## School Accountability Report Card

### Reported Using Data from the 2017-18 School Year

#### Published During 2018-19

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC Web page at <http://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF Web page at <http://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

#### **DataQuest**

DataQuest is an online data tool located on the CDE DataQuest Web page at <http://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

#### **Internet Access**

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

### School Description and Mission Statement (School Year 2018-19)

---

#### Principal's Message:

Welcome to El Camino High School's Annual School Accountability Report Card. This is where you'll find valuable information about our academic achievement, professional staff, curricular and co-curricular programs, instructional materials, safety procedures, classroom environment, and condition of facilities. The community of El Camino Fundamental High School is committed to high expectations, high achievement, responsibility, and mutual respect for all students. A safe, positive environment nurtures and enables all students to reach their potential as lifelong learners and responsible, enlightened citizens. El Camino maintains academic rigor in an atmosphere that promotes respect for one another, development of personal responsibility, and readiness for the world beyond the classroom.

#### Mission Statement

Embodying the Respect, Responsibility, and Readiness inherent in our fundamental spirit and tradition, the mission of the El Camino Fundamental High School Community is to challenge and inspire each student to be a creative, life-long learner, and enlightened, contributing citizen by ensuring that students construct meaning through rigorous 21st century learning in a caring, inclusive environment.

#### School Profile

El Camino Fundamental High School is one of 9 comprehensive high schools in San Juan Unified School District. El Camino offers an academic program, aligned with California Content Standards, which is designed to prepare students for success in the workplace, in postsecondary schooling, and in citizenry. El Camino offers a full complement of Advanced Placement and Honors classes; a four year Eagle Polytechnic Institute that prepares students to enter the field of pre-engineering or technology through project-based learning in core classes; a four year AVID (Advancement Via Individual Determination) program; and a rich visual, musical, and dramatic arts program.

### Student Enrollment by Grade Level (School Year 2017-18)

Grade Level	Number of Students
Grade 9	332
Grade 10	382
Grade 11	345
Grade 12	287
Total Enrollment	1,346

**Student Enrollment by Group (School Year 2017-18)**

<b>Student Group</b>	<b>Percent of Total Enrollment</b>
Black or African American	10.1
American Indian or Alaska Native	1.0
Asian	4.1
Filipino	1.0
Hispanic or Latino	26.8
Native Hawaiian or Pacific Islander	1.0

Socioeconomically Disadvantaged	49.5
English Learners	5.3
Students with Disabilities	7.6
Foster Youth	0.1

**A. Conditions of Learning**

**State Priority: Basic**

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

**Teacher Credentials**

<b>Vacant Teacher Positions</b>	0	0	0

Note: "Misassignments" refers to the number of positions filled by teachers who lack legal authorization to teach that grade level, subject area, student group, etc.

\* Total Teacher Misassignments includes the number of Misassignments of Teachers of English Learners.

**Quality, Currency, Availability of Textbooks and Instructional Materials (School Year 2018-19)**

**Year and month in which data were collected:** September, 2018

San Juan Unified held a public hearing on September 11, 2018 and determined that each school within the district had sufficient and good quality textbooks, instructional materials, or science lab equipment pursuant to the settlement of Williams vs. the State of California. All students, including English learners, are given their own individual standards-aligned textbooks or instructional materials, or both, in core subjects for use in the classroom and to take home. Textbooks and supplementary materials are adopted according to a cycle developed by the California Department of Education, making the textbooks used in the school the most current available. Materials approved for use by the State are reviewed by all teachers and a recommendation is made to the School Board by a selection committee composed of teachers and administrators. All recommended materials are available for parent examination at the district office prior to adoption. The table displays information collected in September 2018 about the quality, currency, and availability of the standards-aligned textbooks and other instructional materials used at the school. If you would like more information on the textbooks and instructional materials please visit our website: <http://www.sanjuan.edu/Page/23485> In July 2009, EC Section 60200.7. The State Board of Education has adopted frameworks for ELA/ELD, Math, Science and Social Sciences, and has identified an approved list of instructional materials available for adoption. For more information regarding San Juan’s textbook adoption schedule, please visit our website:

### School Facility Conditions and Planned Improvements (Most Recent Year)

El Camino High School, originally constructed in 1951, has undergone two phases of modernization; one in 1998 and the second in 2004. Each classroom has a fire and intrusion monitoring alarm system, telephone, school wide all-call system, and internet drops, along with WiFi connectivity throughout most of the campus. A dedicated custodial team and maintenance custodian keep the school safe, clean and operational. Playing fields and hard court tennis courts were refurbished, and the entire school's asphalt was resurfaced in the summer of 2005. During the summer of 2005, a new Science room portable was constructed. A two-year program to renovate student restrooms throughout the school and make them ADA compliant began the summer of 2012, and was completed in Fall 2013 using Measure J funds. An HVAC system was installed in the large gym using Measure J funds in Fall, 2013. The gym was also wrapped in insulation for energy efficiency and painted. These improvements are a welcome change to our campus. Currently, in the planning stages is a new all-weather track and synthetic turf field. The project, funded by Measure N, will consist of a new all-weather running track and synthetic turf. The new running track will consist of running lanes with integral striping to accommodate official high school events. The project will include all of the necessary concrete, asphalt, drainage and fencing to support the track. Some ADA improvements may be required along with access to the existing restroom facilities. The turf field will include drainage for the field, markings for football, soccer, goal posts. Anticipated start date is May, 2014 with a targeted completion of August 2014. During Summer of 2015 had full exterior paint, all new weather strip on doors, sealed and painted the parking lot and converted to an all LED interior lighting system.

The Board of Education and the Superintendent's policy is to ensure that all students are provided with a safe and well-maintained learning environment. The board approved resolutions in 1998 and 2002 to adequately fund maintenance activities and preserve the repairs and improvements funded by two facility bond measures. The school buildings, classrooms and grounds are safe, clean and functional. An inspection of the facility was conducted in October 2018 and determined that there were no unsafe conditions that required emergency repairs. District maintenance staff ensures that the repairs necessary to keep the school in good repair and working order are completed in a timely manner. A computer automated work order process is used to ensure efficient service and that emergency repairs and health and safety repairs are given the highest priority. The Board of Education has adopted cleaning standards and custodial staffing requirements for all schools in the district. This school meets the Board's standards for custodial staffing and cleanliness. The school's custodians are trained in the proper use of cleaning chemicals and Integrated Pest Management techniques. They are managed day to day by the Principal with assistance from the district's maintenance department. The district participates in the State School Deferred Maintenance Program, with funding allocated for major repair or replacement of existing school building components. Typically, this includes roofing, plumbing, heating, air conditioning, electrical systems, interior or exterior painting, and floor systems. Annually the district budgets \$2 million dollars for deferred maintenance activities.

## B. Pupil Outcomes

### State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

### CAASPP Test Results in English Language Arts/Literacy (ELA) and Mathematics for All Students Grades Three through Eight and Grade Eleven

Subject	Percent of Students Meeting or Exceeding the State Standards (grades 3-8 and 11)					
	School		District		State	
	2016-17	2017-18	2016-17	2017-18	2016-17	2017-18
English Language Arts/Literacy (grades 3-8 and 11)	61.0	57.0	44.0	45.0	48.0	50.0
Mathematics (grades 3-8 and 11)	31.0	40.0	33.0	34.0	37.0	38.0

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAAs divided by the total number of students who participated in both assessments.

### CAASPP Test Results in ELA by Student Group Grades Three through Eight and Grade Eleven (School Year 2017-18)

Student Group	Total Enrollment	Number Tested	Percent Tested	Percent Met or Exceeded
All Students	326	323	99.08	56.66
Male	169	168	99.41	50.60
Female	157	155	98.73	63.23
Black or African American	27	25	92.59	20.00

Socioeconomically Disadvantaged	146	143	97.95	35.66
English Learners	31	31	100.00	12.90
Students with Disabilities	19	19	100.00	15.79

Note: ELA test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

**CAASPP Test Results in Mathematics by Student Group  
Grades Three through Eight and Grade Eleven (School Year 2017-18)**

English Learners	31	31	100	6.45
Students with Disabilities	19	17	89.47	11.76

Note: Mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

**CAASPP Test Results in Science for All Students  
Grades Five, Eight, and Ten**

Subject	Percentage of Students Meeting or Exceeding the State Standard					
	School		District		State	
	2016-17	2017-18	2016-17	2017-18	2016-17	2017-18
Science (grades 5, 8, and 10)	N/A	N/A	N/A	N/A	N/A	N/A

Note: Cells with N/A values do not require data.

Note: The 2016–17 and 2017–18 data are not available. The CDE is developing a new science assessment based on the Next Generation Science Standards for California Public Schools (CA NGSS). The CAST was pilot-tested in spring 2017 and field-tested in spring 2018. The CAST will be administered operationally during the 2018–19 school year. The CAA for Science was pilot-tested for two years (i.e., 2016–17 and 2017–18) and the CAA for Science will be field-tested in 2018–19.

Note: Science test results include the CAST and the CAA for Science. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the CAST plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAA for Science divided by the total number of students who participated on both assessments.

## Career Technical Education Programs (School Year 2017-18)

---

San Juan Unified defines their career paths following the strict criteria set within the Perkins Act and/or the California Partnership guidelines. The CTE department collects data on the number of students moving through our local sequences. Some CTE courses, because of the time requirements, internship element and industry standards they meet, are defined as a sequence within themselves. Introductory CTE courses are found throughout our schools, concentrators are students who take a second level course within the same career path, and students are referred to as completers when they complete a sequence of courses leading to certification, employability, and/or further technical training. Capstone courses are defined as completer based on length of course, sequence, and skill development.

The CTE capstone course leads to a certificate/industry skill sheet or license if applicable. The program also provides the student with academic and technical knowledge and skill through integrated academic and technical instruction. The programs prepare students to enter current or emerging careers for further training within the career path for which there is gainful employment. All students are provided practical experiences to pursue post high school employment and gain course work that is A-G compliant.

San Juan Unified also provides students career preparation through enrollment in California Partnership Academies. We have three California Partnership Academies in the areas of: business–finance/entrepreneurship, pre-engineering/product innovation, and Sports Careers and Opportunities in Recreation (SCORE). Our schools have numerous career paths opportunities beyond the state funded California Partnership Academy.

At El Camino Fundamental High School we are proud to have the Eagle Polytechnic Institute which is a 4-year Academy for students interested in a variety of Product Innovation disciplines. Coursework includes metals, computer drafting and engineering. All courses offered through the Eagle Polytechnic Institute are A-G compliant. The advanced courses offer up to 9 units of college credit at the CSU and community college level. Students work on interdisciplinary projects designed to bring all facets of their education together in collaborative work meeting the goals of providing a 21st Century education. This integrated approach helps to support student achievement as all Academy teachers work closely together planning curriculum and assessing the learning of their Academy students while providing for hands-on experiences that enrich their education.

El Camino Fundamental offers the following CTE pathways and courses:

### Graphic Production Technologies Pathway

- Computer Assisted Design Drafting I
- Computer Assisted Design Drafting II (capstone completion course)

### Multimedia Production Pathway

- Radio and TV
- Directed Project: Radio
- Directed Project: Television (capstone completion course)

### Product Innovation and Design Pathway

- Manufacturing Metals I
- Manufacturing Metals II
- Manufacturing Metals III (capstone completion course)

### Eagle Polytechnic Institute Academy

- Pre Engineering Technology I
- Pre Engineering Technology II
- Pre Engineering Technology III (capstone completion course)

CTE courses held at various high schools within San Juan Unified open to El Camino Fundamental students:

- Auto Maintenance and Light Repair I
- Auto Maintenance and Light Repair II
- Bakery Academy
- Broadcast and Video Production
- Construction Technology
- Culinary Arts
- Dental Careers

- Medical Assistant
- Public Safety Careers

How does this class support student achievement?

When students experience CTE courses they have the opportunity to see the relationship between applied academic standards and the real world. Students find purpose in their studies and are provided an opportunity to apply their academic and industry skills to every day problems.

How does the school address the needs of all students in career preparation?

Through the IEP process special education students may be scheduled into CTE courses. Students are provided the support and necessary curriculum modification as outlined in the IEP. CTE provides extended testing time, extra assignment time and support where appropriate. Since our CTE courses work to integrate and support the academic standards, the students will be exposed to “hands on” activities and participate in solving real life problems. The school counselor work with each enrolled student to create a 4-year plan designed to prepare them for their future college and career aspirations.

How are the courses evaluated for effectiveness?

The capacity to serve a “significant” number of students and the degree to which the program attains specific outcomes are assessed yearly. Completion rates, graduation rates, along with completion of a sequence are all evaluated yearly. The number of completion certificates issued and the attainment of specific industry skills is analyzed. Data on attendance is also collected.

**Career Technical Education Participation (School Year 2017-18)**

Measure	CTE Program Participation
Number of pupils participating in CTE	204
% of pupils completing a CTE program and earning a high school diploma	65
% of CTE courses sequenced or articulated between the school and institutions of postsecondary education	100

**Courses for University of California (UC) and/or California State University (CSU) Admission**

UC/CSU Course Measure	Percent
2017–18 Pupils Enrolled in Courses Required for UC/CSU Admission	98.1
2016–17 Graduates Who Completed All Courses Required for UC/CSU Admission	53.1

**State Priority: Other Pupil Outcomes**

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8):

- Pupil outcomes in the subject areas of physical education.

**California Physical Fitness Test Results (School Year 2017-18)**

Grade Level	Percent of Students Meeting Fitness Standards		
	Four of Six Standards	Five of Six Standards	Six of Six Standards
9	16.8	23.5	39.0

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

## C. Engagement

### State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site.

#### Opportunities for Parental Involvement (School Year 2018-19)

El Camino enjoys the benefits of a supportive community and dedicated parents. Numerous opportunities, both informal and formal, exist at El Camino that provide ties between the school and the community. The following organizations provide ongoing, formal support of and connection with El Camino:

- Athletic Boosters Club
- PTSA (Parent Teacher Student Association)
- Performing Arts Boosters Club
- School Site Council
- Key Club in partnership with Kiwanis Club
- Community service components in athletic and student activity organizations
- ELAC (English Learners Advisory Committee)
- Strategic Planning Team
- El Camino Alumni Association
- Site Strategic Planning Committee and action teams
- WASC Focus Group participation

Please contact Principal's secretary, Krista Kunert, by phone at (916) 971-7426 or by email at [krista.kunert@sanjuan.edu](mailto:krista.kunert@sanjuan.edu) for more information on how to become involved with any of these groups. **State Priority: School Climate**

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

**Suspensions and Expulsions**

Rate	School			District			State		
	2015-16	2016-17	2017-18	2015-16	2016-17	2017-18	2015-16	2016-17	2017-18

**School Safety Plan (School Year 2018-19)**

El Camino Fundamental High School makes safety a top priority. The School Site Council/Safety Team last updated the comprehensive school safety plan on 2/13/18 after reviewing it at a public meeting on 2/13/18. The plan includes a review of safety data for the campus, incident response information in case of fire, earthquakes and other dangers, and details on safety policies. A copy of the plan is available for review in the school office.

Drills are held on a regular basis to include fire drills, earthquake drills and intruder drills.

Safety is a shared responsibility and our school is supported by the district’s Safe Schools program in coordination with the Sacramento Sheriff’s Department and Citrus Heights Police Department. The Safe Schools program provides district employed safety specialists who provide safety advice, training and respond to critical incidents. They are supplemented by uniformed law enforcement officers dedicated to working with San Juan Unified schools.

**Average Class Size and Class Size Distribution (Secondary)**

Subject	2015-16			2016-17			2017-18					
	Avg. Class Size	Number of Classrooms			Avg. Class Size	Number of Classrooms			Avg. Class Size	Number of Classrooms		
		1-22	23-32	33+		1-22	23-32	33+		1-22	23-32	33+
English	27.0	17	14	30	27.0	16	23	21	26.0	17	20	20

The California Department of Education issued guidance to LEAs on August 1, 2018, regarding how to calculate school-level per-pupil expenditures that will be reported on 2018-19 report cards.

## Types of Services Funded (Fiscal Year 2017-18)

The table provides a comparison of a school's per pupil funding from unrestricted sources with other schools in the district and throughout the state.

Supplemental/Restricted expenditures come from money whose use is controlled by law or donor. Money designated for specific purposes by the district or governing board is not considered restricted. Basic/unrestricted expenditures, except for general guidelines, is not controlled by law or donor.

## Professional Development (Most Recent Three Years)

---

Professional development is a key part of the continuous improvement process for educators. The goal of our quality professional development is to support the learning of teachers and paraprofessionals to positively impact student achievement. Annually, teachers and site administrators participate in professional development in a variety of opportunities. Seventy-five minutes per week are dedicated to staff collaboration and training planned by site leadership teams. The District also provides a cycle of continuous professional development for Administrators through Principal Networks as well as Leadership Academies.

The District provides professional development opportunities for teachers and administrators that support the implementation of Common Core State Standards in English language arts, mathematics, science, social studies, and the ELA/ELD Framework. Specific professional development initiatives include: Culturally Responsive Practices, Critical Literacy, TK-2 Reading, Supporting Independence and Engagement through Reading and Writing, Math to the Core, Expository Reading and Writing Course, and ELD Foundations. District departments, Center for Teacher Support, grant-funded projects, and the San Juan Teacher's Association sponsor additional training opportunities. Professional development opportunities are voluntary for teachers and are provided throughout the year in a variety of formats: during the school day, after school, on Saturdays, and during summer and vacation breaks. Many teachers and administrators also take advantage of opportunities with Sacramento County Office of Education, California Department of Education, the college/university programs, state/national education organizations, and private educational institutes.

What grounds the professional development in the district is the District Strategic Plan and the Local Control Accountability Plan. Professional Development is further determined using one or more of the following: (a) student achievement data, (b) staff survey data, and (c) district-identified goals. Professional development addresses the Common Core State Standards, teaching strategies, curriculum, assessment, technology, classroom management, safety, and leadership. Administrator training accompanies professional development in district focus areas, providing implementation support for teachers on site. Content-area coaches are available at some schools. Additional classroom support is provided to new and struggling teachers by consulting teachers from the Center for Teacher Support.

Paraprofessionals are encouraged to participate in professional development at the district and site level. Specifically designed training is also offered to non-instructional support staff such as clerical and custodial staff that includes both operational and instructional topics.
