## School Accountability Report Card

### Reported Using Data from the 2017-18 School Year

#### Published During 2018-19

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC Web page at <http://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF Web page at <http://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

#### **DataQuest**

DataQuest is an online data tool located on the CDE DataQuest Web page at <http://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

#### **Internet Access**

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

## School Description and Mission Statement (School Year 2018-19)

---

### MISSION STATEMENT

Albert Schweitzer Elementary, an exemplary model of sophisticated student expression, empowers each child to collaborate and problem solve as a compassionate and highly literate 21st century citizen through innovative, research-based, instructional strategies that incorporate strong character values in partnership with families in a nurturing environment.

### SCHOOL PROFILE

Albert Schweitzer Elementary is one of 41 elementary schools in the San Juan Unified School District. The 370 students attending Schweitzer are 60% white, 24% Hispanic or Latino, 3% African American, 3% Asian, 1% American Indian, and 9% two or more races. Our school provides a comprehensive academic program based on the Common Core State Standards. Schweitzer has one SDC LH, 3rd-5th grades, and 1 CH classroom, K-2nd grades. We also have an Early Childhood Education preschool on our campus serving pre-K students with language/speech needs. Our school has a comprehensive balanced literacy program based on the reading and writer's bookshop model, critical literacy. Schweitzer Elementary utilizes the district adopted English Language Arts curriculum Benchmark for all grade levels. Our math program uses components of critical math integrated into the district's adopted math curriculum, enVision, for all grade levels. As a team of committed educators, we strive for research based professional development to enrich our instruction such as Project GLAD (guided language acquisition design) that provides learning strategies based on student collaboration that supports both English learners and English only students by accessing and mastering academic content standards. All grade levels have received responsive reading instruction with K-2nd grades completing their fourth year, working on the personalization and differentiation of reading instruction through the use of formative assessment tools, shared, and guided reading. We believe students can achieve at high levels and we tailor our instructional practices to challenge and support all students.

An important component for our students to learn is to create a safe and risk-free environment that every child feels valued and successful in school academically, socially, and emotionally. A cohort of our teachers will begin this work with implementing PBIS, Positive Behavioral Intervention and Supports, along with bringing Mindfulness activities into the classroom with school-wide professional development to deepen our learning on the multiple students' behaviors that can affect their learning.

The goal of Schweitzer School is to provide each student with a challenging and rigorous curriculum appropriate to his/her academic level. We believe every child can achieve academic success. To this end, every child is provided with quality instructional experiences which recognize, support and maintain high expectations for all students.

With parents and teachers working together as a team towards the same goal, every child will succeed. In order to give each child the best opportunity for success, we keep children first in all that we do. This is our core value and common cause.

We also believe that children need exposure to instruction via the arts. We hold a bi-weekly whole school "sing" where we sing traditional and new songs. This has been in place for many years and is a well-loved tradition of our school. PTA directs a school play every year that includes all students interested in participating. In spring a production by Starstruck, a dance program that each classroom has an individual dance routine, is performed at two night shows. Students in grade 1 through 5 have one art class and two to three PE classes per week. At Schweitzer School, we take the business of loving and teaching children seriously. Each person at our school approaches his/her task with a keen understanding of the honor that it is to be able to touch the future through our children.

**A. Conditions of Learning**

**State Priority: Basic**

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

**Teacher Credentials**

Note: "Misassignments" refers to the number of positions filled by teachers who lack legal authorization to teach that grade level, subject area, student group, etc.

\* Total Teacher Misassignments includes the number of Misassignments of Teachers of English Learners.

### Quality, Currency, Availability of Textbooks and Instructional Materials (School Year 2018-19)

Year and month in which data were collected: September, 2018

San Juan Unified held a public hearing on September 11, 2018 and determined that each school within the district had sufficient and good quality textbooks, instructional materials, or science lab equipment pursuant to the settlement of Williams vs. the State of California. All students, including English learners, are given their own individual standards-aligned textbooks or instructional materials, or both, in core subjects for use in the classroom and to take home. Textbooks and supplementary materials are adopted according to a cycle developed by the California Department of Education, making the textbooks used in the school the most current available. Materials approved for use by the State are reviewed by all teachers and a recommendation is made to the School Board by a selection committee composed of teachers and administrators. All recommended materials are available for parent examination at the district office prior to adoption. The table displays information collected in September 2018 about the quality, currency, and availability of the standards-aligned textbooks and other instructional materials used at the school. If you would like more information on the textbooks and instructional materials please visit our website: <http://www.sanjuan.edu/Page/23485> In July 2009, EC Section 60200.7. The State Board of Education has adopted frameworks for ELA/ELD, Math, Science and Social Sciences, and has identified an approved list of instructional materials available for adoption. For more information regarding San Juan's textbook adoption schedule, please visit our website:

### School Facility Conditions and Planned Improvements (Most Recent Year)

Albert Schweitzer Elementary School, constructed in 1961, was modernized during the 2000-2001 school year. The scope included: roof replacement, interior, and exterior painting, window system repair, energy-efficient heating and cooling system upgrade, new doors with handicapped accessible hardware, restroom restoration, electrical infrastructure upgrade to provide for internet, cable, telephone, new fire, intrusion, and intercom system, throughout the school. New carpet and tile was installed in most classrooms. Currently, there is sufficient space to house the student population. There are two Discovery Clubs on site. Site custodial staff clean the buildings, along with district support for major/minor repairs. The district provides gardening and landscape services on a regular schedule. Regular fire/emergency drills are held, and badges are required for all visitors and personnel. Field repair, driveway resurfacing, and irrigation system retrofit continue to be a concern. During the summer of 2008 a new portable 5-classroom wing with Boys, Girls and Staff Restrooms was constructed along with a major landscape and paving project through the Measure J Bond. During the summer of 2014, the restrooms in our main quad were updated with new concrete poured in the main hallways.

The Board of Education and the Superintendent's policy is to ensure that all students are provided with a safe and well-maintained learning environment. The board approved resolutions in 1998 and 2002 to adequately fund maintenance activities and preserve the repairs and improvements funded by two facility bond measures. The school buildings, classrooms and grounds are safe, clean and functional. An inspection of the facility was conducted in October 2018 and determined that there were no unsafe conditions that required emergency repairs. District maintenance staff ensures that the repairs necessary to keep the school in good repair and working order are completed in a timely manner. A computer automated work order process is used to ensure efficient service and that emergency repairs and health and safety repairs are given the highest priority. The Board of Education has adopted cleaning standards and custodial staffing requirements for all schools in the district. This school meets the Board's standards for custodial staffing and cleanliness. The school's custodians are trained in the proper use of cleaning chemicals and Integrated Pest Management techniques. They are managed day to day by the Principal with assistance from the district's maintenance department. The district participates in the State School Deferred Maintenance Program, with funding allocated for major repair or replacement of existing school building components. Typically, this includes roofing, plumbing, heating, air conditioning, electrical systems, interior or exterior painting, and floor systems. Annually the district budgets \$2 million dollars for deferred maintenance activities.

**School Facility Good Repair Status (Most Recent Year)**

## B. Pupil Outcomes

### State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

### CAASPP Test Results in English Language Arts/Literacy (ELA) and Mathematics for All Students Grades Three through Eight and Grade Eleven

Subject	Percent of Students Meeting or Exceeding the State Standards (grades 3-8 and 11)					
	School		District		State	
	2016-17	2017-18	2016-17	2017-18	2016-17	2017-18
English Language Arts/Literacy (grades 3-8 and 11)	39.0	51.0	44.0	45.0	48.0	50.0
Mathematics (grades 3-8 and 11)	36.0	45.0	33.0	34.0	37.0	38.0

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAAs divided by the total number of students who participated in both assessments.

### CAASPP Test Results in ELA by Student Group Grades Three through Eight and Grade Eleven (School Year 2017-18)

Student Group	Total Enrollment	Number Tested	Percent Tested	Percent Met or Exceeded
All Students	204	201	98.53	51.24
Male	101	98	97.03	45.92
Female	103	103	100.00	56.31
Black or African American	14	14	100.00	21.43
Asian	--	--	--	--
Filipino	--	--	--	--
Hispanic or Latino	38	38	100.00	50.00

White	132	129	97.73	54.26
Two or More Races	12	12	100.00	50.00
Socioeconomically Disadvantaged	102	101	99.02	37.62
English Learners	23	22	95.65	63.64
Students with Disabilities	36	35	97.22	11.43
Foster Youth	--	--	--	--

Note: ELA test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

**CAASPP Test Results in Mathematics by Student Group  
Grades Three through Eight and Grade Eleven (School Year 2017-18)**

Student Group	Total Enrollment	Number Tested	Percent Tested	Percent Met or Exceeded
All Students	204	202	99.02	45.05
Male	101	99	98.02	39.39
Female	103	103	100	50.49
Black or African American	14	14	100	7.14
Asian	--	--	--	--
Filipino	--	--	--	--
Hispanic or Latino	38	38	100	52.63
Native Hawaiian or Pacific Islander	--	--	--	--
White	132	130	98.48	48.46
Two or More Races	12	12	100	41.67
Socioeconomically Disadvantaged	102	102	100	28.43
English Learners	23	23	100	60.87
Students with Disabilities	36	35	97.22	5.71
Foster Youth	--	--	--	--

Note: Mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

**CAASPP Test Results in Science for All Students  
Grades Five, Eight, and Ten**

Subject	Percentage of Students Meeting or Exceeding the State Standard					
	School		District		State	
	2016-17	2017-18	2016-17	2017-18	2016-17	2017-18
Science (grades 5, 8, and 10)	N/A	N/A	N/A	N/A	N/A	N/A

Note: Cells with N/A values do not require data.

Note: The 2016–17 and 2017–18 data are not available. The CDE is developing a new science assessment based on the Next Generation Science Standards for California Public Schools (CA NGSS). The CAST was pilot-tested in spring 2017 and field-tested in spring 2018. The CAST will be administered operationally during the 2018–19 school year. The CAA for Science was pilot-tested for two years (i.e., 2016–17 and 2017–18) and the CAA for Science will be field-tested in 2018–19.

Note: Science test results include the CAST and the CAA for Science. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the CAST plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAA for Science divided by the total number of students who participated on both assessments.

## State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8):

- Pupil outcomes in the subject areas of physical education.

### California Physical Fitness Test Results (School Year 2017-18)

Grade Level	Percent of Students Meeting Fitness Standards		
	Four of Six Standards	Five of Six Standards	Six of Six Standards
5	20.3	17.6	35.1

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

## C. Engagement

### State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site.

### Opportunities for Parental Involvement (School Year 2018-19)

#### Parent Involvement

Schweitzer School has an extremely active Parent Teacher Association (PTA). There are approximately 70 parent volunteers working at Schweitzer on a regular basis. As a sampling, many parents help in the classroom by running small groups for reading, writing and/or math, prep materials for classroom lessons, assist the teachers with special projects, beautify the campus, drive and chaperone field trips, serve on committees, direct or assist in schoolwide plays and jog-a-thon, help at school functions such as the Fall Festival and/or Starstruck, run fundraisers for school-wide and 5th grade outdoor ed camp.

#### Contact Information

Parents or community members who wish to participate in leadership teams, school committees, school activities, or become a volunteer may contact the school secretary, Margie Yates, in the Albert Schweitzer Elementary office at 916-867-2094 or email MYates@sanjuan.edu.

### State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

### Suspensions and Expulsions

Rate	School			District			State		
	2015-16	2016-17	2017-18	2015-16	2016-17	2017-18	2015-16	2016-17	2017-18
Suspensions	1.7	1.9	3.0	5.7	5.8	5.8	3.7	3.7	3.5
Expulsions	0.0	0.0	0.0	0.1	0.1	0.1	0.1	0.1	0.1

## School Safety Plan (School Year 2018-19)

Albert Schweitzer Elementary School makes safety a top priority. The School Site Council/Safety Team last updated the comprehensive school safety plan in June, 2018 after reviewing it at a public meeting on September 25, 2017. The plan includes a review of safety data for the campus, incident response information in case of fire, earthquakes and other dangers, and details on safety policies. A copy of the plan is available for review in the school office.

Drills are held on a regular basis to include fire drills, lockdown and shelter-in-place drills, earthquake drills and intruder drills.

Safety is a shared responsibility and our school is supported by the district's Safe Schools program in coordination with the Sacramento Sheriff's Department. The Safe Schools program provides district employed safety specialists who provide safety advice, training and respond to critical incidents. They are supplemented by uniformed law enforcement officers dedicated to working with San Juan Unified schools.

## D. Other SARC Information

The information in this section is required to be in the SARC but is not included in the state priorities for LCFF.

### Average Class Size and Class Size Distribution (Elementary)

Grade Level	2015-16				2016-17				2017-18			
	Avg. Class Size	Number of Classes			Avg. Class Size	Number of Classes			Avg. Class Size	Number of Classes		
		1-20	21-32	33+		1-20	21-32	33+		1-20	21-32	33+
K	25		2		27		2		20	1	2	
1	25		2		27		2		26		2	
2	31		2		26		2		27		2	
3	26	1	2		31		2		26		2	
4	29		2		32		2		34			2
5	25	1	2		26	1	2		28	1		2
Other					14	1			23		1	

Number of classes indicates how many classes fall into each size category (a range of total students per class).

\*\* "Other" category is for multi-grade level classes.

### Academic Counselors and Other Support Staff (School Year 2017-18)

Title	Number of FTE Assigned to School	Average Number of Students per Academic Counselor
Academic Counselor		
Counselor (Social/Behavioral or Career Development)		N/A
Library Media Teacher (Librarian)	1.0	N/A
Library Media Services Staff (Paraprofessional)		N/A
Psychologist	.40	N/A
Social Worker		N/A
Nurse		N/A
Speech/Language/Hearing Specialist	1.0	N/A
Resource Specialist (non-teaching)	.60	N/A
Other		N/A

Note: Cells with N/A values do not require data.

\*One Full Time Equivalent (FTE) equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time.

**Expenditures per Pupil and School Site Teacher Salaries (Fiscal Year 2016-17)**

Level	Expenditures Per Pupil			Average Teacher Salary
	Total	Supplemental/Restricted	Basic/Unrestricted	
School Site	6684	1457	5227	\$64,091
District	N/A	N/A	\$5,013	\$76,908
Percent Difference: School Site and District	N/A	N/A	4.2	-16.8
State	N/A	N/A	\$7,125	\$80,764
Percent Difference: School Site and State	N/A	N/A	-22.8	-21.1

Note: Cells with N/A values do not require data.

The California Department of Education issued guidance to LEAs on August 1, 2018, regarding how to calculate school-level per-pupil expenditures that will be reported on 2018-19 report cards.

**Types of Services Funded (Fiscal Year 2017-18)**

The table provides a comparison of a school’s per pupil funding from unrestricted sources with other schools in the district and throughout the state.

Supplemental/Restricted expenditures come from money whose use is controlled by law or donor. Money designated for specific purposes by the district or governing board is not considered restricted. Basic/unrestricted expenditures, except for general guidelines, is not controlled by law or donor.

For detailed information on school expenditures for all districts in California, see the CDE Current Expense of Education & Per-pupil Spending Web page at <http://www.cde.ca.gov/ds/fd/ec/>. For information on teacher salaries for all districts in California, see the CDE Certificated Salaries & Benefits Web page at <http://www.cde.ca.gov/ds/fd/cs/>. To look up expenditures and salaries for a specific school district, see the Ed-Data Web site at: <http://www.ed-data.org>.

**Teacher and Administrative Salaries (Fiscal Year 2016-17)**

Category	District Amount	State Average for Districts In Same Category
Beginning Teacher Salary	\$45,492	\$47,903
Mid-Range Teacher Salary	\$77,878	\$74,481
Highest Teacher Salary	\$91,856	\$98,269
Average Principal Salary (Elementary)	\$106,389	\$123,495
Average Principal Salary (Middle)	\$111,560	\$129,482
Average Principal Salary (High)	\$135,771	\$142,414
Superintendent Salary	\$268,440	\$271,429
Percent of Budget for Teacher Salaries	36.0	35.0
Percent of Budget for Administrative Salaries	6.0	5.0

For detailed information on salaries, see the CDE Certificated Salaries & Benefits Web page at <http://www.cde.ca.gov/ds/fd/cs/>.

## Professional Development (Most Recent Three Years)

---

Professional development is a key part of the continuous improvement process for educators. The goal of our quality professional development is to support the learning of teachers and paraprofessionals to positively impact student achievement. Annually, teachers and site administrators participate in professional development in a variety of opportunities. Seventy-five minutes per week are dedicated to staff collaboration and training planned by site leadership teams. The District also provides a cycle of continuous professional development for Administrators through Principal Networks as well as Leadership Academies.

The District provides professional development opportunities for teachers and administrators that support the implementation of Common Core State Standards in English language arts, mathematics, science, social studies, and the ELA/ELD Framework. Specific professional development initiatives include: Culturally Responsive Practices, Critical Literacy, TK-2 Reading, Supporting Independence and Engagement through Reading and Writing, Math to the Core, Expository Reading and Writing Course, and ELD Foundations. District departments, Center for Teacher Support, grant-funded projects, and the San Juan Teacher's Association sponsor additional training opportunities. Professional development opportunities are voluntary for teachers and are provided throughout the year in a variety of formats: during the school day, after school, on Saturdays, and during summer and vacation breaks. Many teachers and administrators also take advantage of opportunities with Sacramento County Office of Education, California Department of Education, the college/university programs, state/national education organizations, and private educational institutes.

What grounds the professional development in the district is the District Strategic Plan and the Local Control Accountability Plan. Professional Development is further determined using one or more of the following: (a) student achievement data, (b) staff survey data, and (c) district-identified goals. Professional development addresses the Common Core State Standards, teaching strategies, curriculum, assessment, technology, classroom management, safety, and leadership. Administrator training accompanies professional development in district focus areas, providing implementation support for teachers on site. Content-area coaches are available at some schools. Additional classroom support is provided to new and struggling teachers by consulting teachers from the Center for Teacher Support.

Paraprofessionals are encouraged to participate in professional development at the district and site level. Specifically designed training is also offered to non-instructional support staff such as clerical and custodial staff that includes both operational and instructional topics.
