WorkAbility Employment Survey

TO: Employed San Juan Unified student

FROM: San Juan WorkAbility Department

Congratulations on your employment! In collaboration with the California Department of Education and the California Department of Rehabilitation the San Juan Unified School District provides direct support to students with disabilities to support positive post-secondary employment options. Completing this survey provides important information about employment outcomes for SJUSD students. As an SJUSD student with special needs you have access to job development services through the San Juan Unified School District, and are eligible for support to keep this job and/or enhance your future career. Please contact your special education case manager or our office (979-8610) for additional information or to request support.
