School Accountability Report Card

Reported Using Data from the 2017-18 School Year

Published During 2018-19

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC Web page at <http://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF Web page at <http://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest Web page at <http://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

School Description and Mission Statement (School Year 2018-19)

Principal's Message:

Welcome to Greer Elementary, located in the city of Sacramento! We are a kindergarten through 5th grade neighborhood school, filled with a diversity of languages, cultures, and backgrounds. We strive to instill courage and respect in all of our students, with a high commitment to education, innovation, and life-long learning. Our staff is committed to valuing, educating, and inspiring all students through comprehensive personalized instruction, collaboration, and positive character development. We utilize research-based instructional practices and analyze academic data to determine each student's current strengths, skill levels, and next targets for continuous growth. We believe that all students possess greatness and our staff works hard to instill that belief in our students each and every day.

Greer Elementary will work with all stakeholders to ensure we:

- Design and implement comprehensive personalized instruction that inspires students, integrates technology, and uses data from multiple measures to target and scaffold based on individual student needs
- Create a unified community of collaborators including families, staff, and students where all voices are heard and respected to support individualized student achievement
- Identify, model, and integrate positive character traits to help our students become problem solvers and productive citizens in a diverse community

Mission Statement:

Greer Elementary, a diverse and inclusive community of lifelong learners and innovative problem solvers, in partnership with staff, families, and community, will educate and inspire each of our students to be persistent and inquisitive learners, who use critical thinking skills and effective collaboration to become responsible, productive, and compassionate citizens through rigorous and comprehensive instruction, positive character development, and personalized learning that affords all students the ability to reach their fullest potential.

Shared Beliefs:

- Education is the shared responsibility of students, families, teachers, staff, and community
- Nurturing relationships and healthy environments are necessary for individuals to thrive
- Honesty and integrity are essential to building trusting relationships
- Diversity is a valuable asset that strengthens and enriches our community
- Students learn in different ways and at varied paces

School Profile:

Our shared commitment at Greer is to give each of our student's important meaningful instruction that will expand their opportunities. We want to enable them to know and use their strengths. We want our students to build from those strengths and learn to face academic and social challenges with a strong sense of efficacy. The 520 students attending Greer are 31% Hispanic/Latino, 30% African American, 22% White, 9% Asian/Asian American, and 8% other ethnicities. 40% of our students are English Language Learners, with Spanish as a primary language, and 98% of our students are socioeconomically disadvantaged. As a staff we are committed to ongoing professional development for teachers and paraprofessionals. We believe we can make a difference in students' lives. We know that ongoing teacher growth and reflection will result in greater academic results for our students.

Because literacy, mathematics, and social skills form the foundation for future success in both academic and employment pursuits, we put tremendous emphasis on instruction in all three areas.

LITERACY:

Greer is focused on a school-wide implementation of comprehensive balanced literacy instruction driven by Common Core standards through the use of a Gradual Release model of instruction.

Greer's Comprehensive Balanced Literacy instruction includes:

- Personalized, leveled reading and writing instruction for all students. Groups are flexible and assessment is ongoing to make sure students are working at their instructional level throughout the school year.
- All students participate in high level, meaningful discussions with grade level literature.
- All students are taught comprehension strategies that enable them to read challenging text.
- All students are encouraged to read a wide-range of genres and text types, as well as books of their choice.
- All students are explicitly taught phonics appropriate to their instructional level.
- All students are taught about the writing process through student generated writing topics, response to literature, peer and teacher editing, and completed pieces which are shared with others.

MATH:

Our mathematics program is focused on the development of mathematical power and is based on Common Core standards. Our curriculum includes problem solving investigations, mathematical concepts formation through concrete and abstract methods, basic understanding of math facts, and the ability to relate classroom learning with real life applications. Students articulate their mathematical thinking orally and in writing, both individually and collaboratively.

SOCIAL SKILLS:

Greer is a Positive Behavioral Intervention and Supports (PBIS) school. One of the foremost advances in our school-wide discipline is the emphasis on school-wide systems of support that include proactive strategies for defining, teaching, and supporting appropriate student behaviors to create positive school environments. Instead of using a piecemeal approach of individual behavioral management plans, a continuum of positive behavior support for all students within a school is implemented in areas including the classroom and non-classroom settings (such as hallways, buses, and restrooms). PBIS is a proactive approach to establishing the behavioral supports and social culture and needed for all students in a school to achieve social, emotional and academic success. Attention is focused on creating and sustaining primary (school-wide), secondary (classroom), and tertiary (individual) systems of support that improve lifestyle results (personal, health, social, family, work, recreation) for all youth by making targeted misbehavior less effective, efficient, and relevant, and desired behavior more functional. Additionally, we provide character education and utilize Second Step curriculum to help students deal with feelings, problem-solving, and conflict resolution. We also have full-time counselors who help work with students individually and in small groups, to help provide emotional support and promote social skills instruction.

OTHER IMPORTANT PROGRAMS AT GREER:

- Collaborative teaching model with Title I, Special Education and Language Specialist support teachers
- High-quality English Language Learner Program that provides small-group, explicit instruction based on language proficiency levels
- Smaller class sizes for ability leveled reading program
- Targeted Intervention groups for students performing below grade level
- Science, Technology, Art, Music instruction
- Field Trips & Enrichment Explorations
- Student Leadership Ambassador Program
- BRIDGES after school tutoring and homework program
- Professional Development School Partnership with California State University, Sacramento
- Before/ After School Tutoring opportunities
- Teacher Inquiry Groups
- Family Learning Nights
- School-wide community-building programs, including Character Education and Second Step
- Community gardening projects
- Attendance Incentive Program
- Wireless Technology supporting teacher workstations and digital classroom implementation
- School-wide Positive Behavior Support Program (PBIS/Climate Committee)
- Enrichment Clubs and Activities (Yoga, Robotics, Chess, Coding, Dance/Cheer, Basketball, Soccer, Baking, Arts & Crafts, etc.)
- Structured Recess Opportunities
- Community Partnerships

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

Quality, Currency, Availability of Textbooks and Instructional Materials (School Year 2018-19)

Year and month in which data were collected: September, 2018

San Juan Unified held a public hearing on September 11, 2018 and determined that each school within the district had sufficient and good quality textbooks, instructional materials, or science lab equipment pursuant to the settlement of Williams vs. the State of California. All students, including English learners, are given their own individual standards-aligned textbooks or instructional materials, or both, in core subjects for use in the classroom and to take home. Textbooks and supplementary materials are adopted according to a cycle developed by the California Department of Education, making the textbooks used in the school the most current available. Materials approved for use by the State are reviewed by all teachers and a recommendation is made to the School Board by a selection committee composed of teachers and administrators. All recommended materials are available for parent examination at the district office prior to adoption. The table displays information collected in September 2018 about the quality, currency, and availability of the standards-aligned textbooks and other instructional materials used at the school. If you would like more information on the textbooks and instructional materials please visit our website: <http://www.sanjuan.edu/Page/23485> In July 2009, EC Section 60200.7. The State Board of Education has adopted frameworks for ELA/ELD, Math, Science and Social Sciences, and has identified an approved list of instructional materials available for adoption. For more information regarding San Juan's textbook adoption schedule, please visit our website:

School Facility Conditions and Planned Improvements (Most Recent Year)

Greer Elementary School, originally constructed in 1953, was modernized during the 1997-1998 school year. Currently, there is sufficient space to house the student population. Site custodial staff clean the buildings, along with district support for major/minor repairs. The district provides gardening and landscape services on a regular schedule. Regular fire/emergency drills are held, and badges are required for all visitors and personnel. Driveway resurfacing, asphalt restoration between classroom wings, and irrigation system retrofit was upgraded in 2010, funded through Measure J. Additionally, the campus received new landscaping and irrigation; a 2 classroom portable was replaced and a shade structure was built on the front of the school. The student restrooms were renovated during the summer of 2011. In addition, a site-wide low voltage upgrade was completed Fall 2013 using Measure J funds. This included intercoms, fire and intrusion alarms.

The Board of Education and the Superintendent's policy is to ensure that all students are provided with a safe and well-maintained learning environment. The board approved resolutions in 1998 and 2002 to adequately fund maintenance activities and preserve the repairs and improvements funded by two facility bond measures. The school buildings, classrooms and grounds are safe, clean and functional. An inspection of the facility was conducted in August 2016 and determined that there were no unsafe conditions that required emergency repairs. District maintenance staff ensures that the repairs necessary to keep the school in good repair and working order are completed in a timely manner. A computer automated work order process is used to ensure efficient service and that emergency repairs and health and safety repairs are given the highest priority. The Board of Education has adopted cleaning standards and custodial staffing requirements for all schools in the district. This school meets the Board's standards for custodial staffing and cleanliness. The school's custodians are trained in the proper use of cleaning chemicals and Integrated Pest Management techniques. They are managed day to day by the Principal with assistance from the district's maintenance department. The district participates in the State School Deferred Maintenance Program, with funding allocated for major repair or replacement of existing school building components. Typically, this includes roofing, plumbing, heating, air conditioning, electrical systems, interior or exterior painting, and floor systems. Annually the district budgets \$2 million dollars for deferred maintenance activities.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

**CAASPP Test Results in English Language Arts/Literacy (ELA) and Mathematics for All Students
Grades Three through Eight and Grade Eleven**

Subject	Percent of Students Meeting or Exceeding the State Standards (grades 3-8 and 11)					
	School		District		State	
	2016-17	2017-18	2016-17	2017-18	2016-17	2017-18
English Language Arts/Literacy (grades 3-8 and 11)	24.0	17.0	44.0	45.0	48.0	50.0
Mathematics (grades 3-8 and 11)	21.0	18.0	33.0	34.0	37.0	38.0

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAAs divided by the total number of students who participated in both assessments.

**CAASPP Test Results in ELA by Student Group

The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

Note: Cells with N/A values do not require data.

Note: The 2016–17 and 2017–18 data are not available. The CDE is developing a new science assessment based on the Next Generation Science Standards for California Public Schools (CA NGSS). The CAST was pilot-tested in spring 2017 and field-tested in spring 2018. The CAST will be administered operationally during the 2018–19 school year. The CAA for Science was pilot-tested for two years (i.e., 2016–17 and 2017–18) and the CAA for Science will be field-tested in 2018–19.

Note: Science test results include the CAST and the CAA for Science. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the CAST plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAA for Science divided by the total number of students who participated on both assessments.

State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8):

- Pupil outcomes in the subject areas of physical education.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site.

Opportunities for Parental Involvement (School Year 2018-19)

Greer School recognizes parents as integral partners and advocates for the education of all children. Our parents are key in planning and implementing our school program. Parents actively participate in school governance through membership on the School Site Council (SSC), and English Language Advisory Committee (ELAC). Throughout the year, learning about curriculum takes place at Family Learning Nights, focusing on literacy, math, science, testing, technology, writing, and cultures. Parent volunteers support the school program by working in the classrooms, chaperoning on field trips, and participating in school events. An events calendar inviting parents is distributed in the monthly parent newsletter. Teachers communicate through classroom newsletters, messaging apps, email, and voicemail. A parent resource board informs families of school and community events and provides resources for parents. The school uses voice mail, Language Line Translation Services, School Messenger, Facebook, and our school website to promote two way communication. The learning community of Greer believes that home and school partnerships are the foundation of student success.

Parents or community members who wish to participate in leadership teams, school committees, school activities, or become a volunteer may contact the interim principal, Mrs. Amy Rovai Gregory, at Greer Elementary School at (916) 566-2157 or (916) 971-7800.

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

Suspensions and Expulsions

Rate	School			District			State		
	2015-16	2016-17	2017-18	2015-16	2016-17	2017-18	2015-16	2016-17	2017-18

Expulsions	0.0	0.0	0.0	0.1	0.1	0.1	0.1	0.1	0.1

School Safety Plan (School Year 2018-19)

Greer Elementary School makes safety a top priority. The School Site Council/Safety Team last updated the comprehensive school safety plan on February 12, 2018 after reviewing it at a public meeting on February 12, 2018. The plan includes a review of safety data for the campus, incident response information in case of fire, earthquakes and other dangers, and details on safety policies. A copy of the plan is available for review in the school office.

Drills are held on a regular basis to include fire drills, earthquake drills and intruder drills. Safety procedures are reviewed at each monthly Staff Meeting and communicated with parents monthly. Safety is a shared responsibility and our school is supported by the district's Safe Schools program in coordination with the Sacramento Sheriff's Department and Citrus Heights Police Department. The Safe Schools program provides district employed safety specialists who provide safety advice, training and respond to critical incidents. They are supplemented by uniformed law enforcement officers dedicated to working with San Juan Unified schools.

D. Other SARC Information

The information in this section is required to be in the SARC but is not included in the state priorities for LCFF.

The California Department of Education issued guidance to LEAs on August 1, 2018, regarding how to calculate school-level per-pupil expenditures that will be reported on 2018-19 report cards.

Types of Services Funded (Fiscal Year 2017-18)

The table provides a comparison of a school’s per pupil funding from unrestricted sources with other schools in the district and throughout the state.

Supplemental/Restricted expenditures come from money whose use is controlled by law or donor. Money designated for specific purposes by the district or governing board is not considered restricted. Basic/unrestricted expenditures, except for general guidelines, is not controlled by law or donor.

For detailed information on school expenditures for all districts in California, see the CDE Current Expense of Education & Per-pupil Spending Web page at <http://www.cde.ca.gov/ds/fd/ec/>. For information on teacher salaries for all districts in California, see the CDE Certificated Salaries & Benefits Web page at <http://www.cde.ca.gov/ds/fd/cs/>. Professional Development (Most Recent Three Years)

Professional development is a key part of the continuous improvement process for educators. The goal of our quality professional development is to support the learning of teachers and paraprofessionals to positively impact student achievement. Annually, teachers and site administrators participate in professional development in a variety of opportunities. Seventy-five minutes per week are dedicated to staff collaboration and training planned by site leadership teams. The District also provides a cycle of continuous professional development for Administrators through Principal Networks as well as Leadership Academies.

The District provides professional development opportunities for teachers and administrators that support the implementation of Common Core State Standards in English language arts, mathematics, science, social studies, and the ELA/ELD Framework. Specific professional development initiatives include: Culturally Responsive Practices, Critical Literacy, TK-2 Reading, Supporting Independence and Engagement through Reading and Writing, Math to the Core, Expository Reading and Writing Course, and ELD Foundations. District departments, Center for Teacher Support, grant-funded projects, and the San Juan Teacher's Association sponsor additional training opportunities. Professional development opportunities are voluntary for teachers and are provided throughout the year in a variety of formats: during the school day, after school, on Saturdays, and during summer and vacation breaks. Many teachers and administrators also take advantage of opportunities with Sacramento County Office of Education, California Department of Education, the college/university programs, state/national education organizations, and private educational institutes.

What grounds the professional development in the district is the District Strategic Plan and the Local Control Accountability Plan. Professional Development is further determined using one or more of the following: (a) student achievement data, (b) staff survey data, and (c) district-identified goals. Professional development addresses the Common Core State Standards, teaching strategies, curriculum, assessment, technology, classroom management, safety, and leadership. Administrator training accompanies professional development in district focus areas, providing implementation support for teachers on site. Content-area coaches are available at some schools. Additional classroom support is provided to new and struggling teachers by consulting teachers from the Center for Teacher Support.

Paraprofessionals are encouraged to participate in professional development at the district and site level. Specifically designed training is also offered to non-instructional support staff such as clerical and custodial staff that includes both operational and instructional topics.
