MLHS Student Planner Requirement

*All* Mira Loma High School students are required to maintain a Student Planner.
(IS, MYP & IB students, too!)

* What is the Student Planner for?*
Tracking/recording class assignments and homework.
Writing down important dates like Homecoming, sports, clubs, TWIRP, Sports-O-Rama, & Prom.
Writing down important dates for PSAT, SAT, ACT, IB Exams, A/P Exams, CAHSEE, & STAR testing.

* Need a pass to the library or restroom?*
You must have a Student Planner. (Hall Passes are in the back.)

The ML Student Planner has important information about all programs offered on our campus,
where to go for support, important phone numbers & email addresses, school/district policies,
“who’s who” on campus, and other academic resources.

The cost for the ML Student Planner is $5.00 at the Mira Loma Business Office.

*The MLHS Student Planner is an excellent resource for organization,*
*time management, goal setting, and stress reduction.*

*Parents are strongly encouraged to monitor their student’s planner throughout the year.*

International Studies Student Checklist for Back to School

It’s already that time of year to start setting aside some funds to stock up on school supplies for Fall 2014. With school starting in mid-August, and gas and grocery prices soaring, we want to make sure that you budget for these particular items so you are prepared for the year ahead. Use this checklist when you are out shopping and when you pick up your schedule in August.

Sincerely, Mr. Lineback, IS Program Coordinator
