## School Accountability Report Card

### Reported Using Data from the 2019-2020 School Year

#### Published During 2020-2021

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or the LCAP, see the CDE LCFF webpage at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

#### **DataQuest**

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

#### **California School Dashboard**

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

### School Description and Mission Statement (School Year 2020-2021)

#### MISSION STATEMENT

Guiding the discovery of knowledge, Mission Avenue Open School inspires and engages all students to become responsible citizens and creative, confident, critical-thinking problem solvers through student-centered interdisciplinary learning, enhanced by experiential explorations in respectful collaborations within our community.

#### SCHOOL PROFILE

Mission Avenue Open School is an officially-designated alternative school in the San Juan Unified School District.

Mission School is guided by a unified philosophy that provides a high quality, standards-based, and comprehensive elementary school education through experiential learning. This is called the Open Philosophy and is based, in part, on Piaget's developmental learning theory, Dewey's constructivist learning theory, Montessori's use of manipulative materials, and Kohl's thematic, integrated curriculum. In open classrooms, emphasis is placed on individuality and reaching each child's potential. We have found that the best way to provide for this is through the following practices and themes: differentiation of instruction, experiential learning and constructivism, student-centered collaborative classrooms, field education, and parent involvement at all levels of the school program.

We believe applications of technology are critical to teaching and learning at all grade levels. To support this belief, each of our classrooms has access to Chromebooks and an Apple TV set up. All classrooms are WiFi enabled as we recognize that use of the internet is one technological key for students' success and, as such, plays an important role in hands-on learning, daily practical applications, and twenty-first century skills which are so important for each student's future.

To support our belief that participation in the visual and fine arts is a critical component in each child's educational program, Mission School offers band and choir programs, as well as multiple opportunities for all children to perform in grade-level and school-wide performances.

## PRINCIPAL'S MESSAGE

Children are a gift--each day that we see them engaged in learning alongside us, we recognize and are thankful for that gift! Our philosophy at Mission is much more than a slogan, much more than a sign we hang on the building - our philosophy, our community, and our teaching methods are our PRIORITY, and the success we see is the result.

At Mission Avenue Open School, we are committed to the idea that parents are an integral part of the learning experience, both inside and outside the classroom. Learning is best accomplished when teachers, parents, and students work as a team. Hand in hand, as part of the team, making academic choices, setting goals, and evaluating progress, students become responsible lifelong learners. We continuously encourage parent volunteerism, and those hours extend into our experiential learning activities where children are on single-day and multi-day field trips to take the learning outside of our four walls of the classroom. We call this an "Open Philosophy" and we are committed to it, because we know it works. We believe it is what's best for children. We welcome the participation of all families who embrace this philosophy, who recognize the remarkable, exciting, and distinguished learning community we've created at Mission Avenue Open School.

This year's academic focus is on K-2 guided reading and K-6 literacy and math using adopted materials, which support Common Core State Standards (CCSS) and rigorous instruction. We provide meaningful assessments that teach us more about what our students are capable of doing and what they are ready to do next. Staff are highly-skilled at engaging students in critical thinking on lessons, while continuing to guide children through learning experiences that are constructivist at the core.

At Mission Avenue Open School, we thrive by working with our community to engage children in rich learning experiences. We engage children in parent-funded learning experiences that take place outside of the classroom, and we ask children to make meaning of their learning and put it into action. Our philosophy stretches across every aspect of what we do. If you are interested in attending the school site on a regular basis and find that our philosophy is a good match for your child, we encourage you to call or visit our site and learn more. You can also email us at Margaret Terzich, Principal - Margaret.Terzich@sanjuan.edu.

## A. Conditions of Learning

### State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

### Teacher Credentials

Vacant Teacher Positions	0	0	0

Note: "Misassignments" refers to the number of positions filled by teachers who lack legal authorization to teach that grade level, subject area, student group, etc.

\*Total Teacher Misassignments includes the number of Misassignments of Teachers of English Learners.

## Quality, Currency, Availability of Textbooks and Other Instructional Materials (School Year 2020-2021)

Year and month in which data were collected: September, 2019

San Juan Unified held a public hearing on September 22, 2020 and determined that each school within the district had sufficient and good quality textbooks, instructional materials, or science lab equipment pursuant to the settlement of Williams vs. the State of California. All students, including English learners, are given their own individual standards-aligned textbooks or instructional materials, or both, in core subjects for use in the classroom and to take home. Textbooks and supplementary materials are adopted according to a cycle developed by the California Department of Education, making the textbooks used in the school the most current available. Materials approved for use by the State are reviewed by all teachers and a recommendation is made to the School Board by a selection committee composed of teachers and administrators. All recommended materials are available for parent examination at the district office prior to adoption. The table displays information collected in September 2018 about the quality, currency, and availability of the standards-aligned textbooks and other instructional materials used at the school. If you would like more information on the textbooks and instructional materials please visit our website: <http://www.sanjuan.edu/Page/23485> In July 2009, EC Section 60200.7. The State Board of Education has adopted frameworks for ELA/ELD, Math, Science and Social Sciences, and has identified an approved list of instructional materials available for adoption. For more information regarding San Juan's textbook adoption schedule, please visit our website:

## School Facility Conditions and Planned Improvements

Mission Avenue Elementary School was modernized during 1995. A heating and air-conditioning upgrade was added during the summer of 2000. The modernization scope included roof/repair or replacement, interior, and exterior painting, new lighting, selected window system replacement, energy management system for the HVAC, new doors with handicapped accessible hardware, restroom restoration, electrical infrastructure upgrade to provide for internet, cable, telephone, throughout the school. Currently, there is sufficient space to house the student population. There is a site custodial staff that cleans the building, along with district support for major/minor repairs. The district provides gardening and landscape services on a regular schedule. Regular fire/emergency drills are held, and badges are required for all visitors and personnel. Field repair, driveway resurfacing, and irrigation system retrofit continue to be a concern. The entire school was carpeted in 2003. Exterior painting of all facilities under Deferred Maintenance during Summer 2007. The area known as the "dust bowl" was irrigated and hydroseeded during Summer 2010.

The Board of Education and the Superintendent's policy is to ensure that all students are provided with a safe and well-maintained learning environment. The board approved resolutions in 1998 and 2002 to adequately fund maintenance activities and preserve the repairs and improvements funded by two facility bond measures. The school buildings, classrooms and grounds are safe, clean and functional. An inspection of the facility was conducted in October 2020 and determined that there were no unsafe conditions that required emergency repairs. District maintenance staff ensures that the repairs necessary to keep the school in good repair and working order are completed in a timely manner. A computer automated work order process is used to ensure efficient service and that emergency repairs and health and safety repairs are given the highest priority. The Board of Education has adopted cleaning standards and custodial staffing requirements for all schools in the district. This school meets the Board's standards for custodial staffing and cleanliness. The school's custodians are trained in the proper use of cleaning chemicals and Integrated Pest Management techniques. They are managed day to day by the Principal with assistance from the district's maintenance department. The district participates in the State School Deferred Maintenance Program, with funding allocated for major repair or replacement of existing school building components. Typically, this includes roofing, plumbing, heating, air conditioning, electrical systems, interior or exterior painting, and floor systems. Annually the district budgets \$2 million dollars for deferred maintenance activities.

### School Facility Good Repair Status

Using the **most recently collected** FIT data (or equivalent), provide the following:

- Determination of repair status for systems listed
- Description of any needed maintenance to ensure good repair
- The year and month in which the data were collected

## B. Pupil Outcomes

### State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

### CAASPP Test Results in ELA and Mathematics for All Students

#### Grades Three through Eight and Grade Eleven

#### Percentage of Students Meeting or Exceeding the State Standard

Mathematics (grades 3-8 and 11)	38	N/A	35	N/A	39	N/A

Note: Cells with N/A values do not require data.

Note: The 2019-2020 data are not available. Due to the COVID-19 pandemic, Executive Order N-30-20 was issued which waived the requirement for statewide testing for the 2019-2020 school year.

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

**State Priority: Other Pupil Outcomes**

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8):

- Pupil outcomes in the subject areas of physical education.

**California Physical Fitness Test Results (School Year 2019-2020)**

Grade Level	Percentage of Students Meeting Four of Six Fitness Standards	Percentage of Students Meeting Five of Six Fitness Standards	Percentage of Students Meeting Six of Six Fitness Standards

**C. Engagement**

**State Priority: Parental Involvement**

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site

**Opportunities for Parental Involvement (School Year 2020-2021)**

As critical partners in their child's education, parents are vital to the open-structured program at Mission Avenue. Parents work with staff to provide an environment that allows students to develop a love of learning that is reflected both at home and within the school community. Parents enhance their child's education by providing additional resources, skills, and talents before, during, and after school. At Mission Avenue Open School, we believe that when parents and teachers work together, students are motivated to reach their highest potential. Mission Avenue Open School has created a learning environment that includes the support and active participation of all parents. This is accomplished by their assistance in classroom, school, and/or at-home activities for a requested minimum two hours per week per child. Parents are also highly encouraged to consistently attend general programs and class meetings. Compacts (which outline parent, staff and student responsibilities) are signed yearly, affirming understanding of a commitment to our students' education, the school philosophy, and program. Parents participate in decision-making at parent meetings such as PTA, the English Learner Advisory Committee (ELAC), Regional LCAP (Local Control and Accountability Plan), and School Site Council meetings.

Parents assume responsibility for planning family education nights, family workdays, and family all-school events. Likewise, parents take full responsibility for planning all the fundraising activities that generate funds to purchase additional programs that enrich learning for all students.

Parents or community members who wish to participate in leadership teams, school committees, school activities, or become a volunteer may contact the school site at 916-575-5362 or email Margaret Terzich at Margaret.Terzich@sanjuan.edu.

**State Priority: School Climate**

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

**Suspensions and Expulsions**

**(data collected between July through June, each full school year respectively)**

Rate	School 2017-18	School 2018-19	District 2017-18	District 2018-19	State 2017-18	State 2018-19
Suspensions	0.8	0.4	5.8	4.9	3.5	3.5
Expulsions	0.0	0.0	0.1	0.1	0.1	0.1

**Suspensions and Expulsions for School Year 2019-2020 Only**

**(data collected between July through February, partial school year due to the COVID-19 pandemic)**

Rate	School 2019-20	District 2019-20	State 2019-20
Suspensions	0.00%	3.58%	
Expulsions	0.00%	0.03%	

Note: The 2019-2020 suspensions and expulsions rate data are not comparable to prior year data because the 2019-2020 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019-2020 school year compared to prior years.

**School Safety Plan (School Year 2020-2021)**

San Juan Unified School District makes safety a top priority. In accordance with the California Education Code, each school site’s comprehensive school safety plan is reviewed, edited as needed and approved by the school site safety team by March 1 of each year. The plan includes a review of safety data for the campus, incident response information in case of fire, earthquakes and other dangers, and details on safety policies. A copy of the plan is available for review in the school office.

Drills are held on a regular basis to include fire drills, earthquake drills and intruder drills.

Safety is a shared responsibility, and our school is supported by the district’s Safe Schools program in coordination with the Sacramento Sheriff’s Department and Citrus Heights Police Department. The Safe Schools program provides district employed safety specialists who provide safety advice, training and respond to critical incidents. Sworn law enforcement is called, when needed, to assist the safety specialists. In addition, San Juan Unified has the option of employing uniformed law enforcement officers when needed.

### Professional Development (Most Recent Three Years)

Measure	2018-19	2019-20	2020-21
Number of school days dedicated to Staff Development and Continuous Improvement		9	9

Professional development is a key part of the continuous improvement process for educators. The goal of our quality professional development is to support the learning of teachers and paraprofessionals to positively impact student achievement. Annually, teachers and site administrators participate in professional development in a variety of opportunities. Seventy-five minutes per week are dedicated to staff collaboration and training planned by site leadership teams. The District also provides a cycle of continuous professional development for Administrators through Principal Networks as well as Leadership Academies.

The District provides professional development opportunities for teachers and administrators that support the implementation of Common Core State Standards in English language arts, mathematics, science, social studies, and the ELA/ELD Framework. Specific professional development initiatives include: Culturally Responsive Practices, Critical Literacy, TK-2 Reading, Supporting Independence and Engagement through Reading and Writing, Math to the Core, Expository Reading and Writing Course, and ELD Foundations. District departments, Center for Teacher Support, grant-funded projects, and the San Juan Teacher's Association sponsor additional training opportunities. Professional development opportunities are voluntary for teachers and are provided throughout the year in a variety of formats: during the school day, after school, on Saturdays, and during summer and vacation breaks. Many teachers and administrators also take advantage of opportunities with Sacramento County Office of Education, California Department of Education, the college/university programs, state/national education organizations, and private educational institutes.

What grounds the professional development in the district is the District Strategic Plan and the Local Control Accountability Plan. Professional Development is further determined using one or more of the following: (a) student achievement data, (b) staff survey data, and (c) district-identified goals. Professional development addresses the Common Core State Standards, teaching strategies, curriculum, assessment, technology, classroom management, safety, and leadership. Administrator training accompanies professional development in district focus areas, providing implementation support for teachers on site. Content-area coaches are available at some schools. Additional classroom support is provided to new and struggling teachers by consulting teachers from the Center for Teacher Support.

Paraprofessionals are encouraged to participate in professional development at the district and site level. Specifically designed training is also offered to non-instructional support staff such as clerical and custodial staff that includes both operational and instructional topics.
