Principal’s Message

As the end of the year fast approaches, it is time to reflect upon the 2013-14 school year. Our students distinguished themselves in the classroom, in academic competitions around the state and in interscholastic sports as well. Our Science Bowl team won their second consecutive national championship April 28th in Washington D.C. Our Science Olympiad team placed 1st at the Northern California competition and will travel to Orlando, Florida this month to compete for a national championship. Our Speech and Debate and Future Business Leader teams had great success again this year with many students competing at the state competition and qualifying for the national championship in June. Our boys swim team won a league championship and our tennis team is currently competing in the section semi-finals while several swimmers and track & field athletes are working their way through league and section finals competitions. I am proud of the efforts of the students, staff and parents of the Mira Loma High School community.

We recently completed the administration of the STAR, MAP and Smarter Balance testing cycle. We worked hard to communicate the importance of these tests to students and I believe the message was well received by parents and students. International Baccalaureate and Advanced Placement testing has also begun. Good luck to all of our testing students.

We are in the process of developing the master schedule for the 2014-15 school year. All students should have completed an articulation form and selected classes for next year. Students should have shared this information with you. If you are not sure whether your student selected courses for next school year, please contact the Counseling office at 916-971-7467.

Graduation is just around the corner. It is scheduled for June 4th at 3pm at the Memorial Auditorium. A great deal of planning is going into this event to ensure it is a ceremony befitting the students and community of Mira Loma High School. Many other events are scheduled for seniors during the next few weeks including senior picnic, senior awards night and grad night. It should be a terrific end of the year. You can find a calendar of all the Senior Events at Graduation/Senior Activities or, if you're not reading this on a computer or other electronic device at
www.sanjuan.edu/miraloma and click on Graduation/Senior Activities in the left column.

In closing, I want to thank the students, staff and community of Mira Loma High School for their continued support.

Sincerely,

Rich Nichols
Principal,
Mira Loma High School
Booster Club

Mira Loma Booster Club would like to thank everyone who supported our amazingly successful 1st annual Crab Feed in March. Make sure you save March 14, 2015 for next year’s Crab Feed.

We will be awarding up to $3,000 in scholarships to seniors at the Senior Awards night thanks to some special volunteers at Bingo each Monday night. Grad night is a very important evening for all of our Seniors each year. It is costly but so worth it. You can help raise money for Grad night for your child, your child’s sport team, cheer, dance, PTSA, IB, IS or any club at Mira Loma by volunteering at Bingo. It’s easy and fun and you get a free dinner! Contact miralombingo@gmail.com for more information.

Congratulations and thanks to the following Booster Club Board for the 2014-2015 school year:
Georgia Schaaf - President
Pete Bramson - 1st Vice President
Empty seat - 2nd Vice President
Alma Souksamlane - Secretary
Scott Edmiston - Chief Financial Officer
Members at large:
Rick Mendonsa - Bingo Manager
Lindsay Wing - Athletics Director

Beginning in September Booster meetings will be the Second Wednesday at 6:00 p.m. In F3. Please join us when you can.

Have a wonderful summer,
Georgia Schaaf
Booster Club President
Library News

Library Hours for Finals Week:
Monday, June 2: 7:30-2:00
Tuesday, June 3: 7:30-3:00
Wednesday, June 4: 7:30-11:30

Return all library books by May 22. See Mrs. Gibson if there is a special need to keep a book after that date. Seniors you must have a clear record for library and textbooks or cannot participate in the graduation ceremony, "You cannot walk." See Ms. Largaespada in room E-15 for textbooks and Mrs. Gibson in the library for overdue or lost library books.

Thank you to all the Library TAs this year: Justin; Patrick; Annmarie and JoAnn; Nick and Lacey and Deyson. A special THANK YOU to Mrs. Inouye who volunteers in the library 2 afternoons per week.

BOOK SALE at Back to School Night in September. Please bring donations to school. I will be storing them in the library over the summer. This is one way the library gets money to purchase library books. Donations of books or money is always welcome!

The library will be closed over the summer and reopen in early August. Have a good summer everyone and read for pleasure!

Sarah B. Gibson, Library Media Teacher
Mira Loma High School
4000 Edison Avenue
