Take The One Hour of Code Challenge!

“The Hour of Code is a global movement reaching tens of millions of students in 180+ countries.”

This year’s One Hour of Code challenge takes place around the world the week of December 7-13. Here at Del Dayo, I will host the challenge after school on Tuesday, December 8, and Wednesday, December 9, from 2:35-3:40 in room 9. If you are interested in trying your hand at computer science and computer coding, fill out the form below, drop it off in room 9, and sign up for the day you want to attend.

See you then!
Mrs. Dittmer
