IB Mission Statement

The International Baccalaureate aims to develop inquiring, knowledgeable and caring young people who help to create a better and more peaceful world through intercultural understanding and respect.

To this end the organization works with schools, governments and international organizations to develop challenging programs of international education and rigorous assessment.

These programs encourage students across the world to become active, compassionate and lifelong learners who understand that other people, with their differences, can also be right. (www.ibo.org)

What the Students Say

"MYP positively influences your way of analyzing and critically thinking. It’s a good stepping stone to an IB diploma."

"The IB Diploma Program really opens your mind to new ideas and perspectives and makes you think about the world."

The IB Diploma Program at Mira Loma High School offers a variety of opportunities to students. The program is recognized as one of the most comprehensive and challenging high school programs available to American high school students. Juniors and seniors have several choices:

- Three subjects and four levels of participation: International Baccalaureate Diploma, IB Associate, and IB Diploma.
- IB Certificate Program.
- Three separate options within the arts: Music, Visual Arts, and Theater Arts.

To earn the IB Diploma, students must:

1. Take 6 subjects and complete the exams in a combination of Higher Level (HL) and Standard Level (SL) courses.
2. Complete Theory of Knowledge (TOK).
4. Complete Creativity, Action, and Service Hours.

The Global Contexts are the lenses through which the students learn the content:

- Identifying and exploring global trends.
- Personal and cultural expression.
- Scientific and technological innovation.
- Scientific and technological innovation.

The Personal Project is a year-long research project that students complete.

- Six subjects and 40 hours of community service.
- The Personal Project.

Mira Loma’s IB Diploma Program is the largest, most established program in the greater Sacramento area. Students who complete IB courses and examinations at Mira Loma High School have gone on to successful college and university careers both in the US and abroad.

The IB Diploma is much more than an academic honors program. While we prepare young people for the challenges and complexities of our ever-changing world, we also pave the way for their future academic opportunities.
