Approval of Minutes

This was the first meeting of the year so no minutes from last meeting were approved. May minutes were approved through an email vote at the end of last school year and reviewed at the organizational meeting in August.

Principal's Report

Mr. Ginter reviewed that Site Council elected Asha Armstrong as the president of the council for the 2015-2016 school year at its organizational meeting, as well as, Brian Ginter as the secretary. Also at the August meeting, a copy of the bylaws and SPSA were given out. The SPSA materials were given out to review for approval at the first meeting in September. The Site Council also viewed the video on site council responsibilities at the August organizational meeting.

Mr. Ginter introduced Laura Osecheck from One Rio so she could explain what the organization is doing and plans they have for the site in the future.

One Rio mission is to bring the school together by promoting school spirit, campus beautification, and working with the district on long term facilities plans.
One Rio was directed to highlight the discussion on locker removal to One Rio meetings and PTSA meetings. Students involved in site council shared their views on why they would want to see lockers stay. Mr. Ginter shared his views on an idea to remove lockers and work with parents to raise money to put them back in once the upgrades to the site were done. The money needed to put lockers back in or maintain existing lockers is not monetarily backed by the district.

Mr. Ginter asked for the approval of the SPSA, it was moved by Steven Lyle and seconded by Lynne Rominger. One student had a discussion about making sure we keep the student recognition program which we plan to do. The vote ensued after no further discussion and it passed unanimously to accept the SPSA as written.

Mr. Ginter updated the budget for the remainder of the year.
