School Accountability Report Card

Reported Using Data from the 2016-17 School Year

Published During 2017-18

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC Web page at <http://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF Web page at <http://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest Web page at <http://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

About This School

Contact Information (School Year 2017-18)

School Contact Information

School Description and Mission Statement (School Year 2017-18)

Mission Statement:

Embracing diversity and valuing excellence, Mira Loma High School's mission is to educate each student through rigorous, high quality programs which involve dynamic activities in a collaborative, compassionate, and safe learning community.

School Profile:

In 2010 Mira Loma High School celebrated its 50th anniversary. Built in 1960, Mira Loma High School is one of nine comprehensive high schools in the San Juan Unified School District, located in Sacramento County. With one primary feeder school and strong academic and extra-curricular programs, Mira Loma is a school of choice for many of San Juan as well as out-of-district students. The school is located in a suburban community, with students coming from a wide spectrum of socio-economic backgrounds. This diversity is a valuable asset that strengthens and enriches our community. Mira Loma is best known for its International Baccalaureate (IB) program. The IB program is among the largest (700) students and most successful (by IB pass rate) in the nation. The Mira Loma IB program draws talented students from four counties. In addition to the IB program, Mira Loma offers the International Studies (IS) program, the International Passport program, a Career Technical Education (CTE) Pathway in Medical Assisting, Special Education, and an English Language Learner program to an ethnically diverse student population. Notably, Newsweek Magazine recognized Mira Loma as one of the best high schools in the region and in the top 300 high schools in the nation for the last five years.

Mira Loma has partnered with many community organizations to directly benefit students including the San Juan Foundation, UC Davis, CSU Sacramento, Sacramento Kings, Air Quality Resources Board, Intel Corporation Mentor Program, SMAC Cultural and Educational Foundation, River Cats, State Farm Foundation, Raleys, and the International Baccalaureate Program.

Enrollment has increased over the last 5 years, but has stabilized this year. Enrollment is favorably affected by students from outside Mira Loma's attendance area. These students choose to attend Mira Loma for its outstanding IB, MYP (Middle Year Program), IS, and Passport programs. From this pool, Mira Loma attracts approximately 350 inter-district students and 80 intra-district students.

Principal's Message:

There have been changes in the administrative team this year, and several new teachers have been hired to accommodate extra classes for our growing enrollment. The largest growth has been in our English Language learner program and we welcome these students to our campus. Mira Loma is a dynamic school with many positive academic programs for students and we are recognized for excellence in many areas. However, the staff realizes that we still have improvements to make and our Single Plan for Student Achievement, WASC (Western Association of Schools and colleges) action plans, and IB 5 year review goals are all written to address these areas of professional development, and work towards a better school community and climate for student growth and achievement.

Sincerely,
Lynne Tracy
Mira Loma Principal

Student Enrollment by Grade Level (School Year 2016-17)

Grade Level	Number of Students
Grade 9	480
Grade 10	464
Grade 11	408
Grade 12	427
Total Enrollment	1,779

Student Enrollment by Group (School Year 2016-17)

Student Group	Percent of Total Enrollment
Black or African American	8.8
American Indian or Alaska Native	0.7
Asian	24.3
Filipino	3.1
Hispanic or Latino	20
Native Hawaiian or Pacific Islander	1.4
White	38.4
Two or More Races	2.9
Socioeconomically Disadvantaged	49.5
English Learners	10.2
Students with Disabilities	8.2
Foster Youth	0.5

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

Teacher Credentials

Teachers	School			District
	2015-16	2016-17	2017-18	2017-18
With Full Credential	71	69	75	1885
Without Full Credential	1	1	2	49
Teaching Outside Subject Area of Competence (with full credential)	3	3	2	34

Teacher Misassignments and Vacant Teacher Positions

Indicator	2015-16	2016-17	2017-18
Misassignments of Teachers of English Learners	0	0	0
Total Teacher Misassignments *	0	0	0
Vacant Teacher Positions	0	0	0

Note: "Misassignments" refers to the number of positions filled by teachers who lack legal authorization to teach that grade level, subject area, student group, etc.

* Total Teacher Misassignments includes the number of Misassignments of Teachers of English Learners.

Quality, Currency, Availability of Textbooks and Instructional Materials (School Year 2017-18)

Year and month in which data were collected: September 22, 2015

San Juan Unified held a public hearing on September 22, 2015 and determined that each school within the district had sufficient and good quality textbooks, instructional materials, or science lab equipment pursuant to the settlement of Williams vs. the State of California. All students, including English learners, are given their own individual standards-aligned textbooks or instructional materials, or both, in core subjects for use in the classroom and to take home. Textbooks and supplementary materials are adopted according to a cycle developed by the California Department of Education, making the textbooks used in the school the most current available. Materials approved for use by the State are reviewed by all teachers and a recommendation is made to the School Board by a selection committee composed of teachers and administrators. All recommended materials are available for parent examination at the district office prior to adoption. The table displays information collected in September 2015 about the quality, currency, and availability of the standards-aligned textbooks and other instructional materials used at the school. If you would like more information on the textbooks and instructional materials please visit our website: <http://www.sanjuan.edu/Page/23485>

In July 2009, EC Section 60200.7, delayed all instructional materials adoptions and the development of curriculum frameworks and evaluation criteria until the 2015-16 school year. Since then the State Board of Education has adopted frameworks for ELA/ELD, Math and Social Sciences, and has identified an approved list of instructional materials available for adoption. For more information regarding San Juan's textbook adoption schedule, please visit our website:

<http://www.sanjuan.edu/cms/lib8/CA01902727/Centricity/Domain/140/Textbook%20Piloting%20adoption%20Schedule.pdf>.

School Facility Conditions and Planned Improvements (Most Recent Year)

Mira Loma High School, constructed in 1960, completed the last phase of modernization from funds from Measure S passed by the voters in November of 1998. Walkways, parking lots and hard courts were resurfaced in 2005, and exterior paint was completed in 2007. The process of painting classrooms began in fall 2010 and was completed in spring 2011. Renovation of the student and public restrooms began in the summer of 2011 and was completed in spring 2012. Currently, there is sufficient space to house the student population. Site custodial staff keep the buildings clean as well as a part-time site maintenance custodian who keep the various systems of the school operational. The district provides gardening and landscape maintenance as well as support to keep the major systems such as plumbing, heating, and air conditioning functioning. Using Measure J funds, a landscape and irrigation project was completed Fall 2013 in the main quad area. This included ornamental fencing, sidewalks and ramps, storm drains and sewer lines, grass, plants and trees.

The Board of Education and the Superintendent's policy is to ensure that all students are provided with a safe and well-maintained learning environment. The board approved resolutions in 1998 and 2002 to adequately fund maintenance activities and preserve the repairs and improvements funded by two facility bond measures. The school buildings, classrooms and grounds are safe, clean and functional. An inspection of the facility was conducted in November 2017 and determined that there were no unsafe conditions that required emergency repairs. District maintenance staff ensures that the repairs necessary to keep the school in good repair and working order are completed in a timely manner. A computer automated work order process is used to ensure efficient service and that emergency repairs and health and safety repairs are given the highest priority. The Board of Education has adopted cleaning standards and custodial staffing requirements for all schools in the district. This school meets the Board's standards for custodial staffing and cleanliness. The school's custodians are trained in the proper use of cleaning chemicals and Integrated Pest Management techniques. They are managed day to day by the Principal with assistance from the district's maintenance department. The district participates in the State School Deferred Maintenance Program, with funding allocated for major repair or replacement of existing school building components. Typically, this includes roofing, plumbing, heating, air conditioning, electrical systems, interior or exterior painting, and floor systems. Annually the district budgets \$2 million dollars for deferred maintenance activities.

School Facility Good Repair Status (Most Recent Year)

Using the **most recently collected** FIT data (or equivalent), provide the following:

- Determination of repair status for systems listed
- Description of any needed maintenance to ensure good repair
- The year and month in which the data were collected
- The overall rating

School Facility Good Repair Status (Most Recent Year)				
Year and month of the most recent FIT report: 11/09/2017				
System Inspected	Repair Status			Repair Needed and Action Taken or Planned
	Good	Fair	Poor	
Systems: Gas Leaks, Mechanical/HVAC, Sewer	X			
Interior: Interior Surfaces	X			
Cleanliness: Overall Cleanliness, Pest/Vermin Infestation	X

Year and month of the most recent FIT report: 11/09/2017				
Overall Rating	Exemplary	Good	Fair	Poor
		X		

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

CAASPP Test Results in English Language Arts/Literacy (ELA) and Mathematics for All Students Grades Three through Eight and Grade Eleven

Subject	Percent of Students Meeting or Exceeding the State Standards (grades 3-8 and 11)					
	School		District		State	
	2015-16	2016-17	2015-16	2016-17	2015-16	2016-17
English Language Arts/Literacy (grades 3-8 and 11)	64	58	45	44	48	48
Mathematics (grades 3-8 and 11)	54	50	35	33	36	37

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

CAASPP Test Results in ELA by Student Group Grades Three through Eight and Grade Eleven (School Year 2016-17)

Student Group	Total Enrollment	Number Tested	Percent Tested	Percent Met or Exceeded
All Students	395	376	95.19	58.4
Male	204	192	94.12	57.07
Female	191	184	96.34	59.78
Black or African American	30	28	93.33	25
Asian	105	103	98.1	81.55
Filipino	18	18	100	61.11
Hispanic or Latino	83	79	95.18	37.18
White	143	133	93.01	60.15
Socioeconomically Disadvantaged	200	188	94	33.69
English Learners	79	73	92.41	19.18
Students with Disabilities	32	30	93.75	6.9

Note: ELA test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

**CAASPP Test Results in Mathematics by Student Group
Grades Three through Eight and Grade Eleven (School Year 2016-17)**

Student Group	Total Enrollment	Number Tested	Percent Tested	Percent Met or Exceeded
All Students	395	384	97.22	50
Male	204	196	96.08	52.04
Female	191	188	98.43	47.87
Black or African American	30	27	90	22.22
Asian	105	104	99.05	79.81
Filipino	18	18	100	44.44
Hispanic or Latino	83	80	96.39	23.75
White	143	140	97.9	50
Socioeconomically Disadvantaged	200	190	95	22.11
English Learners	79	75	94.94	16
Students with Disabilities	32	28	87.5	7.14

Note: Mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

**CAASPP Test Results in Science for All Students
Grades Five, Eight, and Ten**

Subject	Percent of Students Scoring at Proficient or Advanced					
	School		District		State	
	2014-15	2015-16	2014-15	2015-16	2014-15	2015-16
Science (grades 5, 8, and 10)	66	56	57	56	60	56

Note: Science test results include California Standards Tests (CSTs), California Modified Assessment (CMA), and California Alternate Performance Assessment (CAPA) in grades five, eight, and ten.

Note: Scores are not shown when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The 2016-17 data are not available. The California Department of Education is developing a new science assessment based on the Next Generation Science Standards for California Public Schools (CA NGSS). The new California Science Test (CAST) was piloted in spring 2017. The CST and CMA for Science will no longer be administered.

Career Technical Education Programs (School Year 2016-17)

San Juan Unified defines their career paths following the strict criteria set within the Perkins Act and/or the California Partnership guidelines. The Career Technical Education (CTE) department collects data on the number of students moving through our local sequences. Some CTE courses, because of the time requirements, internship element and industry standards they meet, are defined as a sequence within themselves. Introductory CTE courses are found throughout our schools, concentrators are students who take a second level course within the same career path, and students are referred to as completers when they complete a sequence of courses leading to certification, employability, and/or further technical training. Capstone courses are defined as completer based on length of course, sequence, and skill development.

The CTE capstone course leads to a certificate/industry skill sheet or license if applicable. The program also provides the student with academic and technical knowledge and skill through integrated academic and technical instruction. The programs prepare students to enter current or emerging careers for further training within the career path for which there is gainful employment. Students enrolled in the programs are provided strong experiences in all aspects of an industry.

San Juan Unified also provides students career preparation through enrollment in California Partnership Academies. We have four California Partnership Academies in the areas of: business–finance/entrepreneurship, pre-engineering, Sports Careers and Opportunities in Recreation (SCORE), and small business entrepreneurship. Our schools have numerous career paths opportunities beyond the state funded California Partnership Academy.

Mira Loma offers the following CTE courses:

- Advanced Natural Resources – 12th Graders (Capstone)
- Introduction to Health Careers
- Medical Assisting (Capstone)
- Medical Careers I
- Natural Resources – 11th Graders

How does this class support student achievement?

When students experience CTE courses they have the opportunity to see the relationship between applied academic standards and the real world. Students find purpose in their studies and are provided an opportunity to apply their academic and industry skills to every day problems.

How does the school address the needs of all students in career preparation?

Through the IEP process special education students may be scheduled into CTE courses. Students are provided the support and necessary curriculum modification as outlined in the IEP. CTE provides extended testing time, extra assignment time and support where appropriate. Since our CTE courses work to integrate and support the academic standards, the students will be exposed to “hands on” activities and participate in solving real life problems.

How are the courses evaluated for effectiveness?

The capacity to serve a “significant” number of students and the degree to which the program attains specific outcomes are assessed yearly. Completion rates and graduation rates along with completion of a sequence are all evaluated yearly. The number of completion certificates issued and the attainment of specific industry skills is analyzed. Data on attendance is also collected.

Career Technical Education Participation (School Year 2016-17)

Measure	CTE Program Participation
Number of pupils participating in CTE	379
% of pupils completing a CTE program and earning a high school diploma	45
% of CTE courses sequenced or articulated between the school and institutions of postsecondary education	100

Courses for University of California (UC) and/or California State University (CSU) Admission

UC/CSU Course Measure	Percent
2016–17 Pupils Enrolled in Courses Required for UC/CSU Admission	97.75
2015–16 Graduates Who Completed All Courses Required for UC/CSU Admission	59.31

State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8):

- Pupil outcomes in the subject areas of physical education.

California Physical Fitness Test Results (School Year 2016-17)

Grade Level	Percent of Students Meeting Fitness Standards		
	Four of Six Standards	Five of Six Standards	Six of Six Standards
9	12.5	22	45.6

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each schoolsite.

Opportunities for Parental Involvement (School Year 2017-18)

Parents are integral partners in successful schools. At Mira Loma, parents actively contribute time, energy, and resources in support of all students and faculty by participating in the Boosters Association, IB (International Baccalaureate) Parent Organization, IS Student Parent Organization, Grad Night Committee, and EL (English learner) Advisory Committee. Parents also share in school-wide decision making through the School Site Council and Safe Schools Committee. MatMatters, our school e-newsletter is an online communication run by parent volunteers. Parents are also kept informed by school personnel through progress reports and report cards mailed home regularly. Our parent organizations provide significant support for students and staff. Examples of their support include providing materials and equipment for academic programs and academic competition teams, funding multiple scholarships for students, developing a student/parent survey, securing a variety of grants, funding students to participate in activities. Since 1996, the IB parent group also sponsors a College Information Sunday. Parents of Special Education students are very involved in decision making for individual transition planning and for IEPs (Individualized Education Plans). Many parents volunteer for special projects, school improvement activities, curriculum development and Mat Matters. Please contact the school office for volunteer information at 971-7465.

State Priority: Pupil Engagement

The SARC provides the following information relevant to the State priority: Pupil Engagement (Priority 5):

- High school dropout rates; and
- High school graduation rates.

Dropout Rate and Graduation Rate (Four-Year Cohort Rate)

Indicator	School			District			State		
	2013-14	2014-15	2015-16	2013-14	2014-15	2015-16	2013-14	2014-15	2015-16
Dropout Rate	6.7	6.6	6.9	9.6	9.2	8.8	11.5	10.7	9.7
Graduation Rate	90	90.59	91.63	81.6	82.65	83.79	80.95	82.27	83.77

Completion of High School Graduation Requirements - Graduating Class of 2016 (One-Year Rate)

Group	Graduating Class of 2016		
	School	District	State
All Students	92.38	84	87.11
Black or African American	83.33	69.67	79.19
American Indian or Alaska Native	0	69.23	80.17
Asian	96.4	91.86	94.42
Filipino	100	86.21	93.76
Hispanic or Latino	86.96	75.94	84.58
Native Hawaiian/Pacific Islander	100	77.78	86.57
White	86.67	85.86	90.99
Two or More Races	100	100	90.59
Socioeconomically Disadvantaged	60.61	54.14	63.9
English Learners	44.83	44.58	55.44
Students with Disabilities	84.66	79.01	85.45
Foster Youth	100	71.05	68.19

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

Suspensions and Expulsions

Rate	School			District			State		
	2014-15	2015-16	2016-17	2014-15	2015-16	2016-17	2014-15	2015-16	2016-17
Suspensions	5.8	6.5	8.5	5.7	5.7	5.8	3.8	3.7	3.6
Expulsions	0.2	0.1	0.2	0.1	0.1	0.1	0.1	0.1	0.1

School Safety Plan (School Year 2017-18)

This school is linked directly to the San Juan Unified School District’s Safe Schools Program. In partnership with the Sacramento County Sheriff’s Department and the City of Citrus Heights Police Department (CHPD), each school becomes part of a safety zone that is patrolled daily by a sheriff’s deputy or CHPD officer. The Deputy Sheriffs are assigned to specific schools which are identified by geographic zones. The Deputy Sheriffs may move from one the geographic zone to another as safety needs dictate. The Deputy Sheriffs are dispatched to critical incidents via the Safe Schools Dispatcher, a law enforcement dispatcher or via a direct report from a school staff member, school visitor or other person. In addition to daily support from a designated Sheriff’s deputy this school is a part of the San Juan Unified School District’s Safe Schools Task Force, which is comprised of safety teams from each of the school sites. Each school safety team meets regularly to discuss safety issues, update their site emergency plans, and to take steps to be proactive in preventing various types of school-related safety issues. Law enforcement provides speakers to address students, staff, and community groups. Each school site is responsible for updating their Comprehensive School Safety Plan (CSSP) by March 1st of every year. As part of the update, each school site meets at least once per year with a law enforcement officer to review the CSSP and they hold a community meeting to review the CSSP. The CSSP must be approved by the School Site Council before being submitted to the district Safe Schools Manager. Every San Juan classroom has a standardized “Safety Folder” which serves as a guide for teachers, includes the site specific crisis response procedures and a district standardized emergency flip chart. Each school site conducts and keeps a record of all fire drills, lockdown drills, shelter in place drills and/or earthquake drills up to or in excess of what is required by State law. This school meets or exceeds the Education Code requirements for fire drills and lock down drills.

Mira Loma's School safety plan was updated in the spring of 2017 and reviewed and approved at the Site Council meeting on May 15, 2017.

D. Other SARC Information

The information in this section is required to be in the SARC but is not included in the state priorities for LCFF.

Federal Intervention Program (School Year 2017-18)

Indicator	School	District
Program Improvement Status		In PI
First Year of Program Improvement		2008-2009
Year in Program Improvement*		Year 3
Number of Schools Currently in Program Improvement	N/A	17
Percent of Schools Currently in Program Improvement	N/A	65.4

Average Class Size and Class Size Distribution (Secondary)

Subject	2014-15				2015-16				2016-17			
	Avg. Class Size	Number of Classrooms			Avg. Class Size	Number of Classrooms			Avg. Class Size	Number of Classrooms		
		1-22	23-32	33+		1-22	23-32	33+		1-22	23-32	33+
English	27	17	27	22	27	13	24	18	27	19	21	22
Mathematics	26	14	21	22	25	20	17	17	27	10	17	13
Science	30	5	22	21	30	4	21	16	31	3	20	21
Social Science	29	10	32	18	29	10	20	30	30	11	20	31

Note: Number of classes indicates how many classrooms fall into each size category (a range of total students per classroom). At the secondary school level, this information is reported by subject area rather than grade level.

Academic Counselors and Other Support Staff (School Year 2016-17)

Title	Number of FTE Assigned to School	Average Number of Students per Academic Counselor
Academic Counselor	4.5	400
Library Media Teacher (Librarian)	1	N/A
Psychologist	.5	N/A
Nurse	.2	N/A
Other	1.0	N/A

Note: Cells with N/A values do not require data.

*One Full Time Equivalent (FTE) equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time.

Expenditures per Pupil and School Site Teacher Salaries (Fiscal Year 2015-16)

Level	Expenditures Per Pupil			Average Teacher Salary
	Total	Supplemental/ Restricted	Basic/ Unrestricted	
School Site	6273	809	5464	
District	N/A	N/A	\$5,013	\$75,808
Percent Difference: School Site and District	N/A	N/A	9.0	
State	N/A	N/A	\$6,574	\$79,228
Percent Difference: School Site and State	N/A	N/A	-3.8	

Note: Cells with N/A values do not require data.

Types of Services Funded (Fiscal Year 2016-17)

The table provides a comparison of a school's per pupil funding from unrestricted sources with other schools in the district and throughout the state.

Supplemental/Restricted expenditures come from money whose use is controlled by law or donor. Money designated for specific purposes by the district or governing board is not considered restricted. Basic/unrestricted expenditures, except for general guidelines, is not controlled by law or donor.

For detailed information on school expenditures for all districts in California, see the CDE Current Expense of Education & Per-pupil Spending Web page at <http://www.cde.ca.gov/ds/fd/ec/>. For information on teacher salaries for all districts in California, see the CDE Certificated Salaries & Benefits Web page at <http://www.cde.ca.gov/ds/fd/cs/>. To look up expenditures and salaries for a specific school district, see the Ed-Data Web site at: <http://www.ed-data.org>.

Teacher and Administrative Salaries (Fiscal Year 2015-16)

Category	District Amount	State Average for Districts In Same Category
Beginning Teacher Salary	\$44,600	\$47,808
Mid-Range Teacher Salary	\$76,351	\$73,555
Highest Teacher Salary	\$90,055	\$95,850
Average Principal Salary (Elementary)	\$111,903	\$120,448
Average Principal Salary (Middle)	\$114,058	\$125,592
Average Principal Salary (High)	\$138,454	\$138,175
Superintendent Salary	\$263,176	\$264,457
Percent of Budget for Teacher Salaries	37%	35%
Percent of Budget for Administrative Salaries	6%	5%

For detailed information on salaries, see the CDE Certificated Salaries & Benefits Web page at <http://www.cde.ca.gov/ds/fd/cs/>.

Advanced Placement (AP) Courses (School Year 2016-17)

Subject	Number of AP Courses Offered*	Percent of Students In AP Courses
Mathematics	1	N/A
All courses	1	4.7

Cells with N/A values do not require data.

*Where there are student course enrollments of at least one student.

Professional Development (Most Recent Three Years)

Professional development is a key part of the continuous improvement process for educators. The goal of our quality professional development is to support the learning of teachers and paraprofessionals to positively impact student achievement. Annually, teachers and site administrators participate in professional development in a variety of opportunities. Seventy-five minutes per week are dedicated to staff collaboration and training planned by site leadership teams. The District also provides a cycle of continuous professional development for Administrators through Principal Networks as well as Leadership Academies.

The District provides professional development opportunities for teachers and administrators that support the implementation of Common Core State Standards in English language arts, mathematics, science, social studies, and the ELA/ELD Framework. Specific professional development initiatives include: Culturally Responsive Practices, Critical Literacy, TK-2 Reading, Supporting Independence and Engagement through Reading and Writing, Engineering and Mathematics Inspiring Thinking Solutions, Math to the Core, Expository Reading and Writing Course, and ELD Foundations. District departments, Center for Teacher Support, grant-funded projects, and the San Juan Teacher's Association sponsor additional training opportunities. Professional development opportunities are voluntary for teachers and are provided throughout the year in a variety of formats: during the school day, after school, on Saturdays, and during summer and vacation breaks. Many teachers and administrators also take advantage of opportunities with Sacramento County Office of Education, California Department of Education, the college/university programs, state/national education organizations, and private educational institutes.

What grounds the professional development in the district is the District Strategic Plan and the Local Control Accountability Plan. Professional Development is further determined using one or more of the following: (a) student achievement data, (b) staff survey data, and (c) district-identified goals. Professional development addresses the Common Core State Standards, teaching strategies, curriculum, assessment, technology, classroom management, safety, and leadership. Administrator training accompanies professional development in district focus areas, providing implementation support for teachers on site. Content-area coaches are available at some schools. Additional classroom support is provided to new and struggling teachers by consulting teachers from the Center for Teacher Support.

Paraprofessionals are encouraged to participate in professional development at the district and site level. Specifically designed training is also offered to non-instructional support staff such as clerical and custodial staff that includes both operational and instructional topics.
