Log on to Q Student Connection

Click on...

Next click on ‘Requests’.
Then click on ‘Add/Edit Requests’ in the top right corner of the screen.

Scroll down on course requests until you get to the course you want to add. Click on the course and then ‘Add Selected Class’.
Add all classes; finally click on **Submit** and this moves your request to **Course**.

After you’ve entered all your choices click on ‘Submit’ and it takes you to a summary of your course selection with the notation in green with **Updates Saved**:
