School and Community
Del Campo High School opened in 1963 and is located in the middle class suburban community of Fair Oaks. Fair Oaks is 12 miles northeast of the state capitol in downtown Sacramento, California.

Del Campo’s exemplary academic, athletic, and extra-curricular programs are validated by a California Distinguished School designation and a six year accreditation from the Western Association of Schools and Colleges. DC earned recognition as an AVID National Demonstration School. The Air Force ROTC is ranked as one of the top in the nation and is consistently recognized as a “Distinguished Unit.” The Decamhian is one of the most highly regarded yearbooks in the country and has earned many major awards in scholastic journalism. Del Campo also provides one of the finest athletic programs in the San Joaquin Section of the CIF.

Student Activities
Student activities include student literary publications, Student Government, Academic Decathlon, Mock Trial, Science Olympiad, numerous clubs, drama, dance, music, community service, athletics, special events, and DCTV – broadcasts news and information to the entire school.

Accreditation
Del Campo High School is a comprehensive public high school within the San Juan Unified School District and is accredited by the Western Association of Schools and Colleges (WASC)

Professional Staff
One Principal. Three full-time Vice Principals.
Three full-time counselors and two part-time.
68 full-time general education teachers.
Nine full-time Special Education teachers.
One full-time Librarian.
Classified staff include nine classroom aides and eight Deaf and Hard of Hearing interpreters.

Block System
The school operates on a four-by-four block system. There are two blocks in the school year with four courses per block. Each block is 18 weeks with each course equivalent to a year’s worth of study similar to the traditional two semester school. Within each block are two terms lasting 9 weeks. Each term is equivalent to one semester. Most courses are 18 weeks while others are 9 weeks only. Each term students earn 5 credits for each course – 10 per block. Students can earn up to 320 credits by their senior year with a required minimum of 280.

*Note: There are four “combo” AP courses that students may choose to enroll. Students attend one of two courses every other day throughout the entire school year. AP Biology is combined with Psychology and US History is combined with English Language & Composition. Grades and credits are awarded each term/quarter.

Marking/Grading System
Four-point scale of A=4, B=3, C=2, D=1, and F=0. Honors and Advanced Placement add one grade point for each class of C grade or better. Both weighted and unweighted grades are reflected on the transcript, as well as a state GPA that excludes all ninth grade, physical education and ROTC grades. Courses taken at a community college do not appear on the transcript. Rank is determined from a student’s cumulative grades for ninth through twelfth in relation to all students in that grade and may be based on weighted or unweighted grade point averages. In cases where a course is repeated, only the higher grade is calculated into the GPA.

Graduation Requirements
280 credits are required for students who attend Del Campo for four years. Classes completed with a grade of D or better earn 5 credits per term/semester.
