School Accountability Report Card

Reported Using Data from the 2019-2020 School Year

Published During 2020-2021

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or the LCAP, see the CDE LCFF webpage at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

School Description and Mission Statement (School Year 2020-2021)

MISSION STATEMENT

Skycrest participated in a comprehensive strategic planning process during the winter and spring of 2011. A diverse group of staff, parents, and community members developed the following mission statement that was formally adopted by Skycrest Site Council in May of 2011. In October 2013, the Strategic Planning Team reconvened to review the progress of the School Strategic Plan. Recommendations for change were made with Action Teams reconvening in January 2014 to review the tactics. The Strategic Planning team and Skycrest staff reviewed the data from the Action Teams in May 2014 and information was brought to the School Site Council in September 2014.

The staff review the school goals and our mission and adjust according to student needs. Administrators also gather information from parent meetings, English Language Acquisition Committee, ELAC; Parent Teacher Organization, PTO; School Site Council, SSC, and other Parent Meetings and share times throughout the year.

The mission of Skycrest Elementary School, valuing academic excellence, positive character development, and diversity, is to inspire every student to responsibly contribute to an ever-changing world by engaging in an innovative curriculum that challenges each individual's learning within a culturally enriched environment in partnership with families, school, and community.

SCHOOL PROFILE

Skycrest Elementary is one of 41 elementary/K-8 schools in the San Juan Unified School District. The curriculum provided is aligned to the Common Core State Standards. Staff at Skycrest implement the Common Core State Standards (CCSS) in their teaching and in designing and establishing their daily lessons. The school supports cultural awareness on a daily basis through its diverse literature selections and other school activities. Included as part of our daily teaching is bringing awareness of Social Justice and Equity to the Skycrest Community through literature, class meetings and current events. Through our character education program, Skycrest places a heavy focus on establishing students with strong, positive character traits. Grade levels present at each assembly, focusing on one of the specific traits. Monthly character assemblies are held with students recognized for demonstrating these traits every day.

Skycrest has a BRIDGES After-School program that is funded by the 21st Century Grant and ASSETS. This program provides after school enrichment, homework completion time, structured physical education games, and parent activities. The BRIDGES program is offered at low cost to families. The program offers enrichment activities, support with homework or classwork if needed, and an opportunity for students to participate in social activities.

To support our English Learner students, Designated English Language Development (D-ELD) is planned daily, with students receiving support in their designated groups: expanding, emerging, bridging and enriching. All teachers within each grade level provide D-ELD and integrated ELD strategies in all core content areas throughout the day.

The focus for our professional learning cycle this school year will be focused around math, critical thinking and problem solving; as well as writing, including content and conventions, that are aligned with reading text levels. We will also work to support writing that is aligned with student's text level of reading.

An emphasis of incorporating grade level standards and increasing of the Depth of Knowledge (DOK) rigor that is presented within each class and throughout the grade level will be included as work around these areas. Designated English Language Development (ELD) is scheduled for all grade levels with English Learners (ELs) placed in groups to support them at their English Language level. Further collaboration days around Writing and Math are planned, both virtually and when in person, to support students in writing throughout the day and throughout all curricula areas and to support students in both a conceptual and procedural understanding of math. Data release days will be scheduled when we return back to in are scheduled around guided reading, running records, text levels, and writing with a focus around common understanding and norms throughout each grade level. Title 1 Academic coaches and administrators will coach and support teachers in the area of math and learning about specific targeted areas in math. The California Assessment of Student Performance and Progress (CAASPP) data shows that focus on increased language development is necessary for all students--both English Learners (ELs) and English Only (EO) students. With approximately 45% of our students population being English Learners, it is our top priority to increase vocabulary acquisition and oral language for all students. Continued professional development will be presented to support teachers in using strategies and techniques that will support all students in the area writing and math.

Skycrest School Objectives:

- All students will develop and apply 21st century skills such as problem solving, critical and relative thinking, collaboration, and the application of technology.
- Each year, all students will achieve at least one year's growth towards grade level Common Core Standards as determined by multiple measures.
- We will model and integrate positive character traits within our community.

Tactics:

1. Caring staff actively will build community relationships, identify assets and needs, and connect with students and families with resources to help parents which in turn will support students to help them access the best opportunities our school has to offer.
2. We will actively engage and build trusting relationships with students, families, and our diverse community to create a unified, collaborative learning environment focused on academic success; and support and develop the social/emotional well-being of each student by utilizing the Skycrest Character Traits, effective Social Emotional Strategies, applying the District Social Justice Standards, and engaging families as valued partners in the educational process and the development of the whole child.
3. We will regularly monitor student progress, using data to identify student needs and implement effective innovative instructional strategies to increase student achievement.
4. Our whole school community engages each student in discovering their limitless potential, and through coordinated efforts prepares the student for college, career and bright futures filled with opportunity.

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

*Total Teacher Misassignments includes the number of Misassignments of Teachers of English Learners.

Quality, Currency, Availability of Textbooks and Other Instructional Materials (School Year 2020-2021)

Year and month in which data were collected: September, 2019

San Juan Unified held a public hearing on September 22, 2020 and determined that each school within the district had sufficient and good quality textbooks, instructional materials, or science lab equipment pursuant to the settlement of Williams vs. the State of California. All students, including English learners, are given their own individual standards-aligned textbooks or instructional materials, or both, in core subjects for use in the classroom and to take home. Textbooks and supplementary materials are adopted according to a cycle developed by the California Department of Education, making the textbooks used in the school the most current available. Materials approved for use by the State are reviewed by all teachers and a recommendation is made to the School Board by a selection committee composed of teachers and administrators. All recommended materials are available for parent examination at the district office prior to adoption. The table displays information collected in September 2018 about the quality, currency, and availability of the standards-aligned textbooks and other instructional materials used at the school. If you would like more information on the textbooks and instructional materials please visit our website: <http://www.sanjuan.edu/Page/23485> In July 2009, EC Section 60200.7. The State Board of Education has adopted frameworks for ELA/ELD, Math, Science and Social Sciences, and has identified an approved list of instructional materials available for adoption. For more information regarding San Juan's textbook adoption schedule, please visit our website:

School Facility Conditions and Planned Improvements

Skycrest Elementary was modernized during the 1999-2000 school year. The scope included roof/repair or replacement, interior and exterior painting, window system replacement, energy-efficient lighting, heating and cooling system upgrade, new doors with handicapped accessible hardware, restroom restoration, electrical infrastructure upgrade to provide for internet, cable, telephone, new fire, intrusion and intercom system throughout the school. Classrooms were carpeted at that time and were upgraded again for the 2004-2005 school year. In 2006 Skycrest had an additional wing built. This allowed Skycrest to replace portable classrooms with 8 new classrooms. In summer 2008 the parking lot and hard-court was overlaid, ADA sidewalk and Safe Route upgrades and a complete landscape & irrigation project were completed funded through Measure-J Bond. During the spring of 2009 Skycrest's exterior was repainted. Summer 2011 our parking lot was made safer for students with the addition of a sidewalk around the perimeter of the front parking lot. This allows us to control pedestrian traffic so no one has to cross through traffic to walk to the front of our school.

During the spring of 2011 Skycrest received a grant and became one of the only schools in Northern California with a diverse fruit orchard. Our Community Orchard was planted with 27 fruit trees that offer a wide variety of fruit that will ripen during the school year. These trees are watered through an automated system installed using the grant funds. In addition to the fruit orchard, the Sacramento Tree Foundation sponsored a tree planting day on campus. 55 additional shade trees were planted throughout the campus.

The Board of Education and the Superintendent's policy is to ensure that all students are provided with a safe and well-maintained learning environment. The board approved resolutions in 1998 and 2002 to adequately fund maintenance activities and preserve the repairs and improvements funded by two facility bond measures. The school buildings, classrooms and grounds are safe, clean and functional. An inspection of the facility was conducted in October 2020 and determined that there were no unsafe conditions that required emergency repairs. District maintenance staff ensures that the repairs necessary to keep the school in good repair and working order are completed in a timely manner. A computer automated work order process is used to ensure efficient service and that emergency repairs and health and safety repairs are given the highest priority. The Board of Education has adopted cleaning standards and custodial staffing requirements for all schools in the district. This school meets the Board's standards for custodial staffing and cleanliness. The school's custodians are trained in the proper use of cleaning chemicals and Integrated Pest Management techniques. They are managed day to day by the Principal with assistance from the district's maintenance department. The district participates in the State School Deferred Maintenance Program, with funding allocated for major repair or replacement of existing school building components. Typically, this includes roofing, plumbing, heating, air conditioning, electrical systems, interior or exterior painting, and floor systems. Annually the district budgets \$2 million dollars for deferred maintenance activities.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Note: The 2019-2020 data are not available. Due to the COVID-19 pandemic, Executive Order N-30-20 was issued which waived the requirement for statewide testing for the 2019-2020 school year.

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site

Opportunities for Parental Involvement (School Year 2020-2021)

Parental involvement enriches a child’s academic learning experience. The staff and administration appreciate our parents and seeks input and feedback from the parents and guardians of our students. At Skycrest Elementary School, we provide many opportunities for parents to reach out to us and for us to reach out to them.

Parental involvement is valued at Skycrest Elementary School. It is one of the tactics called out in Skycrest's Strategic Plan: "We will actively engage families and the community as valued partners in the educational process." Resources and parent information are located in a central area near the office. This includes opportunities and classes for parenting that are made available by the school and through the district.

Parental involvement means:

The participation of parents in regular, two-way, and meaningful communication involving student academic learning and other school activities, including and ensuring:

- (A) that parents play an integral role in assisting their child's learning;
- (B) that parents are encouraged to be actively involved in their child's education at school;
- (C) that parents are full partners in their child's education and are included, as appropriate, in decision-making and on advisory committees to assist in the education of their child.

School Parent Involvement Policy Process:

The Skycrest School Site Council will be established with parent members voted in. Members will review the School Plan for Student Achievement (SPSA) and the School Parental Involvement Policy to ensure that academic needs for all students are met and that parents and the community have an opportunity to voice their concerns. School Site Council meeting will be held five times during the school year to modify the School Plan for Student Achievement if necessary and ensure that school wide needs are met.

Opportunities for parents to give input and receive information on parent involvement include:

- Back-to-School Night
- Title I Annual Parent Meeting
- Parent School Information Night
- Parent – Teacher Conferences (Fall and Spring)
- Family Learning Nights: Literacy Night, Sami's Circuit, and Math /ScienceNight
- School Site Council meetings
- English Learner Advisory Committee (ELAC) Meetings
- Parent training classes - Offered by the School and the district
- Parent-Teacher Organization (PTO) meetings
- Community Parent-Principal meetings (i.e Mugs and Muffins/Virtual Coffee Chats)

Skycrest will use these event opportunities to:

- Build parental involvement and ensure an effective partnership between the school and parents.
- Provide parents with a description of the curriculum and assessments used to measure progress and expected proficiency levels.
- Identify and provide training in order to assist their children in improving academic achievement.

Opportunities to get involved at Skycrest include:

- Classroom Volunteers
- Playground Volunteers
- Cafeteria Volunteers
- School Site Council (Meetings are held the third Tuesday of each month and parents make up half of the committee)
- .Title 1 Parent Meetings, School meetings
- .Parent Classes and Trainings offered by Skycrest Staff
- English Learner Advisory Committee (ELAC) Meetings
- Fieldtrips / Class events
- PTO Meetings are held once monthly
- Fundraisers
- School Events and Activities:
- Family night volunteers and participants
- Field Day
- Jog-a-thon
- Community Helpers
- Holiday Sing-A-Long
- Schoolwide Spirit Day Lunches: Held monthly. Parents are invited to come eat lunch with their children.

- Character Ed Assemblies - Grade Level Presentations at each assembly with parent invited
- Awards Assemblies: Held once once a trimester. Parents receive written invitations.
- School Performances: Grade levels perform monthly at Character Ed Assemblies and the end of the year talent show

The education of your child is a team effort between school and home. The teachers at Skycrest work very hard for all our students, but WE NEED YOU to be a part of our team. Your involvement at school lets your child know you think his or her school is important. Thank you for investing your time and energies in our nation’s most valuable resource, our children!!

Parents or community members who wish to participate in leadership teams, school committees, school activities, or become a volunteer may contact the Principal, Sandra Rangel, or the Vice Principal, Sabrina Parsley at (916) 867-2098.

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

Suspensions and Expulsions

(data collected between July through June, each full school year respectively)

Rate	School 2017-18	School 2018-19	District 2017-18	District 2018-19	State 2017-18	State 2018-19
Suspensions	1.7	4.4	5.8	4.9	3.5	3.5
Expulsions	0.0	0.0	0.1	0.1	0.1	0.1

Suspensions and Expulsions for School Year 2019-2020 Only

(data collected between July through February, partial school year due to the COVID-19 pandemic)

Rate	School 2019-20	District 2019-20	State 2019-20
Suspensions	1.41%	3.58%	
Expulsions	0.00%	0.03%	

Note: The 2019-2020 suspensions and expulsions rate data are not comparable to prior year data because the 2019-2020 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019-2020 school year compared to prior years.

School Safety Plan (School Year 2020-2021)

San Juan Unified School District makes safety a top priority. In accordance with the California Education Code, each school site’s comprehensive school safety plan is reviewed, edited as needed and approved by the school site safety team by March 1 of each year. The plan includes a review of safety data for the campus, incident response information in case of fire, earthquakes and other dangers, and details on safety policies. A copy of the plan is available for review in the school office.

Drills are held on a regular basis to include fire drills, earthquake drills and intruder drills.

Safety is a shared responsibility, and our school is supported by the district’s Safe Schools program in coordination with the Sacramento Sheriff’s Department and Citrus Heights Police Department. The Safe Schools program provides district employed safety specialists who provide safety advice, training and respond to critical incidents. Sworn law enforcement is called, when needed, to assist the safety specialists. In addition, San Juan Unified has the option of employing uniformed law enforcement officers when needed.

Professional Development (Most Recent Three Years)

Measure	2018-19	2019-20	2020-21
Number of school days dedicated to Staff Development and Continuous Improvement		9	9

Professional development is a key part of the continuous improvement process for educators. The goal of our quality professional development is to support the learning of teachers and paraprofessionals to positively impact student achievement. Annually, teachers and site administrators participate in professional development in a variety of opportunities. Seventy-five minutes per week are dedicated to staff collaboration and training planned by site leadership teams. The District also provides a cycle of continuous professional development for Administrators through Principal Networks as well as Leadership Academies.

The District provides professional development opportunities for teachers and administrators that support the implementation of Common Core State Standards in English language arts, mathematics, science, social studies, and the ELA/ELD Framework. Specific professional development initiatives include: Culturally Responsive Practices, Critical Literacy, TK-2 Reading, Supporting Independence and Engagement through Reading and Writing, Math to the Core, Expository Reading and Writing Course, and ELD Foundations. District departments, Center for Teacher Support, grant-funded projects, and the San Juan Teacher's Association sponsor additional training opportunities. Professional development opportunities are voluntary for teachers and are provided throughout the year in a variety of formats: during the school day, after school, on Saturdays, and during summer and vacation breaks. Many teachers and administrators also take advantage of opportunities with Sacramento County Office of Education, California Department of Education, the college/university programs, state/national education organizations, and private educational institutes.

What grounds the professional development in the district is the District Strategic Plan and the Local Control Accountability Plan. Professional Development is further determined using one or more of the following: (a) student achievement data, (b) staff survey data, and (c) district-identified goals. Professional development addresses the Common Core State Standards, teaching strategies, curriculum, assessment, technology, classroom management, safety, and leadership. Administrator training accompanies professional development in district focus areas, providing implementation support for teachers on site. Content-area coaches are available at some schools. Additional classroom support is provided to new and struggling teachers by consulting teachers from the Center for Teacher Support.

Paraprofessionals are encouraged to participate in professional development at the district and site level. Specifically designed training is also offered to non-instructional support staff such as clerical and custodial staff that includes both operational and instructional topics.
