School Accountability Report Card

Reported Using Data from the 2019-2020 School Year

Published During 2020-2021

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or the LCAP, see the CDE LCFF webpage at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

School Description and Mission Statement (School Year 2020-2021)

Principal's Message:

Welcome to El Camino High School's annual School Accountability Report Card. This is where you'll find valuable information about our academic achievement, professional staff, curricular and co-curricular programs, instructional materials, safety procedures, classroom environment, and condition of facilities. The community of El Camino Fundamental High School is committed to high expectations, high achievement, responsibility, and mutual respect for all students. A safe, positive environment nurtures and enables all students to reach their potential as lifelong learners and responsible, enlightened citizens. El Camino maintains academic rigor in an atmosphere that promotes respect for one another, development of personal responsibility, and readiness for the world beyond the classroom.

Mission Statement

Embodying the Respect, Responsibility, and Readiness inherent in our fundamental spirit and tradition, the mission of the El Camino Fundamental High School Community is to challenge and inspire each student to be a creative, life-long learner and an enlightened, contributing citizen by ensuring students construct meaning through rigorous twenty-first century learning in a caring, inclusive environment.

School Profile

El Camino Fundamental High School is one of nine comprehensive high schools in San Juan Unified School District. El Camino offers an academic program, aligned with California Content Standards, which is designed to prepare students for success in the workplace, in postsecondary schooling, and in citizenry. El Camino offers a full complement of Advanced Placement and Honors classes; a three-year Eagle Polytechnic Institute that prepares students to enter the field of pre-engineering or technology through project-based learning in core classes; a four-year AVID (Advancement Via Individual Determination) program; and rich visual, musical, and dramatic arts programs.

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

Vacant Teacher Positions	0	0	0

Note: "Misassignments" refers to the number of positions filled by teachers who lack legal authorization to teach that grade level, subject area, student group, etc.

*Total Teacher Misassignments includes the number of Misassignments of Teachers of English Learners.

Quality, Currency, Availability of Textbooks and Other Instructional Materials (School Year 2020-2021)

Year and month in which data were collected: September, 2019

San Juan Unified held a public hearing on September 22, 2020 and determined that each school within the district had sufficient and good quality textbooks, instructional materials, or science lab equipment pursuant to the settlement of Williams vs. the State of California. All students, including English learners, are given their own individual standards-aligned textbooks or instructional materials, or both, in core subjects for use in the classroom and to take home. Textbooks and supplementary materials are adopted according to a cycle developed by the California Department of Education, making the textbooks used in the school the most current available. Materials approved for use by the State are reviewed by all teachers and a recommendation is made to the School Board by a selection committee composed of teachers and administrators. All recommended materials are available for parent examination at the district office prior to adoption. The table displays information collected in September 2018 about the quality, currency, and availability of the standards-aligned textbooks and other instructional materials used at the school. If you would like more information on the textbooks and instructional materials please visit our website: <http://www.sanjuan.edu/Page/23485> In July 2009, EC Section 60200.7. The State Board of Education has adopted frameworks for ELA/ELD, Math, Science and Social Sciences, and has identified an approved list of instructional materials available for adoption. For more information regarding San Juan's textbook adoption schedule, please visit our website:

School Facility Conditions and Planned Improvements

El Camino High School, originally constructed in 1951, has undergone two phases of modernization; one in 1998 and the second in 2004. Each classroom has a fire and intrusion monitoring alarm system, telephone, school wide all-call system, and internet drops, along with WiFi connectivity throughout most of the campus. A dedicated custodial team and maintenance custodian keep the school safe, clean and operational. Playing fields and hard court tennis courts were refurbished, and the entire school's asphalt was resurfaced in the summer of 2005. During the summer of 2005, a new Science room portable was constructed. A two-year program to renovate student restrooms throughout the school and make them ADA compliant began the summer of 2012, and was completed in Fall 2013 using Measure J funds. An HVAC system was installed in the large gym using Measure J funds in Fall, 2013. The gym was also wrapped in insulation for energy efficiency and painted. These improvements are a welcome change to our campus. Currently, in the planning stages is a new all-weather track and synthetic turf field. The project, funded by Measure N, will consist of a new all-weather running track and synthetic turf. The new running track will consist of running lanes with integral striping to accommodate official high school events. The project will include all of the necessary concrete, asphalt, drainage and fencing to support the track. Some ADA improvements may be required along with access to the existing restroom facilities. The turf field will include drainage for the field, markings for football, soccer, goal posts. Anticipated start date is May, 2014 with a targeted completion of August 2014. During Summer of 2015 had full exterior paint, all new weather strip on doors, sealed and painted the parking lot and converted to an all LED interior lighting system. During the winter of the 2018/2019, a new state of the art Center for the Arts was completed. The new theater, which has 500 fixed seats, a state-of-the-art lighting and sound systems and a lobby art gallery, was funded by the approval of Measure N in 2012. The measure approved \$350 million in bonds for the San Juan Unified School District, which are being used to update and rebuild aging school facilities.

The Board of Education and the Superintendent's policy is to ensure that all students are provided with a safe and well-maintained learning environment. The board approved resolutions in 1998 and 2002 to adequately fund maintenance activities and preserve the repairs and improvements funded by two facility bond measures. The school buildings, classrooms and grounds are safe, clean and functional. An inspection of the facility was conducted in September 2020 and determined that there were no unsafe conditions that required emergency repairs. District maintenance staff ensures that the repairs necessary to keep the school in good repair and working order are completed in a timely manner. A computer automated work order process is used to ensure efficient service and that emergency repairs and health and safety repairs are given the highest priority. The Board of Education has adopted cleaning standards and custodial staffing requirements for all schools in the district. This school meets the Board's standards for custodial staffing and cleanliness. The school's custodians are trained in the proper use of cleaning chemicals and Integrated Pest Management techniques. They are managed day to day by the Principal with assistance from the district's maintenance department. The district participates in the State School Deferred Maintenance Program, with funding allocated for major repair or replacement of existing school building components. Typically, this includes roofing, plumbing, heating, air conditioning, electrical systems, interior or exterior painting, and floor systems. Annually the district budgets \$2 million dollars for deferred maintenance activities.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Mathematics (grades 3-8 and 11)	24	N/A	35	N/A	39	N/A

Note: Cells with N/A values do not require data.

Note: The 2019-2020 data are not available. Due to the COVID-19 pandemic, Executive Order N-30-20 was issued which waived the requirement for statewide testing for the 2019-2020 school year.

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Career Technical Education Programs (School Year 2019-2020)

San Juan Unified defines their career paths following the strict criteria set within the Perkins Act and/or the California Partnership guidelines. The CTE department collects data on the number of students moving through our local sequences. Some CTE courses, because of the time requirements, internship element and industry standards they meet, are defined as a sequence within themselves. Introductory CTE courses are found throughout our schools, concentrators are students who take a second level course within the same career path, and students are referred to as completers when they complete a sequence of courses leading to certification, employability, and/or further technical training. Capstone courses are defined as completer based on length of course, sequence, and skill development.

The CTE capstone course leads to a certificate/industry skill sheet or license if applicable. The program also provides the student with academic and technical knowledge and skill through integrated academic and technical instruction. The programs prepare students to enter current or emerging careers for further training within the career path for which there is gainful employment. All students are provided practical experiences to pursue post high school employment and gain course work that is A-G compliant.

San Juan Unified also provides students career preparation through enrollment in California Partnership Academies. We have three California Partnership Academies in the areas of: business–finance/entrepreneurship, pre-engineering/product innovation, and patient care. Our schools have numerous career paths opportunities beyond the state funded California Partnership Academy.

At El Camino Fundamental High School we are proud to have the Eagle Polytechnic Institute which is a 4-year Academy for students interested in a variety of Product Innovation disciplines. Coursework includes metals, computer drafting and engineering. All courses offered through the Eagle Polytechnic Institute are A-G compliant. The advanced courses offer up to 9 units of college credit at the CSU and community college level. Students work on interdisciplinary projects designed to bring all facets of their education together in collaborative work meeting the goals of providing a 21st Century education. This integrated approach helps to support student achievement as all Academy teachers work closely together planning curriculum and assessing the learning of their Academy students while providing for hands-on experiences that enrich their education.

El Camino Fundamental offers the following CTE pathways and courses:

Graphic Production Technologies Pathway: CAD Drafting

- Computer Assisted Design Drafting I
- Computer Assisted Design Drafting II (capstone completion course)

Production and Managerial Arts Pathway

- Introduction to Video Production
- Video Production
- Broadcast and Video Production (capstone completion course)

Product Innovation and Design Pathway: Metals

- Manufacturing Metals I
- Manufacturing Metals II
- Manufacturing Metals III (capstone completion course)

Eagle Polytechnic Institute Academy (EPI)

- Pre Engineering Technology I
- Pre Engineering Technology II
- Pre Engineering Technology III (capstone completion course)

CTE capstone courses held at various high schools within San Juan Unified open to El Camino Fundamental students:

- Auto Maintenance and Light Repair I
- Auto Maintenance and Light Repair II
- Bakery Academy
- Broadcast and Video Production
- Construction Technology
- Culinary Arts
- Dental Careers
- Dental Radiation and Safety (taken with Dental Careers)
- Fire Technology
- Medical Assistant
- Public Safety Careers

How does this class support student achievement?

When students experience CTE courses they have the opportunity to see the relationship between applied academic standards and the real world. Students find purpose in their studies and are provided an opportunity to apply their academic and industry skills to every day problems.

How does the school address the needs of all students in career preparation?

Through the IEP process special education students may be scheduled into CTE courses. Students are provided the support and necessary curriculum modification as outlined in the IEP. CTE provides extended testing time, extra assignment time and support where appropriate. Since our CTE courses work to integrate and support the academic standards, the students will be exposed to “hands on” activities and participate in solving real life problems. The school counselor work with each enrolled student to create a 4-year plan designed to prepare them for their future college and career aspirations.

How are the courses evaluated for effectiveness?

The capacity to serve a “significant” number of students and the degree to which the program attains specific outcomes are assessed yearly. Completion rates, graduation rates, along with completion of a sequence are all evaluated yearly. The number of completion certificates issued and the attainment of specific industry skills is analyzed. Data on attendance is also collected.

5	N/A	N/A	N/A
7	N/A	N/A	N/A
9	N/A	N/A	N/A

Note: Cells with N/A values do not require data.

Note: The 2019–2020 data are not available. Due to the COVID-19 pandemic, Executive Order N-56-20 was issued which waived the requirement to administer the physical fitness performance test for the 2019–2020 school year.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site

Opportunities for Parental Involvement (School Year 2020-2021)

El Camino enjoys the benefits of a supportive community and dedicated parents. Numerous opportunities, both informal and formal, exist at El Camino that provide ties between the school and the community. The following organizations provide ongoing, formal support of and connection with El Camino:

- Athletic Boosters Club
- PTSA (Parent Teacher Student Association)
- Performing Arts Boosters Club
- School Site Council
- Key Club in partnership with Kiwanis Club
- Community service components in athletic and student activity organizations
- ELAC (English Learners Advisory Committee)
- Strategic Planning Team
- El Camino Alumni Association
- Site Strategic Planning Committee and action teams
- WASC Focus Group participation

Please contact Principal's secretary, Donna Pelletier, by email at donna.pelletier@sanjuan.edu for more information on how to become involved with any of these groups. You may also obtain information on our school website at: www.sanjuan.edu/elcamino.

State Priority: Pupil Engagement

The SARC provides the following information relevant to the State priority: Pupil Engagement (Priority 5):

- High school dropout rates; and
- High school graduation rates.

Dropout Rate and Graduation Rate (Four-Year Cohort Rate)

Indicator	School 2016-17	School 2017-18	School 2018-19	District 2016-17	District 2017-18	District 2018-19	State 2016-17	State 2017-18	State 2018-19

Graduation Rate	98.2	97.1	91.5	78.3	76.6	78.8	82.7	83	84.5

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

Suspensions and Expulsions

(data collected between July through June, each full school year respectively)

Rate	School 2017-18	School 2018-19	District 2017-18	District 2018-19	State 2017-18	State 2018-19
Suspensions	11.2	9.6	5.8	4.9	3.5	3.5
Expulsions	0.2	0.1	0.1	0.1	0.1	0.1

Suspensions and Expulsions for School Year 2019-2020 Only

(data collected between July through February, partial school year due to the COVID-19 pandemic)

Rate	School 2019-20	District 2019-20	State 2019-20
Suspensions	8.27%	3.58%	
Expulsions	0.00%	0.03%	

Note: The 2019-2020 suspensions and expulsions rate data are not comparable to prior year data because the 2019-2020 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019-2020 school year compared to prior years.

School Safety Plan (School Year 2020-2021)

San Juan Unified School District makes safety a top priority. In accordance with the California Education Code, each school site's comprehensive school safety plan is reviewed, edited as needed and approved by the school site safety team by March 1 of each year. The plan includes a review of safety data for the campus, incident response information in case of fire, earthquakes and other dangers, and details on safety policies. A copy of the plan is available for review in the school office.

Drills are held on a regular basis to include fire drills, earthquake drills and intruder drills.

Safety is a shared responsibility, and our school is supported by the district's Safe Schools program in coordination with the Sacramento Sheriff's Department and Citrus Heights Police Department. The Safe Schools program provides district employed safety specialists who provide safety advice, training and respond to critical incidents. Sworn law enforcement is called, when needed, to assist the safety specialists. In addition, San Juan Unified has the option of employing uniformed law enforcement officers when needed.

Professional Development (Most Recent Three Years)

Measure	2018-19	2019-20	2020-21
Number of school days dedicated to Staff Development and Continuous Improvement		9	9

Professional development is a key part of the continuous improvement process for educators. The goal of our quality professional development is to support the learning of teachers and paraprofessionals to positively impact student achievement. Annually, teachers and site administrators participate in professional development in a variety of opportunities. Seventy-five minutes per week are dedicated to staff collaboration and training planned by site leadership teams. The District also provides a cycle of continuous professional development for Administrators through Principal Networks as well as Leadership Academies.

The District provides professional development opportunities for teachers and administrators that support the implementation of Common Core State Standards in English language arts, mathematics, science, social studies, and the ELA/ELD Framework. Specific professional development initiatives include: Culturally Responsive Practices, Critical Literacy, TK-2 Reading, Supporting Independence and Engagement through Reading and Writing, Math to the Core, Expository Reading and Writing Course, and ELD Foundations. District departments, Center for Teacher Support, grant-funded projects, and the San Juan Teacher's Association sponsor additional training opportunities. Professional development opportunities are voluntary for teachers and are provided throughout the year in a variety of formats: during the school day, after school, on Saturdays, and during summer and vacation breaks. Many teachers and administrators also take advantage of opportunities with Sacramento County Office of Education, California Department of Education, the college/university programs, state/national education organizations, and private educational institutes.

What grounds the professional development in the district is the District Strategic Plan and the Local Control Accountability Plan. Professional Development is further determined using one or more of the following: (a) student achievement data, (b) staff survey data, and (c) district-identified goals. Professional development addresses the Common Core State Standards, teaching strategies, curriculum, assessment, technology, classroom management, safety, and leadership. Administrator training accompanies professional development in district focus areas, providing implementation support for teachers on site. Content-area coaches are available at some schools. Additional classroom support is provided to new and struggling teachers by consulting teachers from the Center for Teacher Support.

Paraprofessionals are encouraged to participate in professional development at the district and site level. Specifically designed training is also offered to non-instructional support staff such as clerical and custodial staff that includes both operational and instructional topics.
