A tradition of fun, sportsmanship, excellence, and champions.

Del Campo High School has won 16 section championships in soccer. Much of the school’s success started with small games played among enthusiastic young players in a park with PVC goals and a charismatic coach by the name of Gary Summerhays. Your children will enjoy a week long camp learning the skills of soccer from experienced coaches, collegiate athletes, alumni and current players.

We would like to personally invite you to attend the 2015 Del Campo High School Youth Soccer Camp for boys and Girls.

This summer’s camp will include training that will increase players motivation to improve their skills and understanding of the game. Trainings will be designed for players of all positions. In addition there will be a Striker and Keeper Camp for some of the more elite players and keepers looking to take their game to the next level.

Our staff this summer will include members of collegiate soccer teams, former DCHS players, current DCHS players, and the DCHS coaching staff. Campers will not only learn the skills and tactics of the game, but will also build friendships and have a great time in a positive environment.

Early Registration $100 (payment received before May 1st) If you register early you get a T-Shirt, Ball, and final day BBQ lunch celebration

Registration $120 (payment received up to the day of camp) Registration includes a T-shirt and final day BBQ lunch celebration
