Approval of Minutes

Minutes for October 27, 2014 were approved by a call out vote.

Principals Report

Mr. Ginter reviewed the staffing positions that needed to be filled for the second half of the school year. They were as follows:

1. Vice Principal – Unfilled at this point (working on)
2. Industrial Technology – Filled by Tristen Billerbeck
3. French – Unfilled at this point (working on)
4. English – Unfilled at this point (working on)
5. One other position could be open, but we have not been notified that it is at this point.

Site enrollment has decreased by 14 students, which is the smallest decrease in a number of years, however the district is requesting that the site reduce its overall FTE from 54.6 to 54.4 in the second semester. That equates to one section of classes in the second semester. Administration is reviewing options in PE and World Language, with PE being the likely spot to remove a section.
Mr. Ginter also notified the council that the district is being sued from an incident that occurred in March 2013 on the campus of Rio Americano. He let them know that names of people working at the site may be including in an article that the Sacramento Bee was publishing that day.

**Budget Requests**

A discussion and vote was held on requests from departments. Below is a list of approved expenditures, non-approved expenditures, and tabled items.

**Approved:**
- **Supply Account**
  - HP ProDisplay 23” monitor – $199.80
