IBPO Monthly Letter to Our Community:
Get involved, be connected...
It’s your student and their future

 Presidents: Melissa Marsh and Dominique Patrick

1) Thank you to all the parents who have been quietly donating food and drink to the MYP and Diploma Teacher Lunches. The IBPO board knows there are many of these meetings this year and the board, and especially the teachers, really appreciate your donations. They are getting through many discussions as they relate to this year and the transitions for next year!

2) IBPO is looking for parents willing to join the executive board in either the president's position or the secretary's position. Please let us know if you are willing to join the board!

3) IB testing is coming up! We need parents to volunteer as IB exam proctors.

4) Successes:

• Future Business leaders of America placed first in northern sections and will go to state champs in April

• Science Bowl A team placed first and the B team placed 3d in the state competition and will go to nationals in April.

• Science Olympiad A team placed first in the regional competition and will go to states in April.

5) Personal projects have been completed and graded. Personal Projects will be displayed at the MYP awards.

Thank you Mira Loma for your continued support and please do not hesitate to ask a question, get involved, or help us help your student succeed as we directly support the needs of the Mira Loma IB program.

Hope to see you at our meeting, April 8th at 7 pm in F3.
