

Welcome Parents and Guardians, to the 2016-2017 school year,

The ISSPO Board strives to bring you and your students an enriching experience over the course of their high school education and helps prepare them for college. With the help of the students, parents, grandparents, siblings, friends and other volunteers the International Studies Student Parent Organization (ISSPO) can continue to provide valuable support to the ISSPO students. The ISSPO supports the educational and service activities of our IS students through personal example, advocacy fundraising and financial support. ISSPO helps fund books, materials, and field trips – costs which otherwise would be passed along to parents. Additionally, ISSPO offers yearly scholarships, sponsors a banquet for graduating seniors, and offers graduation regalia rental at a discounted price. You and International Studies Student Parent Organization can have an important and positive impact on your child's experience while in the program.

Some of the things the ISSPO does for students and families:

- Award college scholarships to senior graduating student members.
- Fundraise through Sports-a-Rama snack bar sales, percentage back food sales at local restaurants.
- Host the ISSPO Senior Banquet ceremony.
- Provide students with IS regalia, to be worn at graduation.
- Hold student socials
- Organize Community Service events for ISSPO students.

We need parent and student members participating in a variety of ways:

- Attend monthly meetings
- Annual membership dues of \$10.00 per student or \$20.00 per family.
- Work a BINGO shift. Each person working earns 12.00 an hour, which goes directly to the ISSPO scholarship fund.
- Sports-a-Rama snack bar volunteers.

ISSPO meetings are held in F3 at 6:30pm the first Wednesday of the month.
