

# San Juan High School

## School Accountability Report Card

### Reported Using Data from the 2018-19 School Year

#### Published During 2019-20

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

#### **DataQuest**

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

#### **Internet Access**

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

## **About This School**

## School Description and Mission Statement (School Year 2019-20)

The mission statement for San Juan High School is as follows:

San Juan High School will educate and empower students to compete and achieve in a diverse global community.

The vision statement for San Juan High School is:

San Juan High School is committed to focusing on high expectations and individual academic success and to creating a community of respect and responsibility.

### SCHOOL PROFILE

**Community:** San Juan High School, which opened in 1913, is located in the city of Citrus Heights, northeast of the state capitol, Sacramento, California. The student population is 41% Hispanic, 38% White, 15% African American and 16% other. 12% of the student population are English Language Learners (ELL). Just over 82% of students receive free/reduced lunch.

**School:** San Juan High School is a comprehensive public school of approximately 604 students in grades 9-12, and holds a six-year accreditation from the Western Association of Schools and Colleges. Most students are required to participate in a career pathway while completing California's University of California/California State University A-G college preparatory requirements. Starting with the graduating class of 2013 all students are required to take a freshman academy class. This class introduces students to the four career pathways: Construction Technology; Hospitality Management; Media Production, and Transportation Technology. At the end of the freshman year, students are interviewed for a pathway to begin their sophomore year and continue with a progression of classes through senior year. All pathways courses, depending on the grade level, are approved A-G by the University of California system and can be used to apply for 4-year colleges. In addition Transportation Technology at the junior and senior level allow students to be co-enrolled at American River College for college credit.

The Construction Technology pathway leads to a skills certificate, job placement or higher education opportunities. Graduates will be well prepared to work or continue their education in architecture, building inspection technology, or construction management. Students will learn carpentry technology, blueprint reading, land preparation, basic plumbing and electrical installations, roofing as well as safety and first-aid procedures.

The Hospitality Management pathway allows students to earn college credits towards a food service and management or culinary arts degree at Johnson and Wales University and the Culinary Institute of America. The Bakery Academy is recognized statewide and offers students a chance to create works of art and gain experience leading these students to entry-level and advanced job opportunities.

The Media Production pathway offers a chance to learn essential graphic design tools used to produce videos, create digital animation and learn what it takes to manage the creative process from concept development, to marketing and production. Students will take advantage of the latest hardware and software, and have the opportunity to produce real world projects for professional clients.

The Transportation Technology pathway provides instruction and hands-on experience with the operation of repair facilities, repair skills for National Automotive Technicians Education Foundation (NATEF) specialties, and installation methods for aftermarket electronics. Paid work and internships are part of the program, offering students valuable work experience and an entry into the profession. The program leads to Automotive Service Excellence and Regional Occupation Program skill certificates and will prepare students to continue their education in automotive engineering, diesel mechanics, or transportation research and design.

Students that are focusing on qualifying for 4-year college/university admissions are encouraged to enroll in the AVID (Advancement Via Individual Determination) program. AVID was founded on the belief that acceleration, academic challenge, and support are the basic principles for helping students succeed academically.

Student activities include, but are not limited to, student government, yearbook, band, drama, athletics, and the ASSETs (After School Safety and Enrichment for Teens) program where students are assisted with tutoring and can participate in clubs for up to three hours after school each day.

School Staffing: The professional staff consists of; three full time administrators, three full time counselors, 36 full-time teachers, 5 full-time special education teachers, 2 full time bilingual instructional assistants, one part-time speech and language specialist, one part-time psychologist, and one full time library/media specialist.

Grading Standards: Classes are graded on a four-point scale of A=4, B=3, C=2, D=1, and F=0. Advanced Placement courses add one grade point for each class with a “C” grade or better. Both weighted and un-weighted grades are reflected on the transcript, as well as a state GPA, which excludes all ninth grade, and physical education grades. All courses attempted are listed on the transcript. In cases where a course is repeated, only the higher grade is calculated into the GPA.

Curriculum & Graduation Requirements: Graduation requirements include four years of English, one year of visual/performing art, two years of science, three and one-half years of social science, one year of high math (Integrated Math 1 and above), and one additional year of math. Students are also encouraged to complete a sequence of career pathway courses, and UC/CSU A-G requirements.

Students are enrolled in seven classes on a traditional schedule for each semester (18 weeks). Most classes are required for both fall and spring semesters. Each day student’s attend seven classes that meet for 53 minutes each.

Advanced Placement Calculus courses are offered to all qualified students regardless of grade level. AP U.S. History and English Language & Composition are available to all juniors. AP English Literature and AP US Government and Politics is available to all seniors, and AP Biology is available to all juniors and seniors who have completed biology and chemistry. This is our first year offering AP World History to sophomores and AP Psychology to seniors as an elective.

**Student Enrollment by Grade Level (School Year 2018-19)**

Grade Level	Number of Students
Grade 9	158
Grade 10	147
Grade 11	145
Grade 12	170
Total Enrollment	620

## Student Enrollment by Group (School Year 2018-19)

Student Group	Percent of Total Enrollment
Black or African American	12.3
American Indian or Alaska Native	0.8
Asian	1.3
Filipino	1.5
Hispanic or Latino	40.6
Native Hawaiian or Pacific Islander	0.6
White	37.7
Two or More Races	4.4
Socioeconomically Disadvantaged	78.1
English Learners	11.6
Students with Disabilities	18.5
Foster Youth	2.3
Homeless	14.8

## A. Conditions of Learning

### State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

### Teacher Credentials

Teachers	School 2017-18	School 2018-19	School 2019-20	District 2019-20
With Full Credential	38	39	35	1976
Without Full Credential	1	0	1	56
Teaching Outside Subject Area of Competence (with full credential)	3	0	0	0

### Teacher Misassignments and Vacant Teacher Positions

Indicator	2017-18	2018-19	2019-20
Misassignments of Teachers of English Learners	0	0	0
Total Teacher Misassignments*	0	0	0
Vacant Teacher Positions	0	0	0

Note: "Misassignments" refers to the number of positions filled by teachers who lack legal authorization to teach that grade level, subject area, student group, etc.

\*Total Teacher Misassignments includes the number of Misassignments of Teachers of English Learners.

## Quality, Currency, Availability of Textbooks and Instructional Materials (School Year 2019-20)

**Year and month in which data were collected:** September, 2018

San Juan Unified held a public hearing on September 25, 2018 and determined that each school within the district had sufficient and good quality textbooks, instructional materials, or science lab equipment pursuant to the settlement of Williams vs. the State of California. All students, including English learners, are given their own individual standards-aligned textbooks or instructional materials, or both, in core subjects for use in the classroom and to take home. Textbooks and supplementary materials are adopted according to a cycle developed by the California Department of Education, making the textbooks used in the school the most current available. Materials approved for use by the State are reviewed by all teachers and a recommendation is made to the School Board by a selection committee composed of teachers and administrators. All recommended materials are available for parent examination at the district office prior to adoption. The table displays information collected in September 2018 about the quality, currency, and availability of the standards-aligned textbooks and other instructional materials used at the school. If you would like more information on the textbooks and instructional materials please visit our website: <http://www.sanjuan.edu/Page/23485> In July 2009, EC Section 60200.7. The State Board of Education has adopted frameworks for ELA/ELD, Math, Science and Social Sciences, and has identified an approved list of instructional materials available for adoption. For more information regarding San Juan’s textbook adoption schedule, please visit our website: <http://www.sanjuan.edu/cms/lib8/CA01902727/Centricity/Domain/140/Textbook%20Piloting%20adoption%20Schedule.pdf>.

## School Facility Conditions and Planned Improvements (Most Recent Year)

The first phases of the current modernization at San Juan High School began in the spring of 2009. San Juan High School has sufficient classrooms to house the student population. Each classroom has fire and intrusion monitoring and alarms, a telephone, television, and internet connections. The site custodial/maintenance team works diligently to keep the campus clean and operational. The District continues to provide gardening and landscape maintenance as well as support to keep the major systems such as plumbing, electrical, heating and air conditioning, etc., functioning. Staff and community members still share concerns about the condition of San Juan High School's driveways, parking lots and athletic fields. In 2005, under the local Measure J Bond, the science rooms were upgraded with cabinets, counters, power, gas, flooring and painted. The summer 2009 was the start of a 5 year remodel which linked to the new San Juan High curriculum program. This project was funded by multiple sources including Measure-S and Measure-J bonds. Projects included the completion of renovated auto, engineering and construction buildings, digital media/TV studios, a new 10,000 sq ft culinary building, upgraded and new infrastructure including electrical, plumbing, and data lines, and landscaping including new front fencing, walkways, plants, parking lots, and lighting all around the campus. Additionally, all classrooms were fitted with an integrated audio/visual system which included a ceiling mounted digital projector, screen, audio speakers, and an integrated wall-mounted control panel. The new administration building was completed in December 2011. The auditorium was opened in November of 2012. Winter 2013/Spring 2014, the Performing Arts Theater, through Measure J funds, received a complete renovation including walls, flooring, interior painting, renovation of theater seating, stage, lighting, sound system, foyer doors, path of travel, ADA access.

The Board of Education and the Superintendent's policy is to ensure that all students are provided with a safe and well-maintained learning environment. The board approved resolutions in 1998 and 2002 to adequately fund maintenance activities and preserve the repairs and improvements funded by two facility bond measures. The school buildings, classrooms and grounds are safe, clean and functional. An inspection of the facility was conducted in September 2019 and determined that there were no unsafe conditions that required emergency repairs. District maintenance staff ensures that the repairs necessary to keep the school in good repair and working order are completed in a timely manner. A computer automated work order process is used to ensure efficient service and that emergency repairs and health and safety repairs are given the highest priority. The Board of Education has adopted cleaning standards and custodial staffing requirements for all schools in the district. This school meets the Board's standards for custodial staffing and cleanliness. The school's custodians are trained in the proper use of cleaning chemicals and Integrated Pest Management techniques. They are managed day to day by the Principal with assistance from the district's maintenance department. The district participates in the State School Deferred Maintenance Program, with funding allocated for major repair or replacement of existing school building components. Typically, this includes roofing, plumbing, heating, air conditioning, electrical systems, interior or exterior painting, and floor systems. Annually the district budgets \$2 million dollars for deferred maintenance activities.

### School Facility Good Repair Status (Most Recent Year)

Using the **most recently collected** FIT data (or equivalent), provide the following:

- Determination of repair status for systems listed
- Description of any needed maintenance to ensure good repair
- The year and month in which the data were collected
- The overall rating

**Year and month of the most recent FIT report:** 09/06/2019

System Inspected	Rating	Repair Needed and Action Taken or Planned
<b>Systems:</b> Gas Leaks, Mechanical/HVAC, Sewer	Good	
<b>Interior:</b> Interior Surfaces	Good	

System Inspected	Rating	Repair Needed and Action Taken or Planned
<b>Cleanliness:</b> Overall Cleanliness, Pest/ Vermin Infestation	Good	
<b>Electrical:</b> Electrical	Good	
<b>Restrooms/Fountains:</b> Restrooms, Sinks/ Fountains	Good	
<b>Safety:</b> Fire Safety, Hazardous Materials	Good	
<b>Structural:</b> Structural Damage, Roofs	Good	
<b>External:</b> Playground/School Grounds, Windows/ Doors/Gates/Fences	Good	
<b>Overall Rating</b>	<b>Exemplary</b>	

## B. Pupil Outcomes

### State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

### CAASPP Test Results in ELA and Mathematics for All Students

#### Grades Three through Eight and Grade Eleven

#### Percentage of Students Meeting or Exceeding the State Standard

Subject	School 2017-18	School 2018-19	District 2017-18	District 2018-19	State 2017-18	State 2018-19
<b>English Language Arts/Literacy (grades 3-8 and 11)</b>	31	28	45	46	50	50
<b>Mathematics (grades 3-8 and 11)</b>	11	14	34	35	38	39

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

**CAASPP Test Results in ELA by Student Group  
Grades Three through Eight and Grade Eleven (School Year 2018-19)**

Student Group	Total Enrollment	Number Tested	Percent Tested	Percent Not Tested	Percent Met or Exceeded
All Students	157	149	94.90	5.10	28.19
Male	88	82	93.18	6.82	19.51
Female	69	67	97.10	2.90	38.81
Black or African American	18	16	88.89	11.11	18.75
American Indian or Alaska Native					
Asian	--	--	--	--	--
Filipino	--	--	--	--	--
Hispanic or Latino	65	63	96.92	3.08	31.75
Native Hawaiian or Pacific Islander	--	--	--	--	--
White	63	60	95.24	4.76	28.33
Two or More Races	--	--	--	--	--
Socioeconomically Disadvantaged	127	119	93.70	6.30	31.09
English Learners	27	26	96.30	3.70	7.69
Students with Disabilities	29	28	96.55	3.45	3.57
Students Receiving Migrant Education Services					
Foster Youth	--	--	--	--	--
Homeless	29	27	93.10	6.90	18.52

Note: ELA test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

**CAASPP Test Results in Mathematics by Student Group  
Grades Three through Eight and Grade Eleven (School Year 2018-19)**

Student Group	Total Enrollment	Number Tested	Percent Tested	Percent Not Tested	Percent Met or Exceeded
All Students	158	151	95.57	4.43	13.91
Male	89	84	94.38	5.62	13.10
Female	69	67	97.10	2.90	14.93

Student Group	Total Enrollment	Number Tested	Percent Tested	Percent Not Tested	Percent Met or Exceeded
Black or African American	18	16	88.89	11.11	0.00
American Indian or Alaska Native					
Asian	--	--	--	--	--
Filipino	--	--	--	--	--
Hispanic or Latino	66	65	98.48	1.52	13.85
Native Hawaiian or Pacific Islander	--	--	--	--	--
White	63	60	95.24	4.76	16.67
Two or More Races	--	--	--	--	--
Socioeconomically Disadvantaged	128	121	94.53	5.47	14.05
English Learners	27	27	100.00	0.00	7.41
Students with Disabilities	30	29	96.67	3.33	0.00
Students Receiving Migrant Education Services					
Foster Youth	--	--	--	--	--
Homeless	29	27	93.10	6.90	11.11

Note: Mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

### CAASPP Test Results in Science for All Students Grades Five, Eight, and Ten Percentage of Students Meeting or Exceeding the State Standard

Subject	School 2017-18	School 2018-19	District 2017-18	District 2018-19	State 2017-18	State 2018-19
Science (grades 5, 8 and high school)	N/A	N/A	N/A	N/A	N/A	N/A

Note: Cells with N/A values do not require data.

Note: This is a placeholder for the California Science Test (CAST) which was administered operationally during the 2018-19 school year. However, these data are not available for inclusion in the 2018-19 SARC posting due February 1, 2020. These data will be included in the 2019-20 SARC posting due February 1, 2021.

## Career Technical Education Programs (School Year 2018-19)

---

San Juan Unified defines their career paths following the strict criteria set within the Perkins Act and/or the California Partnership guidelines. The CTE department collects data on the number of students moving through our local sequences. Some CTE courses, because of the time requirements, internship element and industry standards they meet, are defined as a sequence within themselves. Introductory CTE courses are found throughout our schools, concentrators are students who take a second level course within the same career path, and students are referred to as completers when they complete a sequence of courses leading to certification, employability, and/or further technical training. Capstone courses are defined as completer based on length of course, sequence, and skill development.

The CTE capstone course leads to a certificate/industry skill sheet or license if applicable. The program also provides the student with academic and technical knowledge and skill through integrated academic and technical instruction. The programs prepare students to enter current or emerging careers for further training within the career path for which there is gainful employment. All students are provided practical experiences to pursue post high school employment and gain course work that is A-G compliant.

San Juan Unified also provides students career preparation through enrollment in California Partnership Academies. We have three California Partnership Academies in the areas of: business–finance/entrepreneurship, pre-engineering/product innovation, and patient care. Our schools have numerous career paths opportunities beyond the state funded California Partnership Academy.

San Juan offers the following CTE pathways and courses:

### Food Service & Hospitality Pathway: Bakery

- Foods/Nutrition I
- Foods/Nutrition II
- Bakery Academy I
- Bakery Academy II (capstone completion course)

### Food Service & Hospitality Pathway: Culinary

- Foods/Nutrition I
- Foods/Nutrition II
- Culinary Arts I
- Culinary Arts II (capstone completion course)

### Production & Managerial Arts Pathway: Video

- Introduction to Video Production
- Video Production
- Broadcast & Video Production (capstone completion course)

### Residential & Commercial Construction Pathway: Construction

- Woodworking
- Construction Technology
- Advanced Construction Technology (capstone completion course)

### Systems Diagnostics, Service, and Repair Pathway: Automotive

- Introduction to Automotive Careers
- Auto Maintenance and Light Repair I
- Auto Maintenance and Light Repair II (capstone completion course)

How does this class support student achievement?

Students who engage in the pathways at San Juan High School find relevance in their studies, are provided an opportunity to apply their academic and industry skills to every day problems, are taught to think critically, and are required to act professionally.

How does the school address the needs of all students in career preparation?

Through the IEP process special education students may be scheduled into CTE courses. Students are provided the support and necessary curriculum modification as outlined in the IEP. CTE provides extended testing time, extra assignment time and support where appropriate. Since our CTE courses work to integrate and support the academic standards, the students will be exposed to “hands on” activities and participate in solving real life problems.

How are the courses evaluated for effectiveness?

The capacity to serve a “significant” number of students and the degree to which the program attains specific outcomes are assessed yearly. Completion rates, graduation rates, and completion of a sequence are all evaluated yearly. The number of completion certificates issued and the attainment of specific industry skills is analyzed. Data on attendance is also collected.

### Career Technical Education Participation (School Year 2018-19)

Measure	CTE Program Participation
Number of Pupils Participating in CTE	398
Percent of Pupils that Complete a CTE Program and Earn a High School Diploma	98.7
Percent of CTE Courses that are Sequenced or Articulated Between the School and Institutions of Postsecondary Education	100

### Courses for University of California (UC) and/or California State University (CSU) Admission

UC/CSU Course Measure	Percent
2018-19 Pupils Enrolled in Courses Required for UC/CSU Admission	96.71
2017-18 Graduates Who Completed All Courses Required for UC/CSU Admission	12.5

### State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8):

- Pupil outcomes in the subject areas of physical education.

### California Physical Fitness Test Results (School Year 2018-19)

Grade Level	Percentage of Students Meeting Four of Six Fitness Standards	Percentage of Students Meeting Five of Six Fitness Standards	Percentage of Students Meeting Six of Six Fitness Standards
9	25.7	16.4	14.5

Note: Percentages are not calculated and double dashes (--) appear in the table when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

## C. Engagement

### State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site.

### Opportunities for Parental Involvement (School Year 2019-20)

---

#### Parent Involvement

Parents are an integral part of the learning environment and school community at San Juan High School. Parents are encouraged to participate in the learning of their students and assist in the emotional and physical safety of our school community.

- The Booster Club is run exclusively by parents and assists in the development of scholarship funds for SJHS students as well as financial and "manpower" assistance for programs, and other school-sponsored activities.
- English Language Advisory Council (ELAC) provides second-language parents an opportunity to contribute to the school and make recommendations on how their students can be supported in both academic and social settings.
- Home/School Communication is offered through the school web site, regular email, phone communications, and the Weekly Newsflash.
- The School Site Council includes parents on decision making for budgetary and program support needs.
- Volunteers are an essential part of any school/community partnership. Parents are encouraged to participate in any way they are able including chaperoning field trips, classroom assistance, and as office volunteers.

#### Contact Information:

Parents or community members who wish to participate in leadership teams, school committees, school activities, or become a volunteer may contact the principal, Vanessa Adolphson at (916) 971-5112.

### State Priority: Pupil Engagement

The SARC provides the following information relevant to the State priority: Pupil Engagement (Priority 5):

- High school dropout rates; and
- High school graduation rates.

### Dropout Rate and Graduation Rate (Four-Year Cohort Rate)

Indicator	School 2015-16	School 2016-17	School 2017-18	District 2015-16	District 2016-17	District 2017-18	State 2015-16	State 2016-17	State 2017-18
Dropout Rate	15.9	14.2	11.5	8.8	10.3	11.7	9.7	9.1	9.6
Graduation Rate	76.1	77.5	76.9	83.8	78.3	76.6	83.8	82.7	83

For the formula to calculate the 2016-17 and 2017-18 adjusted cohort graduation rate, see the 2018-19 Data Element Definitions document located on the SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.

## State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

### Suspensions and Expulsions

Rate	School 2016-17	School 2017-18	School 2018-19	District 2016-17	District 2017-18	District 2018-19	State 2016-17	State 2017-18	State 2018-19
<b>Suspensions</b>	17.3	30.1	15.8	5.8	5.8	4.9	3.6	3.5	3.5
<b>Expulsions</b>	0.5	0.4	0.5	0.1	0.1	0.1	0.1	0.1	0.1

### School Safety Plan (School Year 2019-20)

This school is linked directly to the San Juan Unified School District's Safe Schools Program. The Safe Schools Program has a Community Safety Specialist assigned to this school within a geographic zone that includes nearby schools. In addition, via a partnership with the Sacramento Sheriff's Department (SSD) and the Citrus Heights Police Department (CHPD), there are two uniformed deputy sheriff's and two uniformed CHPD officers assigned to patrol the school district including this school. The Deputy Sheriffs are assigned to patrol a geographic zone either on the east side of the district or the west side of the district. They are assigned specific schools within their assigned zone and respond to this school, or others, as safety needs dictate. The two CHPD Police Officers are School Resource Officers (SRO) who work identified schools within the City of Citrus Heights and respond as safety needs dictate. The two law enforcement agencies will overlap response when necessary. The Deputy Sheriff's and/or CHPD Officers are dispatched to critical incidents via the Safe Schools Dispatcher, a law enforcement dispatcher or via a direct report from a school staff member, school visitor or other person. This school has a school safety team which reviews safety matters that may affect the campus. Our school safety team meets regularly to discuss safety issues, update our site emergency plan, and to take steps to be proactive in preventing various types of school-related safety issues. Community Safety Specialists and law enforcement provides speakers to address students, staff and community groups on matters of school safety. Our safety team receives training, when requested, from Safe Schools or law enforcement. This school is responsible for updating our Comprehensive School Safety Plan (CSSP) by March 1st of every year per the Education Code. As part of the update, this school meets at least once per year with a law enforcement officer to review the CSSP, has the local fire department review the CSSP and we hold a community meeting to review the CSSP. The CSSP must be approved by the School Site Council before being submitted to the district safe schools manager. Every classroom has a standardized "Safety Folder" which serves as a guide for teachers, includes the site specific crisis response procedures and a district standardized emergency flip chart. This school conducts and keeps a record of all fire drills, lockdown drills, shelter in place drills and/or earthquake drills up to or in excess of what is required by the Education Code.

### Average Class Size and Class Size Distribution (Secondary)

Subject	2016-17	2016-17	2016-17	2016-17	2017-18	2017-18	2017-18	2017-18	2018-19	2018-19	2018-19	2018-19
	Average Class Size	# of Classes* 1-22	# of Classes* 23-32	# of Classes* 33+	Average Class Size	# of Classes* 1-22	# of Classes* 23-32	# of Classes* 33+	Average Class Size	# of Classes* 1-22	# of Classes* 23-32	# of Classes* 33+
<b>English</b>	21	12	15	5	17	14	11	2	17	23	9	8
<b>Mathematics</b>	15	12	7		17	18	12		19	9	15	1
<b>Science</b>	21	7	12	2	20	6	15		19	11	10	4
<b>Social Science</b>	18	20	10	8	15	27	16	1	16	25	13	7

\*Number of classes indicates how many classrooms fall into each size category (a range of total students per classroom). At the secondary school level, this information is reported by subject area rather than grade level.

### Ratio of Academic Counselors to Pupils (School Year 2018-19)

Title	Ratio
Academic Counselors*	206.7

\*One Full Time Equivalent (FTE) equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time.

### Student Support Services Staff (School Year 2018-19)

Title	Number of FTE* Assigned to School
Counselor (Academic, Social/Behavioral or Career Development)	3.0
Library Media Teacher (Librarian)	
Library Media Services Staff (Paraprofessional)	
Psychologist	
Social Worker	
Speech/Language/Hearing Specialist	.2
Resource Specialist (non-teaching)	2.0

\*One Full Time Equivalent (FTE) equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time.

### Expenditures Per Pupil and School Site Teacher Salaries (Fiscal Year 2017-18)

Level	Total Expenditures Per Pupil	Expenditures Per Pupil (Restricted)	Expenditures Per Pupil (Unrestricted)	Average Teacher Salary
School Site	24805	2907	21898	\$46,802
District	N/A	N/A	7762	\$76,673.00
Percent Difference - School Site and District	N/A	N/A	95.3	-48.4
State	N/A	N/A	\$7,506.64	\$82,403.00
Percent Difference - School Site and State	N/A	N/A	97.9	-55.1

Note: Cells with N/A values do not require data.

The California Department of Education issued guidance to LEAs on August 1, 2018, regarding how to calculate school-level per-pupil expenditures that will be reported on 2018-19 report cards.

### Types of Services Funded (Fiscal Year 2018-19)

The table provides a comparison of a school's per pupil funding from unrestricted sources with other schools in the district and throughout the state.

Supplemental/Restricted expenditures come from money whose use is controlled by law or donor. Money designated for specific purposes by the district or governing board is not considered restricted. Basic/unrestricted expenditures, except for general guidelines, is not controlled by law or donor.

For detailed information on school expenditures for all districts in California, see the CDE Current Expense of Education & Per-pupil Spending Web page at <http://www.cde.ca.gov/ds/fd/ec/>. For information on teacher salaries for all districts in California, see the CDE Certificated Salaries & Benefits Web page at <http://www.cde.ca.gov/ds/fd/cs/>. To look up expenditures and salaries for a specific school district, see the Ed-Data Web site at: <http://www.ed-data.org>.

### Teacher and Administrative Salaries (Fiscal Year 2017-18)

Category	District Amount	State Average For Districts In Same Category
Beginning Teacher Salary	\$45,738	\$48,612
Mid-Range Teacher Salary	\$78,229	\$74,676
Highest Teacher Salary	\$92,352	\$99,791
Average Principal Salary (Elementary)	\$112,403	\$125,830
Average Principal Salary (Middle)	\$102,014	\$131,167
Average Principal Salary (High)	\$140,548	\$144,822
Superintendent Salary	\$279,178	\$275,796
Percent of Budget for Teacher Salaries	36%	34%
Percent of Budget for Administrative Salaries	6%	5%

For detailed information on salaries, see the CDE Certificated Salaries & Benefits web page at <https://www.cde.ca.gov/ds/fd/cs/>.

### Advanced Placement (AP) Courses (School Year 2018-19)

Subject	Number of AP Courses Offered*	Percent of Students In AP Courses
Computer Science		N/A
English	2	N/A
Fine and Performing Arts		N/A
Foreign Language		N/A
Mathematics		N/A
Science	1	N/A
Social Science	3	N/A
All courses	6	19.3

Note: Cells with N/A values do not require data.

\*Where there are student course enrollments of at least one student.

## Professional Development (Most Recent Three Years)

Measure	2017-18	2018-19	2019-20
Number of school days dedicated to Staff Development and Continuous Improvement			9

Professional development is a key part of the continuous improvement process for educators. The goal of our quality professional development is to support the learning of teachers and paraprofessionals to positively impact student achievement. Annually, teachers and site administrators participate in professional development in a variety of opportunities. Seventy-five minutes per week are dedicated to staff collaboration and training planned by site leadership teams. The District also provides a cycle of continuous professional development for Administrators through Principal Networks as well as Leadership Academies.

The District provides professional development opportunities for teachers and administrators that support the implementation of Common Core State Standards in English language arts, mathematics, science, social studies, and the ELA/ELD Framework. Specific professional development initiatives include: Culturally Responsive Practices, Critical Literacy, TK-2 Reading, Supporting Independence and Engagement through Reading and Writing, Math to the Core, Expository Reading and Writing Course, and ELD Foundations. District departments, Center for Teacher Support, grant-funded projects, and the San Juan Teacher's Association sponsor additional training opportunities. Professional development opportunities are voluntary for teachers and are provided throughout the year in a variety of formats: during the school day, after school, on Saturdays, and during summer and vacation breaks. Many teachers and administrators also take advantage of opportunities with Sacramento County Office of Education, California Department of Education, the college/university programs, state/national education organizations, and private educational institutes.

What grounds the professional development in the district is the District Strategic Plan and the Local Control Accountability Plan. Professional Development is further determined using one or more of the following: (a) student achievement data, (b) staff survey data, and (c) district-identified goals. Professional development addresses the Common Core State Standards, teaching strategies, curriculum, assessment, technology, classroom management, safety, and leadership. Administrator training accompanies professional development in district focus areas, providing implementation support for teachers on site. Content-area coaches are available at some schools. Additional classroom support is provided to new and struggling teachers by consulting teachers from the Center for Teacher Support.

Paraprofessionals are encouraged to participate in professional development at the district and site level. Specifically designed training is also offered to non-instructional support staff such as clerical and custodial staff that includes both operational and instructional topics.
