provides a cycle of continuous professional development for Administrators through Principal Networks as well as Leadership Academies.

The District provides professional development opportunities for teachers and administrators that support the implementation of Common Core State Standards in English language arts, mathematics, science, social studies, and the ELA/ELD Framework. Specific professional development initiatives include: Culturally Responsive Practices, Critical Literacy, TK-2 Reading, Supporting Independence and Engagement through Reading and Writing, Engineering and Mathematics Inspiring Thinking Solutions, Math to the Core, Expository Reading and Writing Course, and ELD Foundations. District departments, Center for Teacher Support, grant-funded projects, and the San Juan Teacher's Association sponsor additional training opportunities. Professional development opportunities are voluntary for teachers and are provided throughout the year in a variety of formats: during the school day, after school, on Saturdays, and during summer and vacation breaks. Many teachers and administrators also take advantage of opportunities with Sacramento County Office of Education, California Department of Education, the college/university programs, state/national education organizations, and private educational institutes.

What grounds the professional development in the district is the District Strategic Plan and the Local Control Accountability Plan. Professional Development is further determined using one or more of the following: (a) student achievement data, (b) staff survey data, and (c) district-identified goals. Professional development addresses the Common Core State Standards, teaching strategies, curriculum, assessment, technology, classroom management, safety, and leadership. Administrator training accompanies professional development in district focus areas, providing implementation support for teachers on site. Content-area coaches are available at some schools. Additional classroom support is provided to new and struggling teachers by consulting teachers from the Center for Teacher Support.

Paraprofessionals are encouraged to participate in professional development at the district and site level. Specifically designed training is also offered to non-instructional support staff such as clerical and custodial staff that includes both operational and instructional topics.
