Mary A. Deterding Elementary School
"Where the Arts Are Academic!"
January 21st, 2014

Mrs. Elcock, Principal

Parent Volunteer of the Week
Thank you to Karen Cavalari for her support in Mr. Mitchell’s 3rd grade class. She tutors, files, copies papers, and is a good friend to everyone in room 4. Thank you Karen...your time and energy is much appreciated! Karen’s daughter is Mia.

Student Volunteers of the Week
Thank you to 5th and 6th grade students, Sarah Enos, Faith King, and Katy Jordan for supporting our 4th grade Dance Team with their talents! They help coach and teach dance moves to these students with our new Dance Team Teacher, Ms. Kristen. You are wonderful role models!

Family Life Materials
The Family Life Education Program scheduled for Grades 4-6 has been changed. We will now have materials ready to be viewed by parents from February 4th through 7th from 7:00 AM until 3:30 PM. A parent consent letter was sent home today. Please return it to school by February 10th. It is an “opt-in” choice. Please email Mrs. Elcock if you have questions regarding this.

Monday Folders
Thank you to the many parents who worked together to stuff folders to send home today. We
appreciate your efforts to reduce the use of paper and make communication home easier for our community. Tanja McCey and Alison Ramirez lead the organization of this.

Marvelous Magical Music!
Nina Kraus, the director of the Auditory Neuroscience Laboratory at Northwestern University, says that schools with music programs have noticed a big difference between the kids who play music and those who don’t. Teachers of the students see that students who participate in music are rising stars. They are staying in school, when so many of their peers are dropping out. They do better in other subjects, like reading and math. They tend to have better academic skills overall, according to Nina Kraus. Neuroscientist, Benjamin Zendal says, “Just a little bit of music training can have positive benefits on your underlying neurophysiology and cognitive skills.” Music stimulates the brain, helping in the classroom. We are fortunate that our community is dedicated to enriching our students with the arts at Deterding!

Academic Talent Search
Academic Talent Search
Testing will be done at Deterding Elementary School on February 4th, at 8:30 AM for 4th through 6th grade students. The cost is $15 per student. If your child is unable to attend on the 4th, there will be alternate days and times at CSUS. Students need to bring their registration form and money on the day of the test, February 4th. Please let your child’s teacher know by January 28th if you would like your student to participate. Forms will be sent home this week.

Reminder
No School the week of February 17th

Principal's Message
Progress notices will be issued this week. These notices are sent to inform parents if their student is below grade level or approaching grade level standards. It is a communication to help parents have a better understanding of how their student is performing so they know how to best support them.

All parents want their children to be successful in school. Parents' involvement and support in their child's education is the most critical factor in determining whether their child will be successful in school. Parental influence has a greater impact on student success than the school they attend or the quality of instruction they receive. Parents are a child's first teacher. Therefore, the partnership between them and their child's teacher is an important link to ensure a child's success in school.

There never was any heart truly great and generous that was not also tender and compassionate. ~ Robert Frost
School: Deterding Elementary School
Date: January 21st, 2014

Dear Parents:

Each year our school district offers a unit of instruction on human growth and development, including videos on human reproduction. This unit is part of the board-adopted Comprehensive Sexual Health Program in grades 4, 5 and 6. District policy requires that parents be provided with an opportunity to decide whether they wish to have their child participate in the lessons on growth and development/human reproduction. Alternate lessons in health education will be provided for students whose parents choose not to have them participate.

The growth and development/human reproduction media will be shown to 4th, 5th, and 6th grade students at our school on February 12th and 14th. All videos will be shown separately to boys and girls in these grades. A discussion period will follow each presentation.

You may preview the media materials at the school February 3rd through 7th, or copies may be checked out from the school.

Please return the section below by February 10th. If you have any questions regarding the program, please contact the school or the Health Services Office (971-7643).

Sincerely,

Timmi Elcock
Principal
Deterding Elementary School

We have some really exciting news to share with our Deterding faculty, families, and friends! For years and years, there has been talk about forming ONE parent teacher organization (PTO) at Deterding. The idea has always been to have an open organization inclusive of every family and staff member at our school, working together to further the mission of Deterding. We’re pleased to say that the idea is finally a reality!

Introducing... DREAM!

Last month, the Deterding PTA’s Executive Board and DART’s Board of Directors met together and decided to move forward with forming a new organization to encompass the activities of both DART & PTA with a lot more flexibility. Since that time, we have been working hard to implement this vision and the structure for a successful group. Today, we would like to introduce you to DREAM. DREAM stands for Deterding Resources for Education, Arts & Music.

Meet the DREAM Board of Directors
Tammy Chabino, 6th Grade & Alumni Parent
George Dozet, Music Specialist
Rebecca Friedman, 4th Grade Teacher
Julie Haubec, 4th Grade & Alumni Parent
Yvonne Jordan, 4th & 6th Grade Parent
Tanja MeCey, 4th Grade & Alumni Parent
Alison Ramirez, 2nd Grade Parent
Jill Roska, School Secretary
Duste Sellas, 5th Grade Parent
Jean Weil, Art Specialist

As DREAM Board Members, we are your representatives, and we want to hear from you. All Board Members are available to speak with you about any questions, ideas, or concerns you may have. Please visit our website for contact information.

Have questions about DREAM, PTA, & DART?
On the back, we have answers to some basic questions. Have more questions or need more information? Send an email to info@deterding.org or come to our next meeting, community meeting, or meet up.

Next DREAM Team Meeting
Join us at our first meeting and be a part of the DREAM Team!
Wednesday, January 22nd @ 7PM (Room 18 - Art)

Community Meeting
DREAM will be hosting an open community meeting to answer any questions you may have.
Wednesday, February 5th @ 6:30PM (Library)

First Friday Coffee & Treats Meet Up
Starting Friday, February 7th after morning drop-off, DREAM will be sponsoring a monthly Meet Up by the blue tables. Come meet our Board Members, other parents, and find out what's happening!
**Questions & Answers**

**Are PTA & DART merging?**
No. DREAM is a new organization. Both the PTA and DART Board Members agreed to form DREAM, a new parent teacher organization, and to transition all Deterding parent group sponsored programs and events to DREAM over the next six months.

**What does this mean for me?**
It means supporting Deterding and its many wonderful and unique programs will become even easier. Fundraising will be streamlined. Checks will be payable to one organization, rather than two. There will be one website, one Facebook page, etc. Best of all... there will be ONE monthly meeting open to ALL!!

**Why are you doing this now?**
This idea has been talked about for more than 10 years, if not longer. Over the years, we have had many parents express confusion over the myriad of parent groups at Deterding and who to support. Once the PTA and DART Boards came to an agreement on the structure for a new organization, it seemed best to move quickly to form DREAM and start the ball rolling. There’s no time like the present!

**Aren’t we required to have a PTA?**
No. There are no requirements that a school have a PTA, PTO, or any kind of parent organization. Many of us have come to think the term “PTA” means any parent volunteer group at a school. Actually, PTA is a single specific nationwide organization, with state, county, and local levels of supervision and organization. They are not a part of the government or the school system. The Deterding PTA is just a local unit of this much larger organization. Only about 25% of parent groups nationwide are actually affiliated with the PTA - the rest are independent organizations.

**What will happen to PTA?**
The Deterding PTA Executive Board will still continue to meet monthly as required by its bylaws. At some point in the future, a vote will be taken to hold a general meeting about dissolving the PTA unit. PTA will update the community of that future date. All future PTA programs and events will now be sponsored by DREAM. Your PTA membership will still be valid until June 2014.

**What will happen to DART?**
DART will continue to exist in a limited capacity until the end of June 2014. The DART monthly meetings will now be DREAM monthly meetings instead. All future DART programs and events will now be sponsored by DREAM.

**What about PERLE?**
PERLE will still continue as a parent group. PERLE’s mission supports the Rapid Learner program at Deterding.

**Why do we need a parent teacher organization?**
Each year, Deterding parent groups contribute funding that keeps our Art, Band, and Music Programs at their high level. The K-3 Dance Program is funded solely through parent group funds. Our classrooms and teachers also need additional supplies and support beyond what is provided. That is why it is essential to have a strong parent teacher organization at our school to provide this necessary funding.

**With these changes, will we lose any programs at Deterding?**
No. DREAM is committed to supporting all programs at Deterding. There are more safeguards and protections for our unique arts and education programs than ever before. We are actively seeking ways to further enhance support of our school programs.

**Will it cost money to join DREAM?**
No. DREAM is a new organization. Both the PTA and DART Board Members agreed to form DREAM, a new parent teacher organization, and to transition all Deterding parent group sponsored programs and events to DREAM over the next six months.

**Will DREAM donate money to the California and National PTA to support their lobbying efforts?**
No. DREAM will not be involved in supporting or opposing political issues, candidates, or parties.

**Will donations to DREAM be tax deductible?**
We believe it is very important that DREAM have 501(c)(3) non-profit tax-exempt status from the IRS, so that donations will be tax deductible. We have already prepared and submitted the lengthy IRS application form. Until our application is approved, DREAM can accept donations with the donor’s knowledge that our 501(c)(3) status is pending.

**How can I help?**
Just as in the past with PTA and DART, DREAM will need many volunteers to help with our upcoming events such as the Jog-a-Thon, Talent Show, Art & Music Festival, Annual Auction & Dinner, Harvest Festival, and more. We know that volunteering is work, but it will be a whole lot of FUN! We have a great time together working towards a common goal. Come join us and be part of it!

**Who can I contact with questions?**
Please feel free to contact us by email at info@deterding.org with any additional questions you may have. Our monthly meeting will be on January 22nd at 7PM in the Art Room. DREAM will also be holding a community meeting on Wednesday, February 5th at 6:30PM in the Library to answer questions.

**We’re excited about DREAM and the future! We hope you are too!**
To learn more about DREAM and our mission, please visit our website: www.deterding.org
