## School Accountability Report Card

### Reported Using Data from the 2019-2020 School Year

#### Published During 2020-2021

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or the LCAP, see the CDE LCFF webpage at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

#### **DataQuest**

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

#### **California School Dashboard**

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

### School Description and Mission Statement (School Year 2020-2021)

#### Mission Statement:

We are committed to meeting the diverse needs of all students so they achieve high levels of learning.

#### Vision Statement:

We believe that the most promising strategy for achieving the mission of our school is to develop our capacity to function as a professional learning community. We envision a school in which:

#### The School

- Is characterized by a collaborative culture where staff members are given the time to meet together in collaborative teams
- Has communication strategies in place to ensure that all staff members can support the mission of the school
- Supports educators' continuous learning and ongoing professional development in both academic and social emotional domains
- Provides a consistent structure for students' social emotional well-being

#### Teachers

- Determine and implement guaranteed and viable standards-based curriculum
- Utilize regular and ongoing assessment to monitor student learning of guaranteed and viable standards-based curriculum
- Design & provide intervention and enrichment instruction daily to ensure students are able to learn at high levels
- Reflect by student and standard, then adjust groups and instruction as needed
- Constantly seek out the most effective strategies that support students' academic and social emotional learning

**School Profile:**

Coyle Avenue Elementary is one of 41 elementary/K-8 schools in the San Juan Unified School District. Of the students attending Coyle, 13.5% of our students are English language learners, with Spanish as a primary language, and 72% of students are socioeconomically disadvantaged.

The curriculum provided has transitioned to the Common Core State Standards. The school supports cultural awareness on a daily basis through its diverse literature selections and other school activities.

Each year we revisit and revise our mission and vision statements to ensure we are completely focused on increasing our student learning.

We have made a strong commitment to provide a positive climate for learning in which all students can reach their fullest potential in academics, attitudes, athletics, and the arts. Specifically:

- We strive to create and maintain an atmosphere that fosters the healthy emotional, intellectual, social, and physical growth of each student.
- We recognize the mastery of academic skills as stated in the Common Core State Standards as a primary goal.
- We value education as a process of opening our students' minds to critical thought and creative activity.
- We believe in the development of curriculum that encourages diversity, consideration for others, compassion, empathy, responsibility and self-discipline.
- We emphasize that learning is not confined to four walls of a classroom and that it does not end with the school years.
- We acknowledge that we learn best in a positive environment of sharing, caring, laughing, questioning, risk taking, learning, and growing.

**Programs at Coyle:**

- Rich academic instruction in literacy, writing, math, integrated science, social studies, art, and physical education
- Multiple measure assessments: use of school based, district, and state assessments to monitor student learning
- Parent Teacher Association (P.T.A.)
- Community partnership with Mercy San Juan Medical Center, Citrus Heights Kiwanis Club
- K-Kids Club: school and community service club sponsored by Citrus Heights Kiwanis Club.
- B.U.G. Program: Bringing Up Grades Program sponsored by Citrus Heights Kiwanis Club. .
- Full-time Resource Specialist and Instructional Aide: serving identified special education students and site-based students at risk of not meeting standards.
- 50% English language development teacher who works directly with students learning English
- 180% Intervention Teacher
- Speech and Language Specialist: by referral.
- Adaptive Physical Education: by referral.
- Jump Rope for Heart school wide fundraiser for the American Heart Association.
- Discovery Club: a before- and after-school child care/enrichment program serving children in kindergarten through sixth grade.
- Bridges After-School Program: a free after-school program that operates 3¾ hours a day, five days a week, funded through a twenty-first century community learning center grant.
- Special Day Classes for emotionally disturbed students: when appropriate, students are mainstreamed into the regular classroom and receive additional assistance from specially trained staff.
- Preschool – Kindergarten Autism Program: special day classes for students identified with autism. When appropriate, students are mainstreamed into the Early Childhood Education classroom, kindergarten, and 1st grade where they receive additional assistance from specially trained staff.
- Head Start/State Preschool Programs: These Early Childhood Education Programs provide educational and developmental opportunities for children from eligible low-income and special needs families.

## Technology at Coyle

- MacBook Pro Computer Lab: 34 computers with use of wireless internet. Three Chrome carts (COWs) are pushed into classrooms every day.
- Minimum of five student computers/iPads in each classroom
- Each teacher has access to a teaching station that includes a teacher computer, an i-pad and an Apple TV setup.

## Principal's Message:

Welcome to Coyle Avenue Elementary School, home of the Cougars! I am extremely happy to be beginning my first year at Coyle. This is a school where we recognize that in order for students to reach their full potential they must receive support from both home and school. As partners, we share the responsibility for our children's success. As a school, we are committed to meet the individual needs of all students and maintain personal connections with all families. Our teachers are your best resource so we encourage you to connect and build strong partnerships with your child's teacher.

It is an honor and a privilege to be the principal at Coyle and I look forward to partnering with you to make this a meaningful and successful year.

James Reinhard

## A. Conditions of Learning

### State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

### Teacher Credentials

Misassignments of Teachers of English Learners	0	0	0
Total Teacher Misassignments*	0	0	0
Vacant Teacher Positions	0	0	0

Note: "Misassignments" refers to the number of positions filled by teachers who lack legal authorization to teach that grade level, subject area, student group, etc.

\*Total Teacher Misassignments includes the number of Misassignments of Teachers of English Learners.

### Quality, Currency, Availability of Textbooks and Other Instructional Materials (School Year 2020-2021)

Year and month in which data were collected: September, 2019

San Juan Unified held a public hearing on September 22, 2020 and determined that each school within the district had sufficient and good quality textbooks, instructional materials, or science lab equipment pursuant to the settlement of Williams vs. the State of California. All students, including English learners, are given their own individual standards-aligned textbooks or instructional materials, or both, in core subjects for use in the classroom and to take home. Textbooks and supplementary materials are adopted according to a cycle developed by the California Department of Education, making the textbooks used in the school the most current available. Materials approved for use by the State are reviewed by all teachers and a recommendation is made to the School Board by a selection committee composed of teachers and administrators. All recommended materials are available for parent examination at the district office prior to adoption. The table displays information collected in September 2018 about the quality, currency, and availability of the standards-aligned textbooks and other instructional materials used at the school. If you would like more information on the textbooks and instructional materials please visit our website: <http://www.sanjuan.edu/Page/23485> In July 2009, EC Section 60200.7. The State Board of Education has adopted frameworks for ELA/ELD, Math, Science and Social Sciences, and has identified an approved list of instructional materials available for adoption. ## School Facility Conditions and Planned Improvements

As of October 2011, Coyle Avenue is the proud recipient of a new wing build using funds from Measure J. The wing includes two classrooms and a double-sized library and training room.

Coyle Avenue School received extensive outside remodeling during the summer of 2008. A new drive-through parking lot was funded by a \$200,000 donation from Mercy San Juan Medical Center. A new flag pole, new seat walls, a widened front walkway, a new planter, and new grass were added in front of the school. The playground and the front parking lot were completely repaved and re-striped. A new courtyard was installed and the sidewalks by the classrooms were widened. During the summer of 2013, student restrooms were completely upgraded along with fittings for ADA compliance.

Coyle Avenue Elementary was modernized during the 1999-2000 school year. The scope included roof repair/replacement, interior and exterior painting, new lighting, selected window system replacement, energy-efficient heating and cooling system upgrade, new doors with handicapped accessible hardware, restroom restoration, electrical infrastructure upgrade to provide for internet, cable, telephone, throughout the school. Currently, there is sufficient space to house the student population. There is a site custodial staff that cleans the building, along with district support for major/minor repairs. The district provides gardening and landscape services on a regular schedule. Regular fire/emergency drills are held, and badges are required for all visitors and personnel. Field repair, driveway resurfacing, irrigation system retrofit, and portable replacement are planned improvements with Measure J Bond funds. Summer 2008 a new parking lot was added (funds were donated by Mercy San Juan Hospital) along with a major landscape and irrigation project funded by Measure-J Bond. Summer 2008 the hard court was overlaid through Deferred Maintenance. All restrooms site-wide were reconfigured and renovated in Fall 2013 using Measure J funds. This included all plumbing, fixtures, partitions, floors, walls, path of travel and upgrades to meet ADA requirements.

Coyle Avenue has wireless internet access throughout its classrooms. A school garden was added in the Spring of 2016 with a partnership between Del Campo High School's Kids Helping Kids and Coyle Avenue.

The Board of Education and the Superintendent's policy is to ensure that all students are provided with a safe and well-maintained learning environment. The board approved resolutions in 1998 and 2002 to adequately fund maintenance activities and preserve the repairs and improvements funded by two facility bond measures. The school buildings, classrooms and grounds are safe, clean and functional. An inspection of the facility was conducted in October 2020 and determined that there were no unsafe conditions that required emergency repairs. District maintenance staff ensures that the repairs necessary to keep the school in good repair and working order are completed in a timely manner. A computer automated work order process is used to ensure efficient service and that emergency repairs and health and safety repairs are given the highest priority. The Board of Education has adopted cleaning standards and custodial staffing requirements for all schools in the district. This school meets the Board's standards for custodial staffing and cleanliness. The school's custodians are trained in the proper use of cleaning chemicals and Integrated Pest Management techniques. They are managed day to day by the Principal with assistance from the district's maintenance department. The district participates in the State School Deferred Maintenance Program, with funding allocated for major repair or replacement of existing school building components. Typically, this includes roofing, plumbing, heating, air conditioning, electrical systems, interior or exterior painting, and floor systems. Annually the district budgets \$2 million dollars for deferred maintenance activities.

### School Facility Good Repair Status

Using the **most recently collected** FIT data (or equivalent), provide the following:

- Determination of repair status for systems listed
- Description of any needed maintenance to ensure good repair
- The year and month in which the data were collected
- The rate for each system inspected
- The overall rating

## B. Pupil Outcomes

### State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

### CAASPP Test Results in ELA and Mathematics for All Students

#### Grades Three through Eight and Grade Eleven

#### Percentage of Students Meeting or Exceeding the State Standard

Subject	School 2018-19	School 2019-20	District 2018-19	District 2019-20	State 2018-19	State 2019-20
English Language Arts/Literacy (grades 3-8 and 11)	31	N/A	46	N/A	50	N/A
Mathematics (grades 3-8 and 11)	24	N/A	35	N/A	39	N/A

Note: Cells with N/A values do not require data.

Note: The 2019-2020 data are not available. Due to the COVID-19 pandemic, Executive Order N-30-20 was issued which waived the requirement for statewide testing for the 2019-2020 school year.

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

**C. Engagement**

**State Priority: Parental Involvement**

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site

**Opportunities for Parental Involvement (School Year 2020-2021)**

Parents are encouraged and welcomed to become a part of our school community. They are part of our educational team, and we strive to include parents in all aspects of our school program. Coyle Elementary School’s programs are enhanced because of the commitment, support, and dedication of our parents to our students and staff. Parents participate at Coyle in many ways: classroom volunteers for day-to-day classroom instruction, after-school help, field trips, classroom docents, parent conferences, Academic Parent Teacher Teams (APTT) meetings, Coyle Cafes, Coyle Skate Nights, School Site Council, P.T.A., and Superintendent's Parent Advisory Committee.

Parents are encouraged to join P.T.A. and are asked throughout the year to help with many school activities. Our monthly P.T.A. meetings are held on the second Tuesday of the month in the evening. The P.T.A. Executive Board meets at 6 p.m. for half an hour before the regular meetings. The P.T.A. provides enrichment to our students and families through family nights, book fairs, school assemblies, funds for classroom materials, funds for field trips, materials for both the computer lab and the library. For information about the P.T.A., please call 916-979-8012 and ask for James Reinhard, Matt McGough or the PTA president Megan Cole.

Coyle has an English Learner Advisory Committee (ELAC) that meets four times a year in December, February, April and May in conjunction with our APTT meetings. The goal is to inform the parents of our English learners about programs at Coyle that help their children learn English and be successful academically. Parents are taught about the School Site Council, the English Language Proficiency Assessment for California (ELPAC), the School's Language Census (R-30 Report), progress notices and report cards, interventions used at Coyle, and services that are available. We also train parents to help them in their responsibilities to make their children successful.

Coyle's School Site Council meets monthly on the third Tuesday afternoon at 2:40 p.m. to oversee The School Plan for Student Achievement (SPSA). Five members of the School Site Council are parents and community members, three members are teachers, one is a classified staff member and the tenth member is the Principal. The Site Council monitors all programs and budgets at Coyle and seeks ways to improve the academic performance of all students.

Parents are kept informed about school activities through: the weekly school newsletter which parents receive by email, P.T.A. bulletins, classroom newsletters, the Parent/Student Handbook, parent education nights, School Site Council meetings, P.T.A. meetings, parent conferences, Student Study Team meetings, Positive Behavior Support Action Team meetings, School Messenger phone messages, flyers, social media, and assessment forms. Coyle has an active website where you can check us out and access our many links to help you improve your child's education. <http://www.sanjuan.edu/CoyleAvenue.cfm>. Our Facebook page has almost 400 members - we want our community to be informed on all that we are doing at school!

During the 2016-2017 school year, we implemented Academic Parent Teacher Teams (APTT). Teachers were trained on creating teams with parents to provide support to their students. At three APTT meetings, parents look at their student's data, create a SMART goal and learn an activity or game that supports skill development. Students are at school only 10% of their life to age 18 - parents quickly understand schools can't do it alone! Parents must be a driving force in the education of their child. We have 100% of our classes using APTT this year.

Parents or community members who wish to participate in leadership teams, school committees, school activities, or become a volunteer may contact the school office at 916-979-8012.

**State Priority: School Climate**

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

**Suspensions and Expulsions**

**(data collected between July through June, each full school year respectively)**

Rate	School 2017-18	School 2018-19	District 2017-18	District 2018-19	State 2017-18	State 2018-19
Suspensions	3.8	2.7	5.8	4.9	3.5	3.5
Expulsions	0.0	0.0	0.1	0.1	0.1	0.1

**Suspensions and Expulsions for School Year 2019-2020 Only**

**(data collected between July through February, partial school year due to the COVID-19 pandemic)**

Rate	School 2019-20	District 2019-20	State 2019-20
Suspensions	0.76%	3.58%	
Expulsions	0.00%	0.03%	

Note: The 2019-2020 suspensions and expulsions rate data are not comparable to prior year data because the 2019-2020 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019-2020 school year compared to prior years.

## School Safety Plan (School Year 2020-2021)

San Juan Unified School District makes safety a top priority. In accordance with the California Education Code, each school site's comprehensive school safety plan is reviewed, edited as needed and approved by the school site safety team by March 1 of each year. The plan includes a review of safety data for the campus, incident response information in case of fire, earthquakes and other dangers, and details on safety policies. A copy of the plan is available for review in the school office.

Drills are held on a regular basis to include fire drills, earthquake drills and intruder drills.

Safety is a shared responsibility, and our school is supported by the district's Safe Schools program in coordination with the Sacramento Sheriff's Department and Citrus Heights Police Department. The Safe Schools program provides district employed safety specialists who provide safety advice, training and respond to critical incidents. Sworn law enforcement is called, when needed, to assist the safety specialists. In addition, San Juan Unified has the option of employing uniformed law enforcement officers when needed.

## Professional Development (Most Recent Three Years)

Measure	2018-19	2019-20	2020-21
Number of school days dedicated to Staff Development and Continuous Improvement		9	9

Professional development is a key part of the continuous improvement process for educators. The goal of our quality professional development is to support the learning of teachers and paraprofessionals to positively impact student achievement. Annually, teachers and site administrators participate in professional development in a variety of opportunities. Seventy-five minutes per week are dedicated to staff collaboration and training planned by site leadership teams. The District also provides a cycle of continuous professional development for Administrators through Principal Networks as well as Leadership Academies.

The District provides professional development opportunities for teachers and administrators that support the implementation of Common Core State Standards in English language arts, mathematics, science, social studies, and the ELA/ELD Framework. Specific professional development initiatives include: Culturally Responsive Practices, Critical Literacy, TK-2 Reading, Supporting Independence and Engagement through Reading and Writing, Math to the Core, Expository Reading and Writing Course, and ELD Foundations. District departments, Center for Teacher Support, grant-funded projects, and the San Juan Teacher's Association sponsor additional training opportunities. Professional development opportunities are voluntary for teachers and are provided throughout the year in a variety of formats: during the school day, after school, on Saturdays, and during summer and vacation breaks. Many teachers and administrators also take advantage of opportunities with Sacramento County Office of Education, California Department of Education, the college/university programs, state/national education organizations, and private educational institutes.

What grounds the professional development in the district is the District Strategic Plan and the Local Control Accountability Plan. Professional Development is further determined using one or more of the following: (a) student achievement data, (b) staff survey data, and (c) district-identified goals. Professional development addresses the Common Core State Standards, teaching strategies, curriculum, assessment, technology, classroom management, safety, and leadership. Administrator training accompanies professional development in district focus areas, providing implementation support for teachers on site. Content-area coaches are available at some schools. Additional classroom support is provided to new and struggling teachers by consulting teachers from the Center for Teacher Support.

Paraprofessionals are encouraged to participate in professional development at the district and site level. Specifically designed training is also offered to non-instructional support staff such as clerical and custodial staff that includes both operational and instructional topics.
