## School Accountability Report Card

### Reported Using Data from the 2019-2020 School Year

#### Published During 2020-2021

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or the LCAP, see the CDE LCFF webpage at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

#### **DataQuest**

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

#### **California School Dashboard**

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

### School Description and Mission Statement (School Year 2020-2021)

#### Principal's Message

It is my distinct pleasure to be the Instructional Leader at Ralph Richardson Center. In alignment with the San Juan Unified Strategic Plan, and with thoughtful shared input and deliberate collaboration, staff and families work together to provide optimum educational opportunities for our unique learners. I invite you to come for a visit, I predict you will be forever changed.

#### Mission Statement

Ralph Richardson Center is a place where, with respect to individual needs and learning styles, and in a collaborative manner, staff challenge and support students to achieve their optimal potential and independence by providing effective instruction and related support services in a nurturing environment.

#### School Profile

Ralph Richardson is one of three special education schools in San Juan Unified School District. Our site boasts programs serving students with varying needs. Currently, we provide specialized instruction for pre-schoolers who present with special needs, as well as typically developing youngsters in Early Childhood Education. Additionally, we have five special day classes for students with profound cognitive, physical and/or health needs, and three middle/high/transition school programs serving students impacted by autism to the most severe degree.

Given our recent performance data, we have concluded our diploma and non-diploma bound students need continued support to perform at higher levels of achievement. In order to address student needs, we have selected four goal areas that we have agreed would make a significant positive impact for student growth and achievement. Additionally, we reviewed the San Juan Unified School District Strategic Plan to ensure our goals are in alignment.

1) Richardson staff will increase their effectiveness and comfort level for utilizing technology and specific teaching methods, strategies and/or programs (for example; skills of daily living, communication programs, mobility programs; MOVE, pre-vocational/vocational, academics and others) to support students with moderate/severe disabilities and orthopedic impairments.

2) Richardson staff will learn and implement ways to communicate and collaborate with all stakeholders in a more meaningful, timely, and effective manner and increase knowledge and interactions that are effective in attending to cultural responsiveness.

3) Richardson staff will learn and implement transition plans to assist students move to less restrictive environments, move from grade to grade and transition more successfully into adult programs.

The Principal and leadership team did the initial analysis of data and reported to the stakeholders. Site goals were drafted, collaboratively, by the Principal, leadership team and school staff based on input from parents and all teaching and support staff. Responsibility will be shared with all stakeholders and progress reported using a transparent communication format.

## A. Conditions of Learning

### State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

### Teacher Credentials

Vacant Teacher Positions	0	0	0

Note: "Misassignments" refers to the number of positions filled by teachers who lack legal authorization to teach that grade level, subject area, student group, etc.

\*Total Teacher Misassignments includes the number of Misassignments of Teachers of English Learners.

## Quality, Currency, Availability of Textbooks and Other Instructional Materials (School Year 2020-2021)

**Year and month in which data were collected:** September, 2019

San Juan Unified held a public hearing on September 22, 2020 and determined that each school within the district had sufficient and good quality textbooks, instructional materials, or science lab equipment pursuant to the settlement of Williams vs. the State of California. All students, including English learners, are given their own individual standards-aligned textbooks or instructional materials, or both, in core subjects for use in the classroom and to take home. Textbooks and supplementary materials are adopted according to a cycle developed by the California Department of Education, making the textbooks used in the school the most current available. Materials approved for use by the State are reviewed by all teachers and a recommendation is made to the School Board by a selection committee composed of teachers and administrators. All recommended materials are available for parent examination at the district office prior to adoption. The table displays information collected in September 2018 about the quality, currency, and availability of the standards-aligned textbooks and other instructional materials used at the school. If you would like more information on the textbooks and instructional materials please visit our website: <http://www.sanjuan.edu/Page/23485> In July 2009, EC Section 60200.7. The State Board of Education has adopted frameworks for ELA/ELD, Math, Science and Social Sciences, and has identified an approved list of instructional materials available for adoption. For more information regarding San Juan’s textbook adoption schedule, please visit our website:

## School Facility Conditions and Planned Improvements

Ralph Richardson Center has been modernized, using Measures S and J funding, over the last five years. The parking area was repaved during the summer of 2005. All rooms used by students are cleaned daily, with special attention to areas housing medically fragile students. All classrooms are currently being used for instruction or instructional support. In 2009, major ADA and Safe Routes improvements were made including landscape, irrigation, parking lots, and sidewalks using Measure J funds.

The Board of Education and the Superintendent's policy is to ensure that all students are provided with a safe and well-maintained learning environment. The board approved resolutions in 1998 and 2002 to adequately fund maintenance activities and preserve the repairs and improvements funded by two facility bond measures. The most recent modifications to the Richardson campus was the installation of security fences around the perimeter of the school which was completed in September of 2016. The school buildings, classrooms and grounds are safe, clean and functional. An inspection of the facility was conducted in October 2020 and determined that there were no unsafe conditions that required emergency repairs. District maintenance staff ensures that the repairs necessary to keep the school in good repair and working order are completed in a timely manner. A computer automated work order process is used to ensure efficient service and that emergency repairs and health and safety repairs are given the highest priority. The Board of Education has adopted cleaning standards and custodial staffing requirements for all schools in the district. This school meets the Board's standards for custodial staffing and cleanliness. The school's custodians are trained in the proper use of cleaning chemicals and Integrated Pest Management techniques. They are managed day to day by the Principal with assistance from the district's maintenance department. The district participates in the State School Deferred Maintenance Program, with funding allocated for major repair or replacement of existing school building components. Typically, this includes roofing, plumbing, heating, air conditioning, electrical systems, interior or exterior painting, and floor systems. Annually, the district budgets for deferred maintenance activities.

### School Facility Good Repair Status

Using the **most recently collected** FIT data (or equivalent), provide the following:

- Determination of repair status for systems listed
- Description of any needed maintenance to ensure good repair
- The year and month in which the data were collected
- The rate for each system inspected
- The overall rating

## B. Pupil Outcomes

### State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

### CAASPP Test Results in ELA and Mathematics for All Students

#### Grades Three through Eight and Grade Eleven

#### Percentage of Students Meeting or Exceeding the State Standard

Subject	School 2018-19	School 2019-20	District 2018-19	District 2019-20	State 2018-19	State 2019-20
English Language Arts/Literacy (grades 3-8 and 11)		N/A	46	N/A	50	N/A
Mathematics (grades 3-8 and 11)		N/A	35	N/A	39	N/A

Note: Cells with N/A values do not require data.

Note: The 2019-2020 data are not available. Due to the COVID-19 pandemic, Executive Order N-30-20 was issued which waived the requirement for statewide testing for the 2019-2020 school year.

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

### State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8):

- Pupil outcomes in the subject areas of physical education.

### California Physical Fitness Test Results (School Year 2019-2020)

Grade Level	Percentage of Students Meeting Four of Six Fitness Standards	Percentage of Students Meeting Five of Six Fitness Standards	Percentage of Students Meeting Six of Six Fitness Standards

## C. Engagement

### State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site

### Opportunities for Parental Involvement (School Year 2020-2021)

Ralph Richardson Center greatly benefits from its supportive parents who volunteer their valuable time. The school has a base of parent volunteers who assist students and staff in all aspects of daily living and educational programs. Parents are also welcome to join us in planning all annual events. Additionally, the school benefits from several community partnerships, including the dedicated and loyal Rotary of Sacramento, MOVE, the Sacramento Labor Council, Senior Gleaners, Therapeutic Service organizations and other community individuals and/or organizations that support our school and students.

Ralph Richardson has a Parent Teacher Association which meets quarterly.

Parents or community members who wish to participate in leadership teams, school committees, school activities, fund-raisers, special projects or become a volunteer may contact Joann Day, Principal at (916) 971-7411.

### State Priority: Pupil Engagement

The SARC provides the following information relevant to the State priority: Pupil Engagement (Priority 5):

- High school dropout rates; and
- High school graduation rates.

#### Dropout Rate and Graduation Rate (Four-Year Cohort Rate)

Indicator	School 2016-17	School 2017-18	School 2018-19	District 2016-17	District 2017-18	District 2018-19	State 2016-17	State 2017-18	State 2018-19

### State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

#### Suspensions and Expulsions

(data collected between July through June, each full school year respectively)

Rate	School 2017-18	School 2018-19	District 2017-18	District 2018-19	State 2017-18	State 2018-19
Suspensions	0.0	0.0	5.8	4.9	3.5	3.5
Expulsions	0.0	0.0	0.1	0.1	0.1	0.1

#### Suspensions and Expulsions for School Year 2019-2020 Only

(data collected between July through February, partial school year due to the COVID-19 pandemic)

Rate	School 2019-20	District 2019-20	State 2019-20
Suspensions	0.00%	3.58%	
Expulsions	0.00%	0.03%	

Note: The 2019-2020 suspensions and expulsions rate data are not comparable to prior year data because the 2019-2020 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019-2020 school year compared to prior years.

#### School Safety Plan (School Year 2020-2021)

San Juan Unified School District makes safety a top priority. In accordance with the California Education Code, each school site's comprehensive school safety plan is reviewed, edited as needed and approved by the school site safety team by March 1 of each year. The plan includes a review of safety data for the campus, incident response information in case of fire, earthquakes and other dangers, and details on safety policies. A copy of the plan is available for review in the school office.

Drills are held on a regular basis to include fire drills, earthquake drills and intruder drills.

Safety is a shared responsibility, and our school is supported by the district’s Safe Schools program in coordination with the Sacramento Sheriff’s Department and Citrus Heights Police Department. The Safe Schools program provides district employed safety specialists who provide safety advice, training and respond to critical incidents. Sworn law enforcement is called, when needed, to assist the safety specialists. In addition, San Juan Unified has the option of employing uniformed law enforcement officers when needed.

## D. Other SARC Information

### Types of Services Funded (Fiscal Year 2019-2020)

The table provides a comparison of a school’s per pupil funding from unrestricted sources with other schools in the district and throughout the state. Supplemental/Restricted expenditures come from money whose use is controlled by law or donor. Money designated for specific purposes by the district or governing board is not considered restricted. Basic/unrestricted expenditures, except for general guidelines, is not controlled by law or donor. For detailed information on school expenditures for all districts in California, see the CDE Current Expense of Education & Per-pupil Spending Web page at <http://www.cde.ca.gov/ds/fd/ec/>. For information on teacher salaries for all districts in California, see the CDE Certificated Salaries & Benefits Web page at <http://www.cde.ca.gov/ds/fd/cs/>. To look up expenditures and salaries for a specific school district, see the Ed-Data Web site at: <http://www.ed-data.org>.

## Professional Development (Most Recent Three Years)

Measure	2018-19	2019-20	2020-21
Number of school days dedicated to Staff Development and Continuous Improvement		9	9

Professional development is a key part of the continuous improvement process for educators. The goal of our quality professional development is to support the learning of teachers and paraprofessionals to positively impact student achievement. Annually, teachers and site administrators participate in professional development in a variety of opportunities. Seventy-five minutes per week are dedicated to staff collaboration and training planned by site leadership teams. The District also provides a cycle of continuous professional development for Administrators through Principal Networks as well as Leadership Academies.

The District provides professional development opportunities for teachers and administrators that support the implementation of Common Core State Standards in English language arts, mathematics, science, social studies, and the ELA/ELD Framework. Specific professional development initiatives include: Culturally Responsive Practices, Critical Literacy, TK-2 Reading, Supporting Independence and Engagement through Reading and Writing, Math to the Core, Expository Reading and Writing Course, and ELD Foundations. District departments, Center for Teacher Support, grant-funded projects, and the San Juan Teacher's Association sponsor additional training opportunities. Professional development opportunities are voluntary for teachers and are provided throughout the year in a variety of formats: during the school day, after school, on Saturdays, and during summer and vacation breaks. Many teachers and administrators also take advantage of opportunities with Sacramento County Office of Education, California Department of Education, the college/university programs, state/national education organizations, and private educational institutes.

What grounds the professional development in the district is the District Strategic Plan and the Local Control Accountability Plan. Professional Development is further determined using one or more of the following: (a) student achievement data, (b) staff survey data, and (c) district-identified goals. Professional development addresses the Common Core State Standards, teaching strategies, curriculum, assessment, technology, classroom management, safety, and leadership. Administrator training accompanies professional development in district focus areas, providing implementation support for teachers on site. Content-area coaches are available at some schools. Additional classroom support is provided to new and struggling teachers by consulting teachers from the Center for Teacher Support.

Paraprofessionals are encouraged to participate in professional development at the district and site level. Specifically designed training is also offered to non-instructional support staff such as clerical and custodial staff that includes both operational and instructional topics.
