Learning Goal:

1. Infinitive:
   - Used as a Noun:
   - Used as an Adjective:
   - Used as an Adverb:

2. Infinitive vs. Prepositional Phrase:
   - Prepositional Phrase (followed by a noun):
   - Infinitive Phrase (followed by a verb):

3. Infinitive Phrase:
   - Used as a Noun:
   - Used as an Adjective:
   - Used as an Adverb:
I. Sort the following sentences into as either containing or not containing infinitives.

- To dance gracefully requires coordination.
- Sandy needs to study.
- Singing to the group was scary.
- We met at the lake to swim.
- We headed to the library.
- I am happy to oblige.

II. Combine the following sentences by changing the second sentence into an infinitive or infinitive phrase and substituting the infinitive or infinitive phrase for the “it” in the first sentence.

Example: It was a pleasant surprise for her. She won so easily. = **To win so easily was a pleasant surprise for her.**

1. She expected it.
   She won the election. =

2. We will manage it somehow.
   We make a profit. =
III. Write a sentence for each word listed below. Each word should be used in an infinitive phrase.

- scare
- increase
- use

Summary: In your own words, define and explain how to identify infinitives and infinitive phrases. Minimum 3 sentences.
